To the Faculty and Personnel. . . .

We, the junior class, wish to take this opportunity to express our appreciation to our teachers and to those who help to maintain the other departments of the college for the way in which they have done their best to make us better men and women.

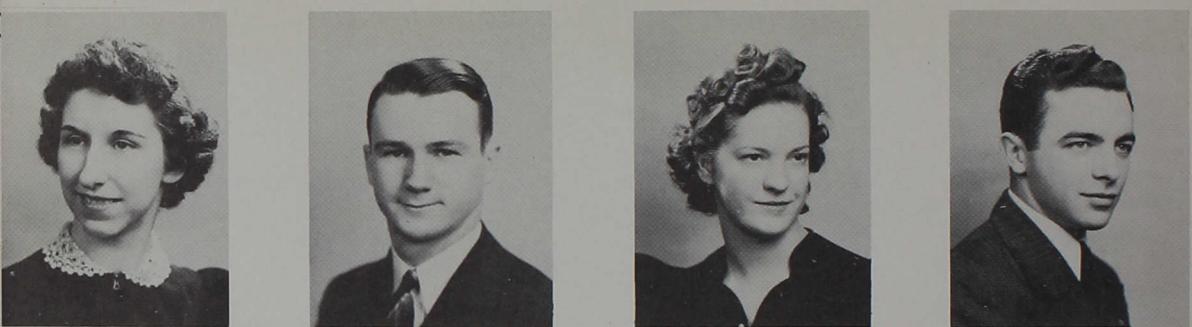

We are confident that we are not alone in these sentiments, but that we are at the same time expressing the same feeling for the entire student body.

We hope that as we pass on into the positions soon to be vacated by the seniors, we will show each one who is interested in us that that interest is not in vain.

Basketball Season

To Open Nov. 21

With the opening game of the basketball season less than a month away, Harry Good has laid plans for practice for the opener on November 21 with Huntington College.

Brief sessions were held last week on fundamentals and shooting. This week's

program would be my prediction. A squad has been formed and practice sessions difficult to predict. With Nick Perry as a nucleus and men to round out the team, the basketball season is well under way.

HUNTINGTON, Ind.—Fourteen Indiana Central players joined the scoring parade as the Greyhounds opened the ball season here last night with a 72-60 victory over Huntington.

George Crowe, freshman, set the pace for the Greyhounds with six field goals, while Lee Perry and Clark each scored three to lead the losers.

An Appreciation

At last the 1940 Oracle has gone to press! As I write these words I think back to the time when I was just beginning to think about staff members and ideas for this Oracle, and I am filled with a sense of gratitude toward those on the staff who have helped in many ways to publish this book. To every person who helped in any way to put out this Oracle, I wish to express my sincere thanks.

My appreciation to Mr. Evan R. Kek, faculty sponsor, for his aid in getting the Oracle under way, and for his help in many other ways.

Also to Mr. Bowser of the Commercial Service Co., for his valuable assistance in printing this book, and to Mr. Ochiltree, of the S. K. Smith Co., for his aid in selecting the cover, I say, "Thanks."

Finally, to our advertisers, without whose help this type of book would not have been possible, I express appreciation. To the reader I say, "Support our advertisers."

I hope that you will enjoy the 1940 Oracle.

Sincerely,

RICHARD GRIFFITH
Editor
