The School of Psychological Sciences offers two undergraduate majors in psychology. The Applied Psychology Major (PSYA) and the Psychology Major (PSYC). The PSYC major is designed for students who plan on attending graduate school, in particular in an area related to psychology, immediately upon completing their degree; whereas, the PSYA is designed for students who are planning on entering the workforce upon degree completion or who would like to combine the PSYA degree with another area of study at UIndy.

Please note that PSY 124, 125, and 165 are recommended prerequisites for the Psychology Core Requirements.

First-Year Courses (7 hours)
- PSY 124 Foundations of Psychological Sciences I - Methods (3)
- PSY 125 Foundations of Psychological Science II - Statistics (3)*
- PSY 165 Career and Educational Pathways for Psychology Majors (1)

Psychology Core Requirements (12 hours)**
- PSY 215 Social Psychology (3)
- PSY 230 Brain and Behavior (3)
- PSY 235 Cognitive Psychology (3)
- PSY 245 Lifespan Development (3)

All PSYA must choose a track (12 hours). Only the Human Services Track is available through the online PSYA major.

**Human Services**
Choose four of the following:
- PSY 120 Introduction to Psychology (3)
- PSY 345 Abnormal Psychology (3)
- PSY 425 Found. Skills of the Helping Professions (3)
- PSY 495 Psychology of Interpersonal Relationships (3)

Capstone (3 hours)
- PSY 475 Applied Psychology Capstone (3)*** or A different capstone course with permission

Electives (2-3 hours) Choose one from the following
- ENGL 220 Advanced Composition: Expository Writing (3)
- Any psychology class not already counted toward the major (2-3)

NOTE: A grade of C- (1.7 on a 4.0 scale) or higher is required in all courses applying toward the CCST.

Clinical and Counseling Studies Concentration (12 hours)
- PSY 250 Personality and Sociocultural Factors (3) or PSY 120 Introduction to Psychology (3)
