TO BE AT HOME IN ALL LANDS AND AGES, TO COUNT NATURE  
A FAMILIAR ACQUAINTANCE, AND ART AN INTIMATE FRIEND;  
TO GAIN A STANDARD FOR THE APPRECIATION OF OTHER  
MEN'S WORK AND THE CRITICISM OF YOUR OWN; TO CARRY  
THE KEY OF THE WORLD'S LIBRARY IN YOUR POCKET AND FEEL  
ITS RESOURCES BEHIND YOU IN WHATEVER TASK YOU UNDER-  
TAKE; TO MAKE HOSTS OF FRIENDS AMONG THE MEN OF YOUR  
OWN AGE WHO ARE TO BE LEADERS IN ALL WALKS OF LIFE;  
TO LOSE YOURSELF IN GENEROUS ENTHUSIASM AND COOPERA-  
TION WITH OTHERS FOR COMMON ENDS; TO LEARN MANNERS  
FROM STUDENTS WHO ARE GENTLEMEN AND FORM CHARACTER  
UNDER PROFESSORS WHO ARE CHRISTIANS; THIS IS THE OFFER  
OF THIS COLLEGE FOR THE BEST FOUR YEARS OF YOUR LIFE . . . .

## In Memory of Dr. J. A. Cummins

"Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of the bar  
When I put out to sea."

—Tennyson

His words of wisdom, his patience and understanding, his genial personality, his original humor, and his practical philosophy of life live on in the lives of all who knew him.

PRESIDENT I. J. GOOD, A.B., A.M., LL. D.

OUR PRESIDENT

"If you can keep your head when all about you  
Are losing theirs and blaming it on you,  
If you can trust yourself when all men doubt you,  
But make allowance for their doubting too . . . ."  
—Kipling

The Class of 1943 salutes our President who, steadfast of purpose, has held our Alma Mater true to her high idealism at a time when many lesser men sought refuge in compromise. President Good has been active of late in a cause for which we all hold the highest hopes, our College Victory Campaign. Under his leadership, we look forward to greater scholastic recognition as well as better facilities for study.

## OUR DEANS

3

### DEAN CRAVENS

Since 1927, Miss Virginia Cravens has served as Dean of Women at Indiana Central College. In addition to her duties as Dean, she has also taught grammar and literature. She has proved herself to be a gracious hostess as well as a reliable source of advice. The girls have always found her ready and willing to help when they were in need of guidance. Her apartment is visited frequently by girls who "sometimes counsel take—and sometimes tea."

### DEAN STONEBURNER

Dr. Earl Stoneburner became a member of the faculty of Indiana Central College in 1929. Since then he has served at the head of the Department of Education. In 1935 he took on the added responsibility of Dean of Men. His counsel and advice are much in demand by the fellows on the campus, because they have found that he has a sincere interest in them and an answer to their problems as a result of his wide and varied experiences.

## *Philalethean Literary Society*

### **"Lovers of Truth"**

Every Monday evening this society gathers in its society hall to learn parliamentary procedure and to listen to literary productions and impromptu speeches given by its members.

Founded with the college, this society has ever held "Excelsior" as its motto, and as its goal . . . .

"Be it thy pride to strengthen  
The womanhood of all  
Who come within thy portals,  
And answer to thy call."

## *Philomusean Literary Society*

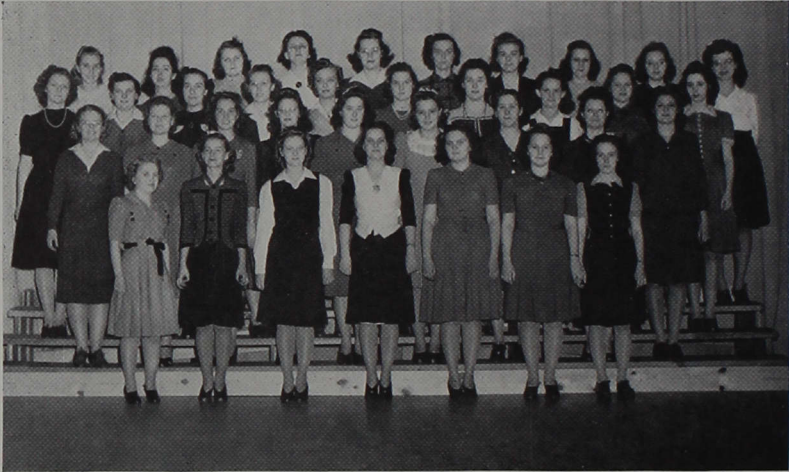

### **"Lovers of Letters"**

This society, the older of the two men's societies, had the distinction of having President Good as one of its first members.

Philomusea, brother society of Philalethea, trains its members toward a high standard of literary attainment, original productions, and worthwhile extemporaneous speaking, proving itself worthy of its motto, "Hic educare nos vitae."

"We cherish thee in faith and hope,  
To thee our laurels bring;  
In token of our loyal love,  
This song of praise we sing."

## *Theacallosian Literary Society*

### **"Truth and Beauty"**

In 1923, two more literary societies, Theacallosia and Zetageathea, joined the two already on the campus.

Theacallosia took as its motto "Labor Omnia Vincit" and purposed . . . "to develop ideals of beauty and truth in the finer arts of life, especially music and literature, and to perfect the members of the society in the mechanics of routine and government."

"—Our daughters shall sing of thy glorious fame,  
"Till all earth shall hear of thy spotless name."

## *Zetagathean Literary Society*

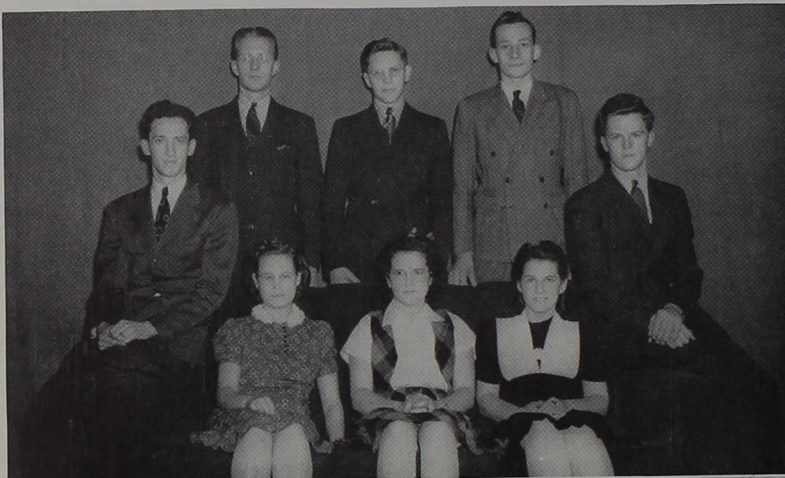

### **"Seekers of Good"**

"... for the purpose of improving our literary abilities, for the development of our deliberative faculties, and for acquiring a knowledge of parliamentary law..."

Zetagatheans believe that this is the purpose of a literary society, and have chosen as their motto: "There is no palm without its dust."

Above all, they learn to appreciate and know their fellow students.

"May we always hold in memory a place for you  
Dear old Zetagathean, here's to you."

## STUDENT CHRISTIAN ASSOCIATION

The S.C.A. consists of all members of the student body and college staff who share its purposes. It was organized in order that the religious and social needs and opportunities on the campus might be more fully studied, integrated and met. Its aim is to maintain appropriate relationships with the college, the church, the general Y.M. and Y.W. Christian Associations, and other organizations.

The S.C.A. is governed by the council which is made up of faculty advisors and the student officers elected by the student body.

## CENTRAL MINISTERIAL ASSOCIATION

The Central Ministerial Association is made up of students who have indicated that their life work is to be definite service in the church. The purpose of this organization is to present to its members the various problems of the ministry and to find a possible solution for them.

The Ministerial Association meets once a month for programs of inspiration and worship.

This club aims to stimulate an interest in dramatics at I.C.C., to train leaders for educational, church, and community dramatics; and to secure for the college all the advantages derived from its membership in the Gamma Theta cast of the National Organization of Alpha Psi Omega.

The two major productions presented by the dramatics club this year were "You Can't Take It With You" and "Dark Victory."

## GOSPEL DRAMATICS TEAM

A Gospel Dramatics Team is something new on the campus this year and from all reports is here to stay. A Biblical play "The Light From Within" has been presented with marked success before a number of congregations on various Sundays throughout the school year.

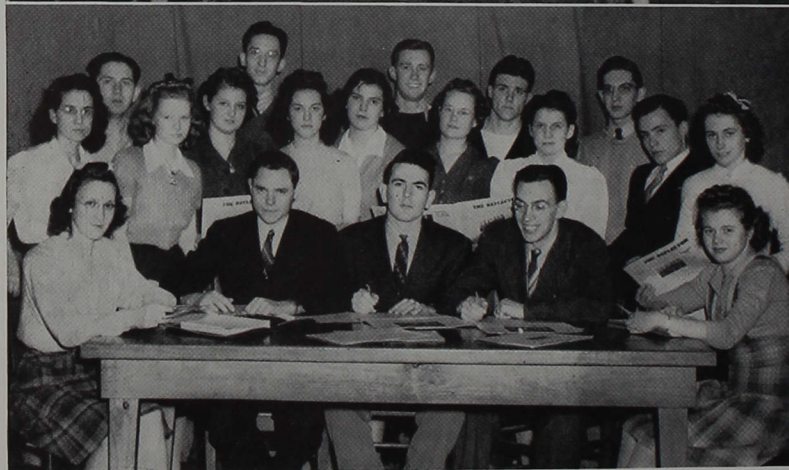

Someone has said, "The drama is the looking glass through which we see the hideousness of vice and the beauties of virtue."

## LATIN CLUB

The Central Latin Club is one of the older departmental clubs on the campus. It has been active in training Latin majors in methods of conducting high school clubs and of interesting beginning language students in the study of Latin. Its programs consist of book reports, plays, games, mythology, and poetry. It is one of those societies in which the club activities give a broad background for class work. The club song is the familiar college tune, "Gaudeamus Igitur."

## ENGLISH CLUB

One of the most active of the departmental clubs on the campus is the English Club. On the first Wednesday of each month, it meets in the club room to listen to programs planned in keeping with the month. One of the most interesting of these was the "Old Books" meeting in January. Another of special interest honoring Thomas Moore, an Irish poet, was given in March.

The Science Club was formed in order that those interested along scientific lines might have experience in interpreting scientific literature, might gain ability in presenting the material, and might develop a keen and growing interest in the present trends in the world of science.

The Club elects no officers, but it is sponsored by Dr. Morgan, Dr. Strickler, and Dr. Sample.

## BESTA VESTA

To be the best of homemakers is the desire of all Besta Vesta members.

Membership includes girls interested in home economics activities as well as home economics majors. Programs are planned each year to meet the needs and interests of the members. Affiliation with the American Home Economics Association and the Indiana Home Economics Association provides opportunities for the girls to share experience with other College Clubs.

## SIGMA ALPHA MU

Commencement will mark the end of two years of service for Sigma Alpha Mu, Central's music and art society. "Every artist was first an amateur," said Emerson, and our amateurs through this organization, are given an opportunity to gain proficiency before appreciative audiences.

Sigma Alpha Mu also contributes to the culture of the student body by presenting a continuous series of sketch and painting exhibits by various contemporary artists.

## CHOIR

The Concert Choir, one of the oldest musical organizations on the campus, has, under the direction of Miss Esther Becker, progressed splendidly. During the Christmas season the choir of picked voices presented two much appreciated programs. One was the annual Candle Light Service at the College Church and the other was the presentation of Handel's "Messiah." They have ably accomplished their purpose "to sing good music in an artistic and sincere manner."

## Band

**FIRST ROW**—Nierstheimer, Winebrenner, Favor, Hippensteel, McClung, Walker, Decker, Schueler (President).

**SECOND ROW**—Clutton, Polk, Hardy, W. Rider, Mertz, Crisler, J. Rider, W. Pellett.

## BAND

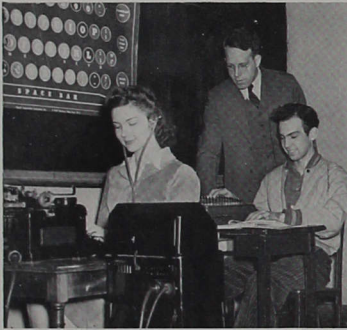

One of the most thriving of the musical organizations this year on the campus is the band. Under the able direction of Professor Mogle, it has given several chapel concerts, has taken concert trips to nearby high schools, and has sponsored the now well established Band Clinic, held here each year.

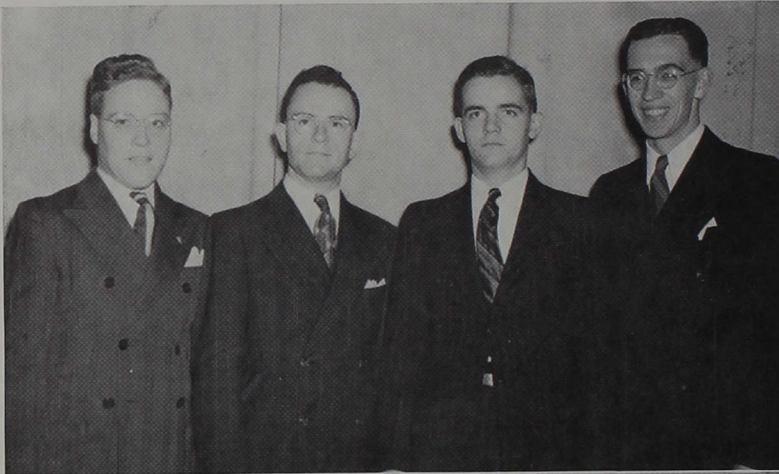

## MALE CHORUS

This unique organization has made rapid strides forward in the three years since its institution. It represents the college in secular programs for clubs and schools as well as presenting worship services in some of our larger churches.

Climaxing the honors paid to the Male Chorus during its history including several radio appearances came an invitation this year to join the Indianapolis Symphonic Choir, in which the fellows have done excellent work.

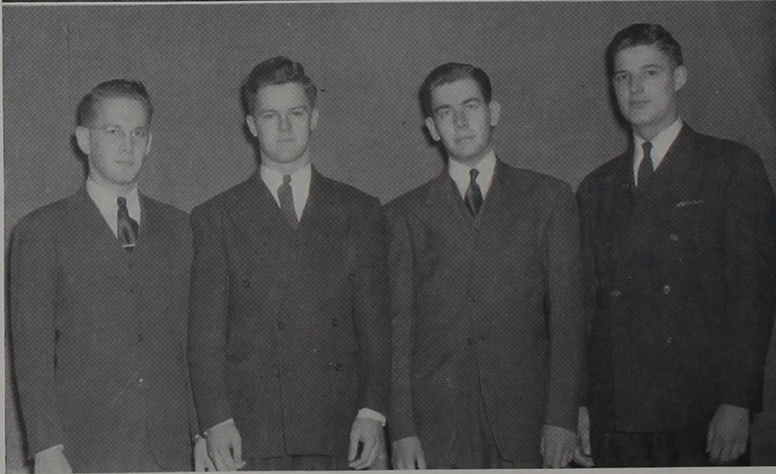

### Concert Quartet

LEFT TO RIGHT—Spaulding, McClung, J. Rider, Uncapher.

### Gospel Quartet

LEFT TO RIGHT—G. Catlin, Painter, D. Catlin, G. Moore.

## THE QUARTETS

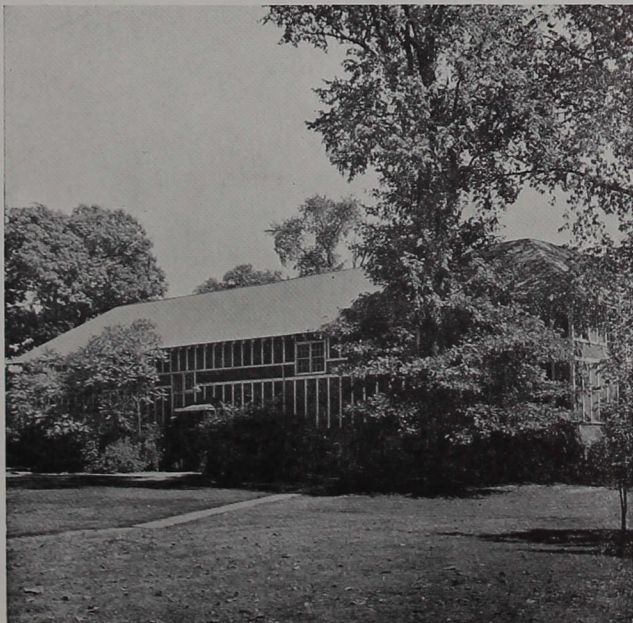

Both quartets have been very active this year in spite of the tire shortage. The work has been largely devotional in nature, as Sunday is the most opportune time for programs. In the Concert Quartet more emphasis has been placed upon vocal solos as diversion from routine, while in the Gospel Quartet a violin soloist and chalk talk artist have added much to the success of the group. The programs of the Concert Quartet were, with the exception of solos, rendered "a capella."

## MEN'S "C" ASSOCIATION

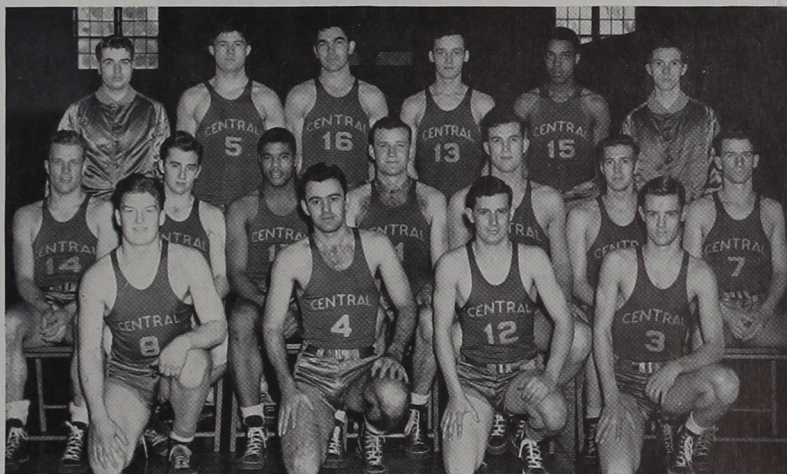

Since 1927 the letter men of the campus have been organized into the "C" Association. Men may be granted a varsity letter for participation in basketball, baseball, or track. Soon after receiving their "C" certificates, new members receive a hearty welcome into the club. Those "C" men who have graduated are associate members.

The "C" Association gave a banquet in honor of the cross country team as they have done in the past. On High School Day and homecoming, the members did their part in making the occasions successful.

## "C" WOMEN

"Something new has been added to . . ." The women of Indiana Central are now, at last, granted varsity "C" sweaters as well as the men. Requirements for the women's varsity "C" are rigid so that the seven who have achieved a letter are to be commended. Each girl must participate in five sports with a grade of eighty-five or better. She must take part in intramurals for three years. Her posture must be grade "A" and her scholastic average at least "C."

If these requirements are satisfactorily met, the Athletic Committee may grant the prized "C" certificate.

The first basketball season perfection record in the history of the college was achieved by the 1941-42 Greyhound squad. Coach Good's boys suffered their last defeat December 16, 1940 with a 32-22 loss to I.S.N.U. but finished that season (10 games) and the 1941-42 season (16 games) with no losses for a 26 consecutive game victory record.

The Central squad turned in double victories over Ball State, Manchester, I.S. N.U., Central Normal, Hanover, Oakland City, and Anderson; and single victories over Illinois Wesleyan and James Millikin.

During the season the Greyhounds averaged 57 points per game while their opponents averaged nearly 33. One interesting thing to note was that the Greyhounds led in every half-time score of the season. Bloomingdale, Crowe, Nicoson, and Howe all scored approximately the same number of points during the season.

# Basketball

## BILL HOWE

Bill, a Junior, held a regular position in this, his third season with the Greyhound team. He filled the forward position which was vacated last year by Brenneman.

## LEE PERRY

"Big Lee" was a great center who held a starting position for four years. He was out during the first part of the past season, but returned to action late in the campaign. His great rebound work kept the Greyhounds in the thick of every battle. Lee is one of the popular stars who is leaving this year.

## GEORGE CROWE

George, a Junior, held the forward position during his freshman and sophomore years. However, he was shifted to the center position in the short absence of Perry, thereby gaining a center berth on the All-State and All-Conference first teams. George stuck to some of the best men in the state and held them to a minimum of points in nearly every instance.

## ANGUS NICOSON

Angus, who was one of the great Senior guards on Central's undefeated quintet, finished his fourth year on the varsity by landing a guard position on the All-Conference team. His uncanny marksmanship from long range made him a threat in every game. His famous one-hand push-shots helped turn many close games into walkaways for the Greyhounds.

## RAY BLOOMINGDALE

Ray, a Senior, played four years with the Greyhound basketball club at the guard position. Bloomingdale was never as high in the scoring bracket as in his last year. As a result of this season's playing he was selected as an All-State and All-Conference guard. He has won similar honors in previous seasons.

# Basketball

## CHESTER LINDERMAN

"Chet," a Junior, was substituted into practically every game during the season. He possessed a bullet-like, over-hand, hook shot that broke up the tightest spots of several crucial games. He will be back next year.

## DONALD SAYLOR

"Mope" held a starting assignment until the return of Lee Perry late in the season. He always went in when the going was tough, and his speed and shooting ability marked him as a man to watch. He is a Junior who is expected to do great things next season.

## JOHN FREDENBERGER

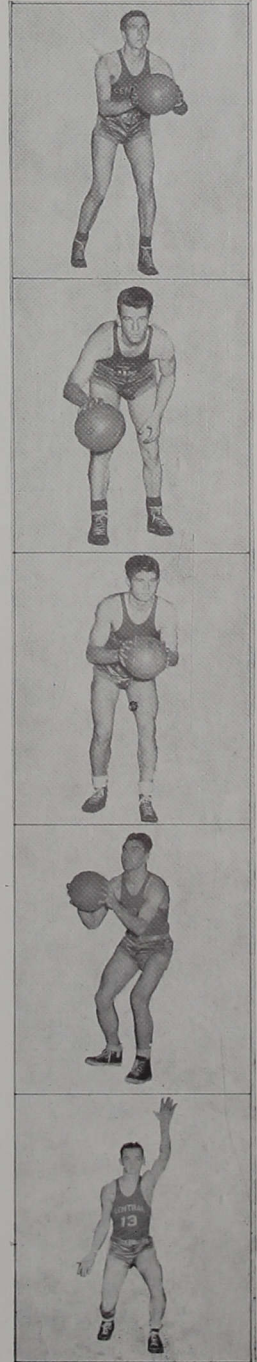

John was one of the very capable reserves who was at his best when play was rough. He was a reliable man in the clutch and usually came through with two or three baskets at the opportune moment. This was his last year on the team.

## DON JAMESON

"Sug" made up for his inexperience by his hard-driving play. He was understudy to Perry and showed great promise. Jameson has two more years of competition.

## ROBERT JOHNSTON

Johnston was the only Freshman to make the first ten of the Greyhound squad. The tall, lanky, LaGrange youth possessed a sharp shooting eye from the field and was a clever ball handler.

**FIRST ROW**—Martin, Trowbridge, M. Holzhausen, Salzman, Crowe, C. Holzhausen, Nicoson, Bloomingdale.

**SECOND ROW**—Koldewey, Richards, Colbert, Stoneburner, Newell, Jameson, Noel, Simmons, Nicodemus, Coach Good.

A glance at the impressive record of Central's baseball team shows that '41 was another very successful season for the Greyhounds.

Central's ambitious batters drove in one hundred fourteen runs as against forty-five for opponents, to turn in eleven wins out of a fourteen game schedule. The baseball boys can be proud of this season—the result of hard work and faithful training as well as a keen enthusiasm for the great American sport.

To those on the team who will not be back with us next season, we extend sincere good wishes, and to the returning boys we covet another brilliant season.

# Track

In most sports strong members of the team may compensate somewhat for the lack of ability of others on the team, but in track this is different. It is only the individual himself who wins or fails, no one else can run the "middle mile" of the two miler or jump the extra inch for the high jumper.

Central had some individual stars who made a name for themselves in college competition. Our squad was not quite balanced enough to capture firsts in the meets this year. Men were lacking in the weight and middle distance departments, however the distance men and sprint men made strong competition in their events.

We wish the best of luck to the returning track men, and to those who have graduated we wish success.

Outstanding runner of the team was the captain and manager, Joaquin Montoya. He took first in all meets including the Little State Meet held at Purdue. In addition, the New Mexico race horse, as lone representative of Central, annexed another first place medal in the Indiana A.A.U. meet held November 25 at Butler. Joaquin is now serving Uncle Sam, and we wish him well.

None of our harriers were lost by graduation, so we are looking forward to another successful season in cross country racing.

## *Booster Club*

From each college class and the band two members, a boy and a girl, are chosen to represent them in the Booster Organization. The Senior cheer leader and the president, a senior elected the year before, complete the personnel of the club.

The Booster Club members sell candy, pop, and ice cream at the ball games and in the dormitories. The funds which are provided in this way are used to buy heavy "C" sweaters for new letter men and numerals for freshmen who are eligible for them. Recently the Booster Club provided "C" sweaters for Central's varsity women, a new organization on the campus.

Election to the Booster Club is an honor which is earned by all its members who work together for the good of the college.

Dear Readers of the Oracle:

It has been the desire of the Oracle staff to present in this volume a record of campus life at Indiana Central College as we have experienced it.

We hope that this record will help you to remember the professors with whom you have studied, the friends you have made among fellow students, and the activities you have enjoyed.

This book is not the work of any one person; rather, it is the result of the combined efforts of many. To the faculty advisors, to the members of the staff, and all who helped to make this your book, I extend sincere appreciation.

I also wish to thank Mr. Noer for his interest and suggestions and the Indianapolis Engraving Company who made the engravings, Mr. Deupree and the Qualityprint, Inc., for their assistance and printing and Mr. Cooley and the S. K. Smith Company in the designing and making of the cover.

It is the hope of the staff that sometime in the future, as you look through these pages, you may be able to say, that truly the years spent at Indiana Central College were four of the best years of your life.

Sincerely,

KENNETH KRAFT, Editor.
