It is the hope of the staff that these fleeting years will not be forgotten and will be carried with us to the four corners of the earth.

We, the class of 1942, consider it an honor to give to the future generations this memoir of our happiest days.

## ORGANIZATION

## THE CENTRAL STUDENT CHRISTIAN ASSOCIATION

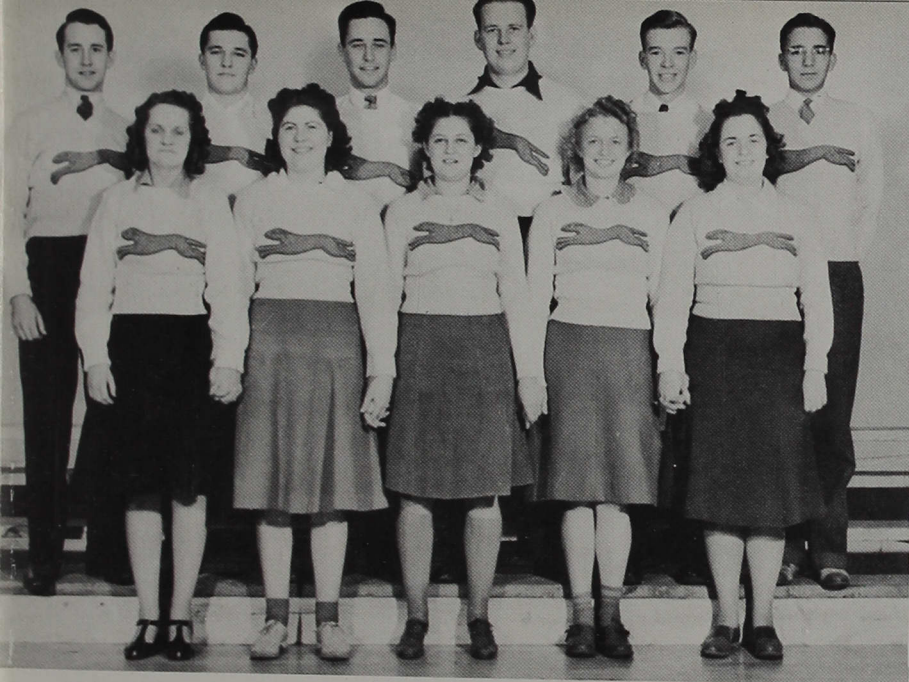

For sometime it has been felt that greater effectiveness would be achieved in the promotion of Christian life and activities on the Central campus if the various phases of these activities would be promoted under one organization. Preliminary discussion along this line last year was followed by the organization of several committees with chairmen as follows:

Finance, Maurice Borkland  
Program, Margaret Montgomery  
Social, Walter Brenneman and Henrietta Rider  
Evangelism, James Miller  
Sunday Evening, Kenneth Kraft  
Bible Study, George Jacobs  
Publicity, Derrill Ratliff

The faculty advisors were Professors Huey, Davis, Sample, Weber, Deans Cravens and Stoneburner, Rev. Turley and President Good.

All of the committee chairmen and faculty advisors together with Sherman Cravens, who was president of the organization constituted the C.S.C.A. Council.

The increased effectiveness and unity of the various programs and activities on our campus during the year give large promise of still greater success of the C.S.C.A. as this organization becomes better adjusted to the many opportunities and services within its scope.

DEAR READER:

When I stop to realize how quickly the time has passed since we began to formulate plans for the 1941 Oracle now as it rests in completion, I am aware that it has only been possible because of many sacrifices on the parts of others. To those who have made this Oracle possible, I wish to express my sincere thanks.

My appreciation first goes to a fine Oracle Staff who have been willing to co-operate in every way possible.

My appreciation goes to Mr. Evan R. Kek, for his kind, patient ways and helpful suggestions. Also my gratitude for taking many of the pictures.

To Mr. Bowser of Commercial Service Co., for his valuable suggestions and patience, and to Mr. Ken Cooley, of the S. K. Smith Co., for his aid in designing the cover, I wish to express appreciation.

In consideration of his many helpful suggestions, I wish also to thank Mr. Richard Griffith, Editor of the 1940 Oracle.

Finally, to each purchaser of a 1941 Oracle I wish to express my sincere appreciation for making this publication possible. To those who have purchased advertising I wish to say "Thanks." It is hoped that you will support these advertisers.

May you enjoy the 1941 Oracle as much as we have enjoyed making it.

Sincerely,

JOHN KNECHT
