

THE ORACLE 1955

PRESENTING

THE

1955

ORACLE

INDIANA CENTRAL COLLEGE

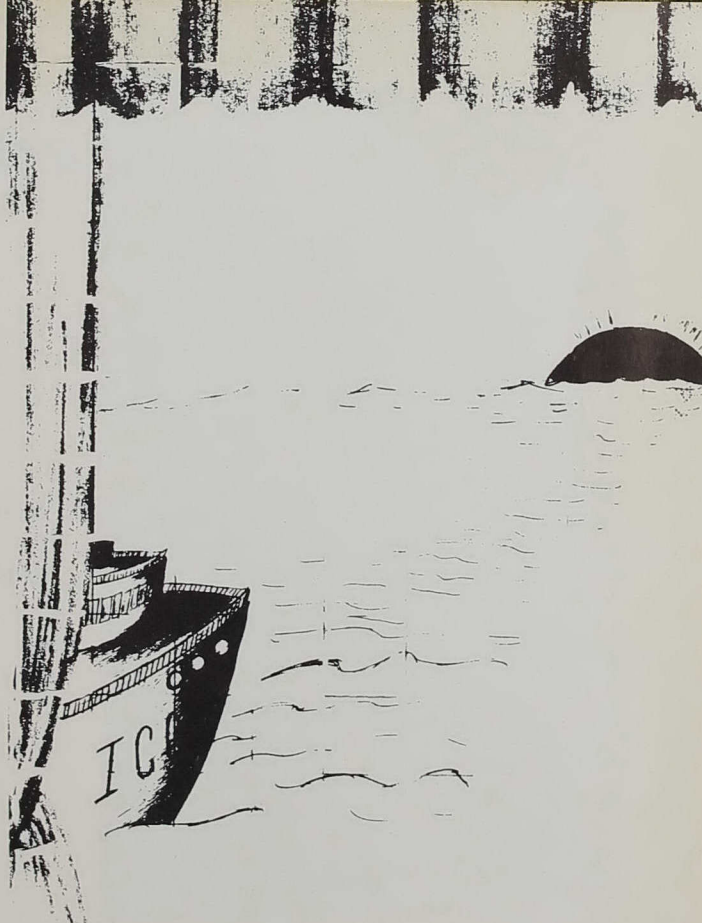

INDIANAPOLIS, INDIANA

With the graduation of the Class of 1955, Indiana Central College has reached another milestone in its career of developing prominent citizens and leaders. It was fifty years ago that the Evangelical United Brethern Church, sensitive to the need for youth to be educated in the light of Christian principles, founded Indiana Central College. The college, in spite of many setbacks, has progressed to the institution that it is today.

Though the temptation to view the past overpowers one as each milestone is reached, it must be but a short glance, for the future still lies ahead. It is hoped that the pages of the 1955 Oracle will present life at Central as it is being lived daily by faculty and students.

This is Indiana Central, 1955, the product of fifty years of effort. Greater things still lie ahead of Central as plans for a new academic hall, athletic field, and field house indicate. It is hoped that the progress of fifty years as revealed in these pages may present a challenge to help forward the progress of an even greater Central.

DEDICATION

In memory of Dr. W. Earl Stoneburner,
A.B., M.A., Ed.D., 1894-1954

Of him it could truly be said
"that Nature might stand up
And say to all the world,
"This was a man!" "

Indiana Central College obtained in Dr. Stoneburner a good teacher, a man devoted to the cause of teaching and to the liberal arts tradition, and an administrator who sought the best interests of students and faculty members. Those who knew him as Dean and Registrar appreciated his constructive achievement in establishing the counseling system, in systematizing the school records, and in developing records which are meaningful to employers. The ease of registration is also a tribute to his labors. For these and other achievements the college owes its Dean many thanks. Those who knew him as a teacher as well as Dean and Registrar know of his deep interest in teaching and in his students. They attest to an unflagging zeal in a great cause.

The College and the church have suffered the loss of a fine and able friend. He was a Christian gentleman whose influence will never die.

H.C.C. FOOTBALL CHAMPS

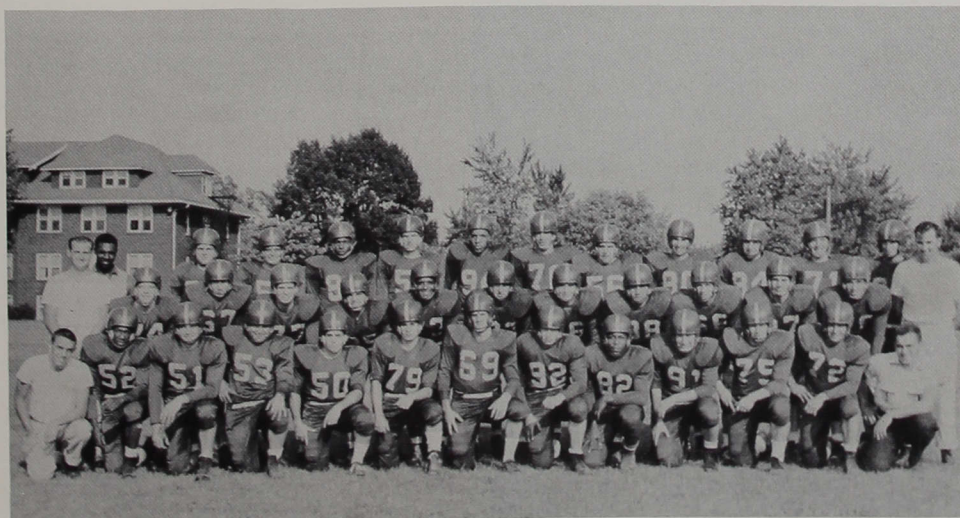

The Central Greyhound's gridiron greats came through this year again to win the Hoosier College Conference Championship with six wins and no losses. The Greyhound's prowess was exhibited by six men being elected to the All-Conference Team. Richard Nyers, the nation's leading scorer, was also elected Little-All American. A great year for a great group of men!

Tackle John Hurre, elected Most Valuable Player, hails from Southport High School. John has never missed starting in a football game since he came to Indiana Central College as a freshman. In his junior year he was chosen Little All-American. When football season comes again we will miss seeing Big John Hurre on the gridiron.

BASKETBALL VARSITY

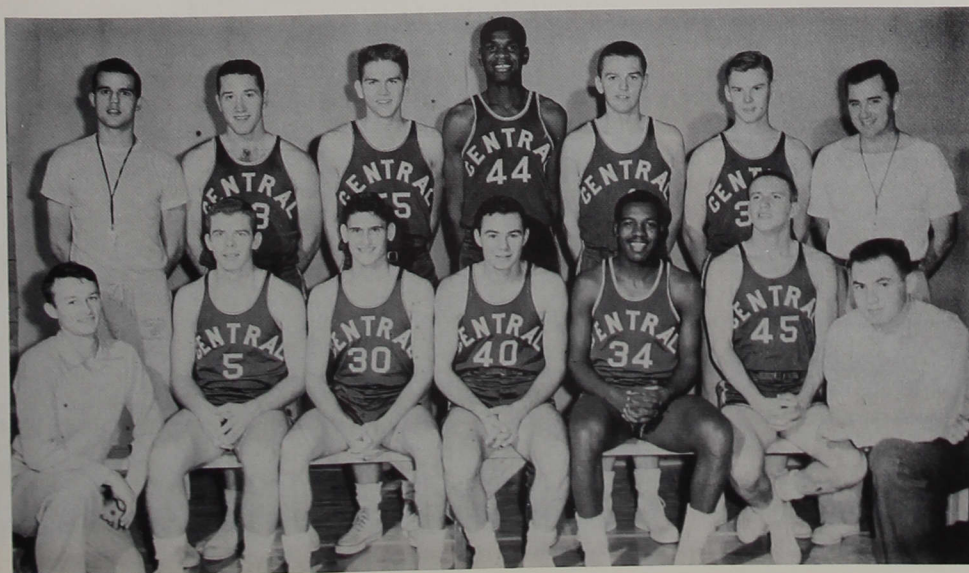

Although a young ball club and relatively inexperienced, their season record is no indication of the many, many thrills furnished by this speedy group of cagers. With only two Juniors and the remaining underclassmen, they served notice to all opponents.

The Greyhounds' Baseball Team will be off to another Hoosier Conference Championship under the leadership of professional Bill Bright. This year Central had one of the strongest pitching staffs in a long time. In spite of the loss of three lettermen, Coach Bright has taken on some of the toughest opposition in recent years.

TRACK TEAM

Minus last year's star Chuck Zopf, Central's Tracksters pounded the cinders in preparation for Hoosier Conference Conquest. With aid from the "Frosh" and a good crop of returning lettermen, trackster-coach Bob Wood certainly has few tape-breakers and some record smashers in both track and field events. These fellows bill training as the key to their success.
