VOLUME 51

"The best verse hasn't been rhymed yet,  
The best house hasn't been planned,  
The highest peak hasn't been climbed yet,  
The mightiest rivers aren't spanned,  
Don't worry and fret, faint-hearted,  
The chances have just begun,  
For the best jobs haven't been started,  
The best work hasn't been done."

The changing of the seasons is little different from the changing of leaders. Sometimes there are bad seasons and sometimes there are bad leaders. Sometimes there are good seasons and sometimes there are good leaders. For the last twenty-five years the season has been good. Indeed we are fortunate, for the new coming season also indicates goodness.

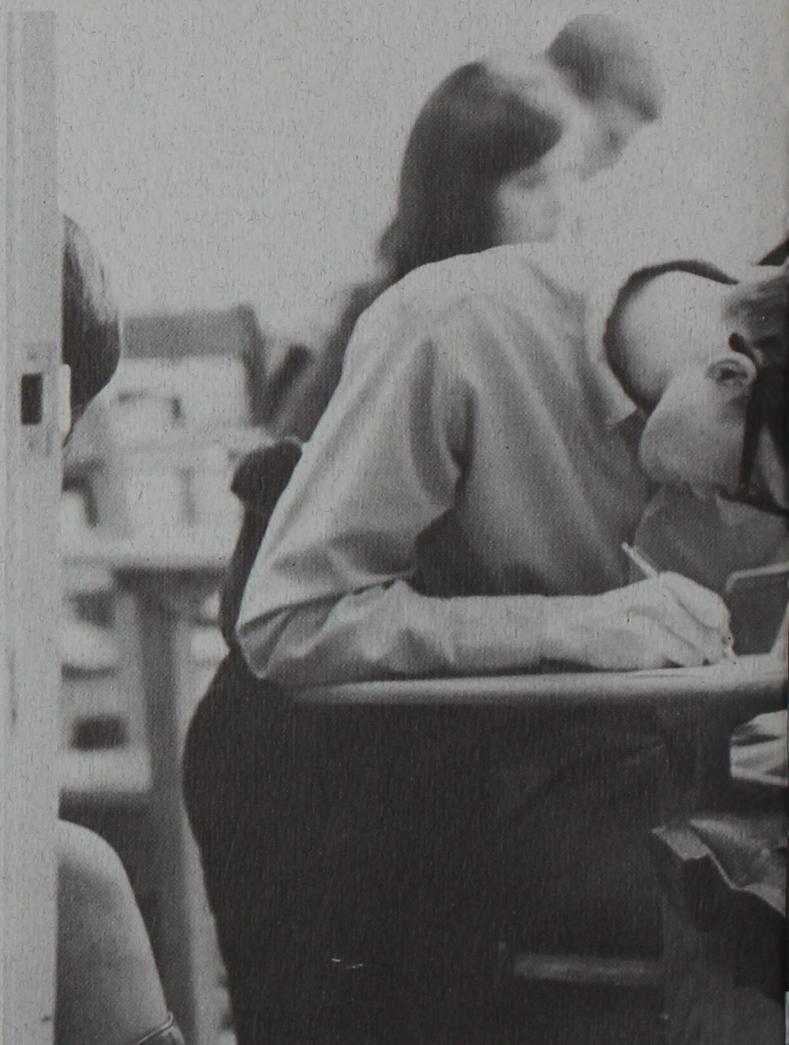

Every section of this book is dedicated to President I. Lynd Esch with one exception.

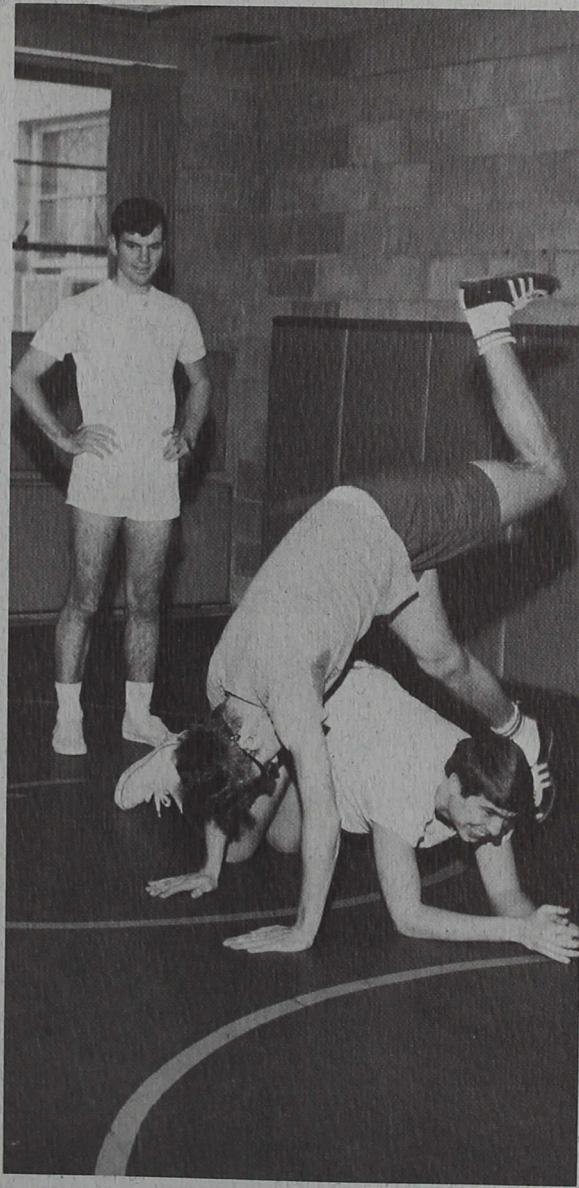

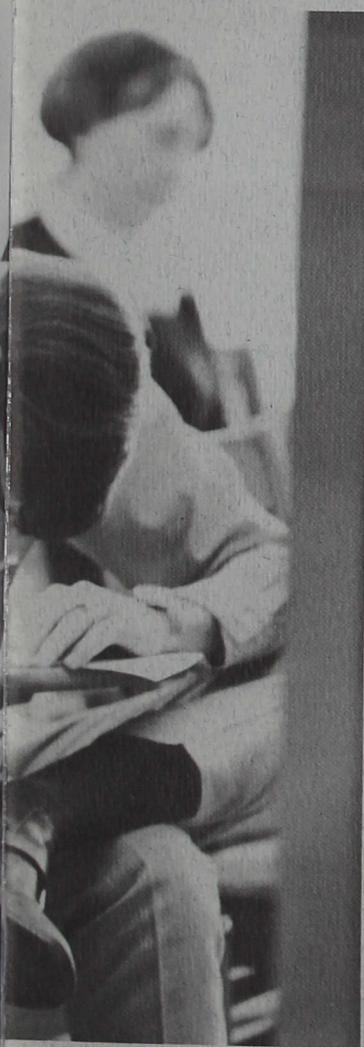

The spring section is dedicated to President Gene E. Sease.

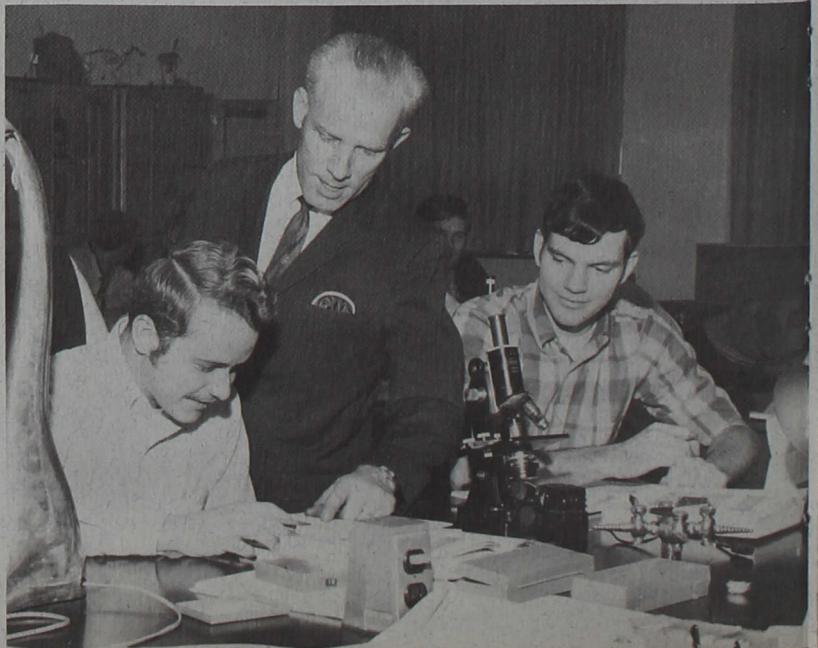

# The Joy of Classes?

Whether it be gym, typing, music, or lecture class; it all leads up to a betterment of one's own self. Oh yes! There are the taking of tests. When the mind begins to pulsate with each question causing the brain to ache just a bit. But soon after the satisfaction of gaining a little more knowledge creeps upon the student and strength comes to search for more wisdom.

## What College is About

Class work lays the foundation of further study and this further study usually brings the student to the library, a library as broad in scope as the student's interest. Micro film equipment as well as a large selection of music is available to fill the growing needs of the student.

## Chapel Strides Forward

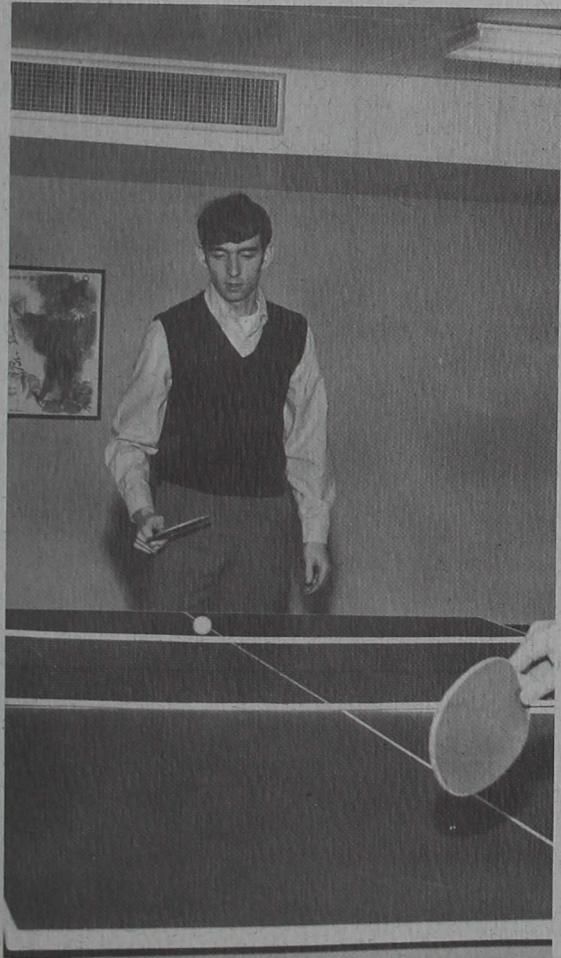

Chapel is good, bad, exciting, dull and educational. This year will go down in ICC's books as the "year of the computer cards." The possibility of human error was replaced by mechanical error. But one will have to admit that the quality of chapel did increase over prior years. Such programs as Dust 'n Ashes were enjoyable and still meaningful because they spread religion in a modern understandable manner.

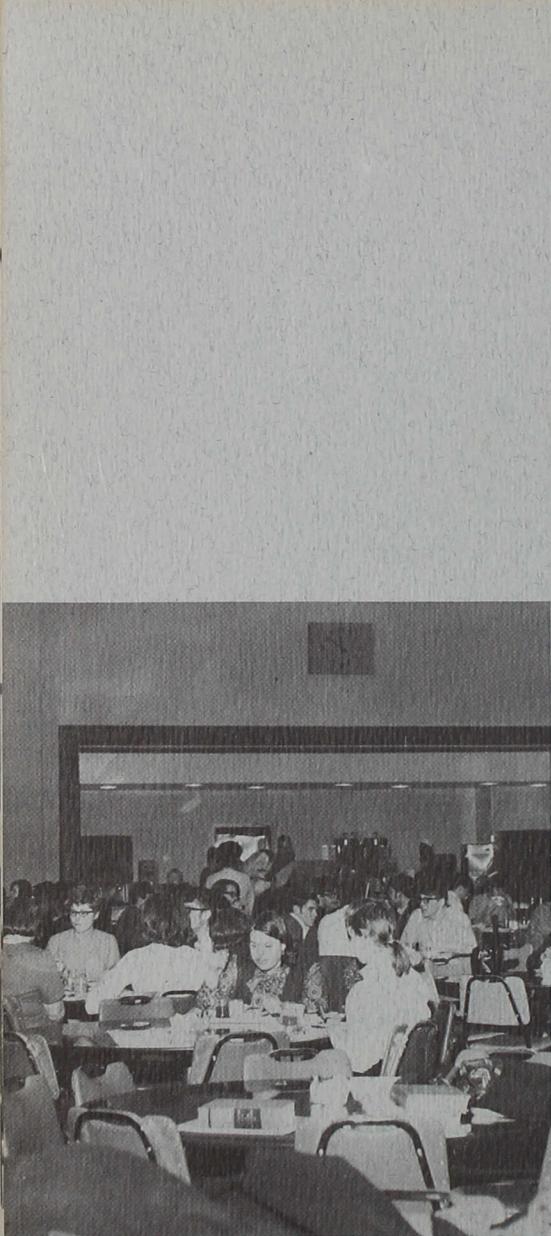

# Students Living Together

The dorm, a home away from home? Well, maybe. A place where anything can happen and often does. All night study sessions, wild card games, loud stereos, and quiet fellowship are all to be found in the dorm.

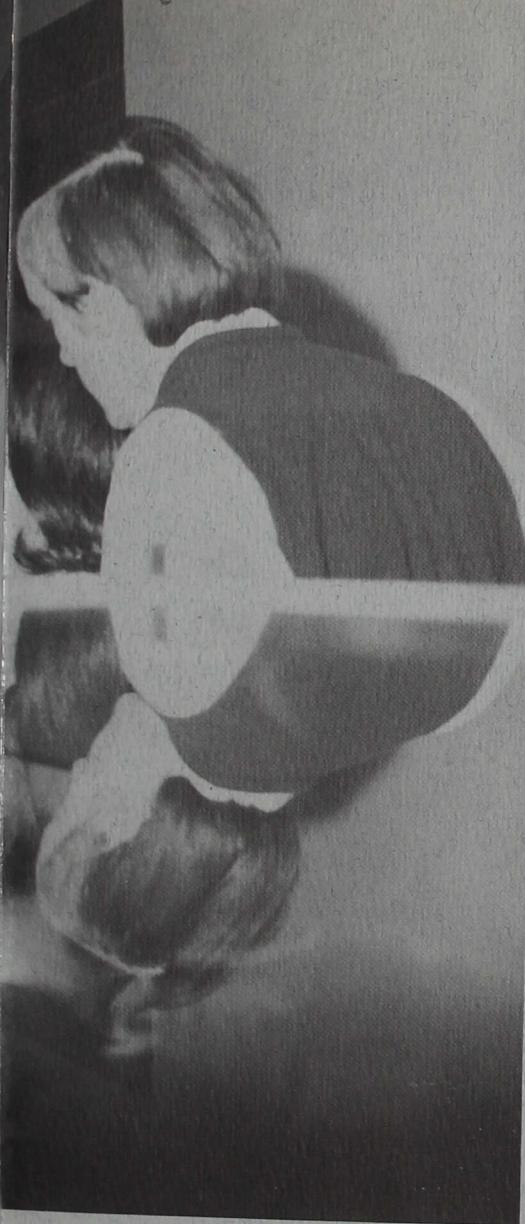

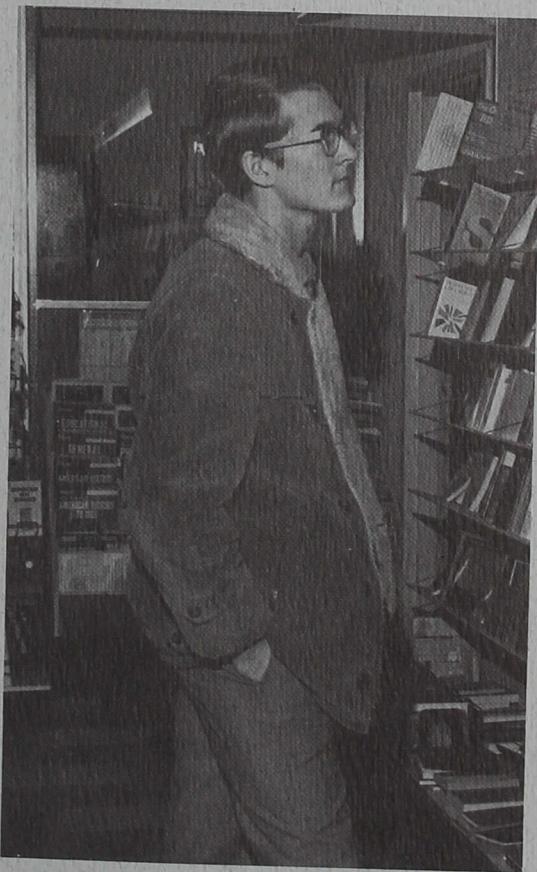

## Conveniences of Schwitzer

Students everywhere have two perpetual complaints; their studies and their food. But complaints are few at Central for the American Food Service provides a variety of appetizing dishes to tempt even the most critical student. Served in a family style atmosphere, meals are a welcome break from the rigors of study.

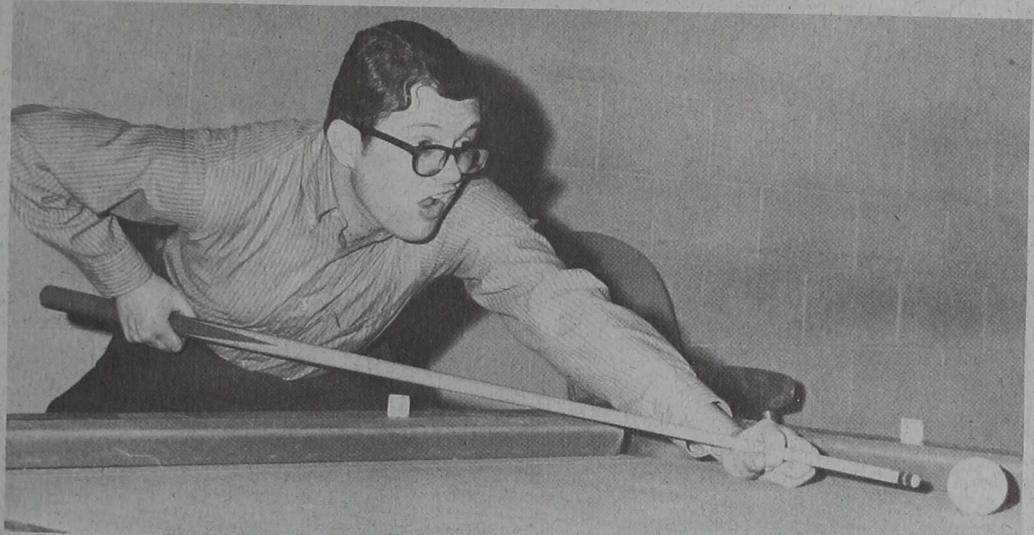

Whether you want a nap, a book or a pleasant conversation, the basement of Schwitzer Center is the place to come.

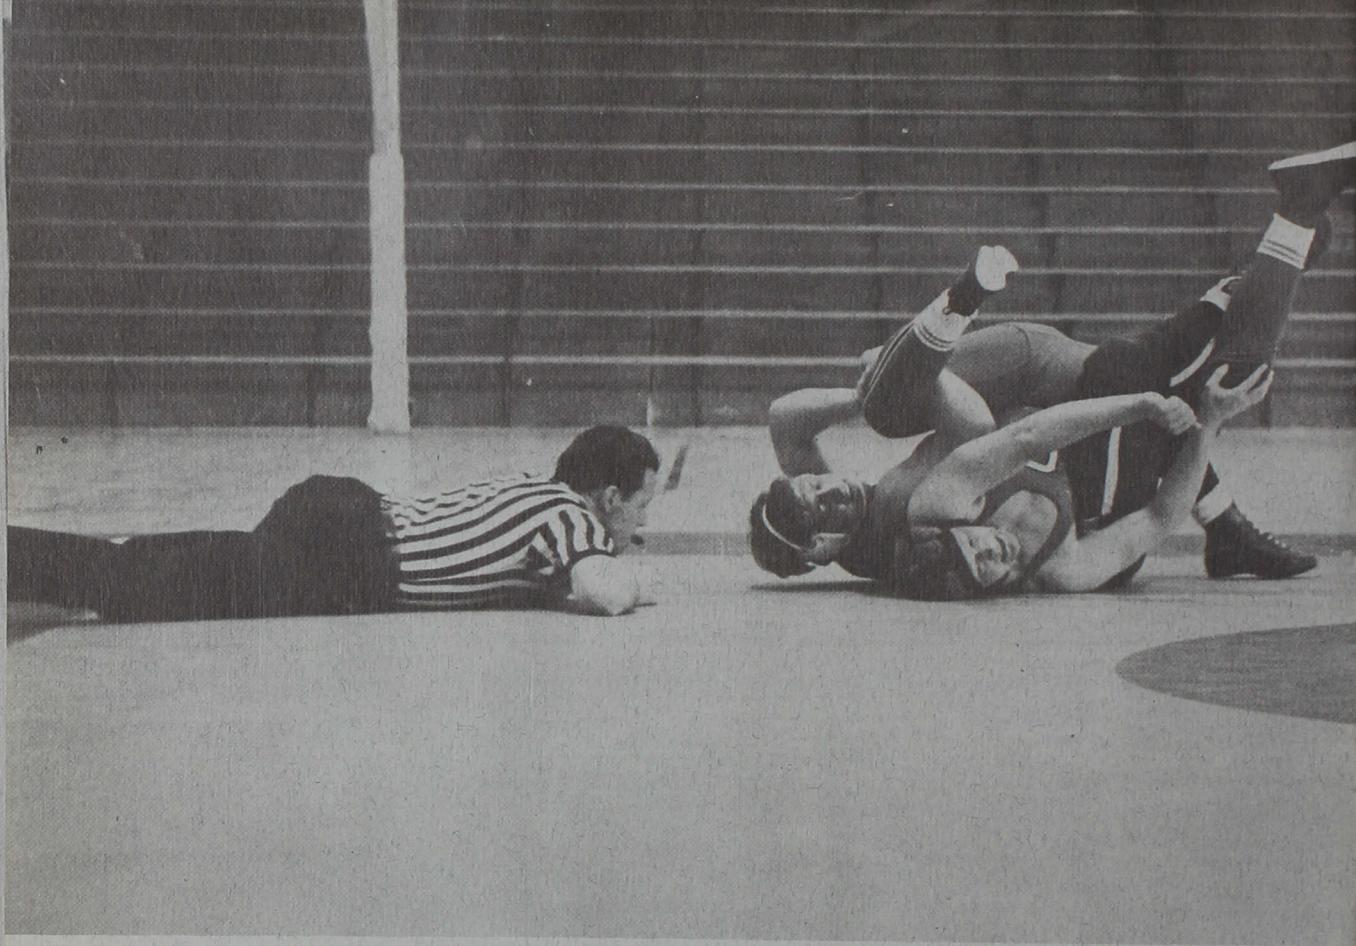

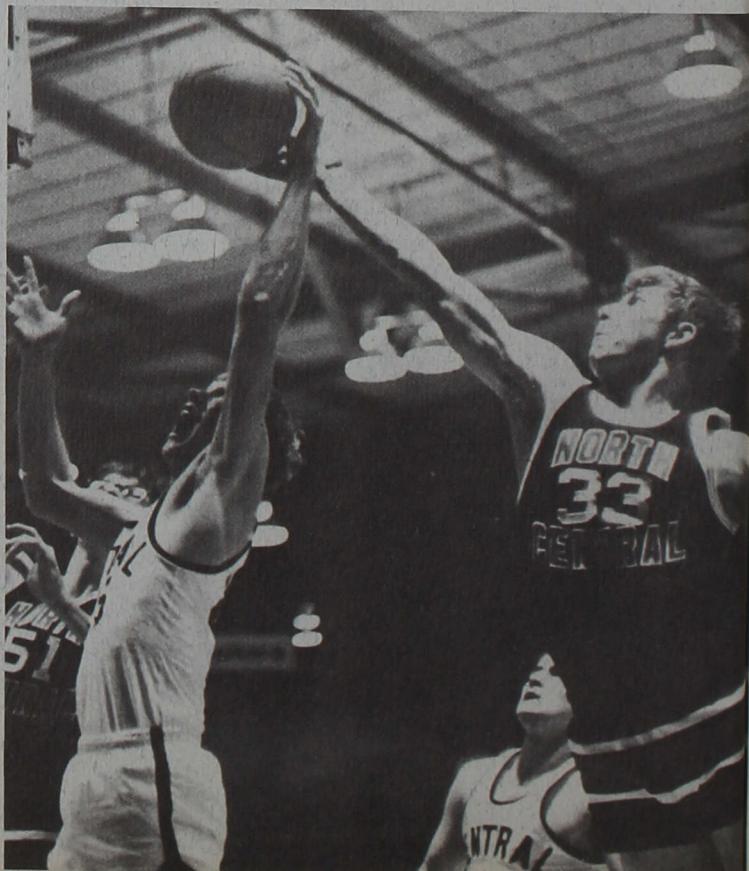

## The Center of ICC

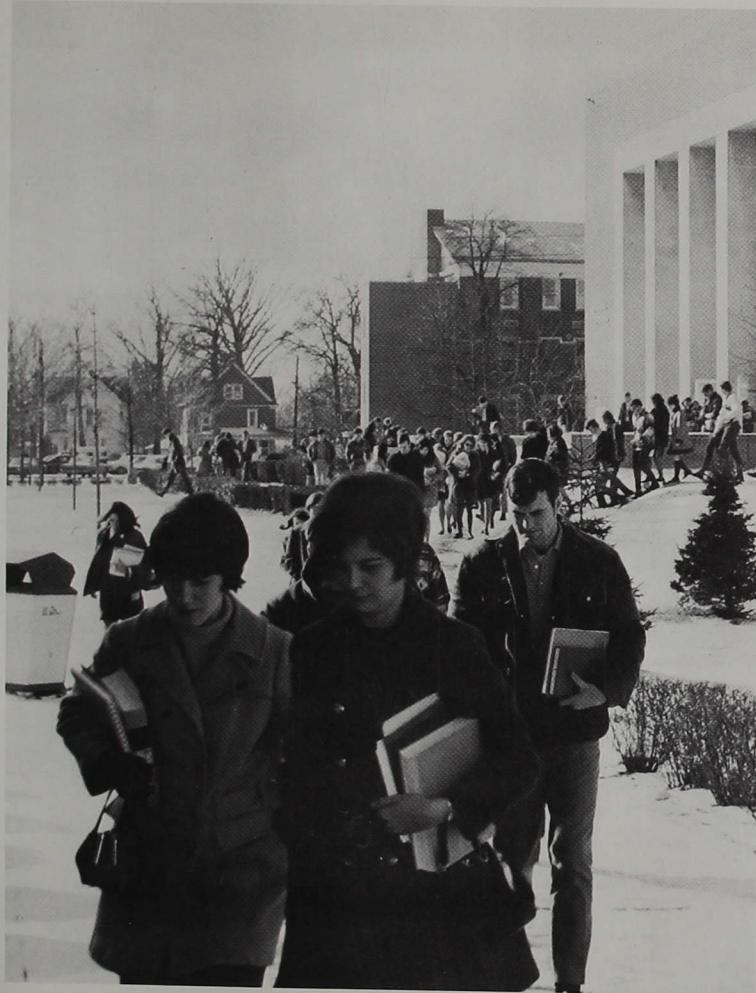

If in Italy all roads lead to Rome, at Indiana Central all roads to Schwitzer Center. Schwitzer is a place to be yourself, study, or just relax and shoot a quick game of pool. And if you're hungry the campus cupboard is always open, where Mary Streets dispenses food as well as advice to those with problems.

## All is in Easy Walking Distance

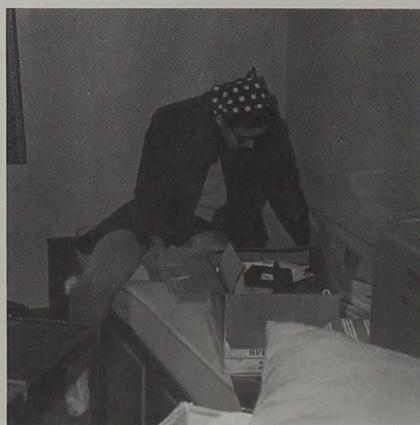

An active body aids the active mind, and at Central, students participate in many extracurricular activities. Whether in bowling, basketball, wrestling, or just plain walking Central students reflect the vigor of their school.

The skies they were ashen and sober;  
The leaves they were crisped and sere—  
The leaves they were withering and sere;  
It was night in the lonesome October  
Of my most immemorial year.

Edgar Allan Poe

# FALL

"It's just like Howard Johnson's," said one student as he gazed in disbelief at his new room in ICC's new co-educational dorm. He was not being funny either, for although the new dorm is not plush its wall to wall carpeting, near sound proof walls and ceiling, and well designed study areas gives the student a comfortable yet practical place to work and live. Central students claim that if they can make it through the registration lines they will surely survive the semester.

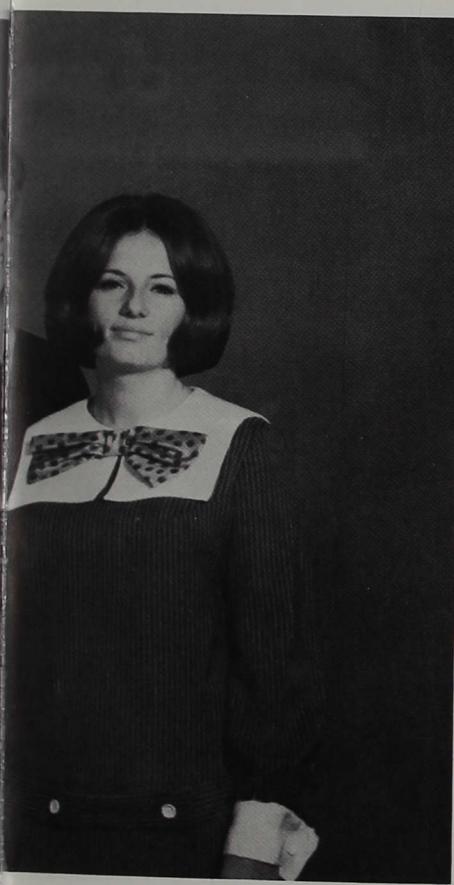

# Homecoming is Inspirational

The joys of seeing old friends, eating a good meal, observing colorful displays, and watching a good football game all add up to homecoming. The homecoming Queen this year was Anna Honnold, an attractive business education major. Members of her court were Jo Ann Voss, Susan Reidenbach, Debbie Stoller, and Margit Szabo.

Beta Theta won the grueling bike race which was held on the quarter mile cinder track following the game. The team was made up of Mark Whitman, Carl Herbster, Marlow Mullin, and Joe Shafer.

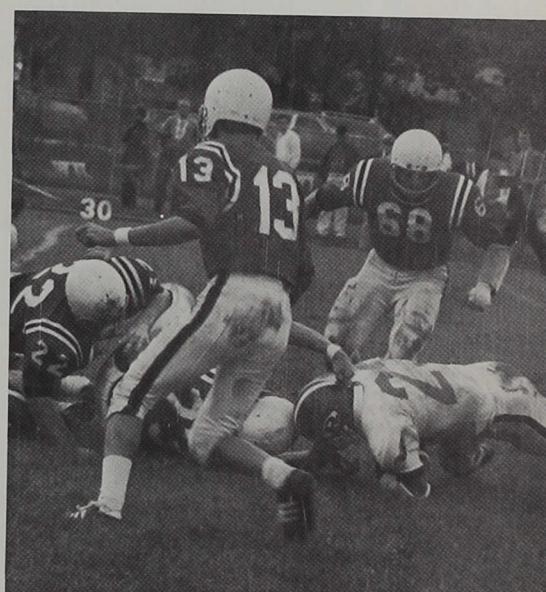

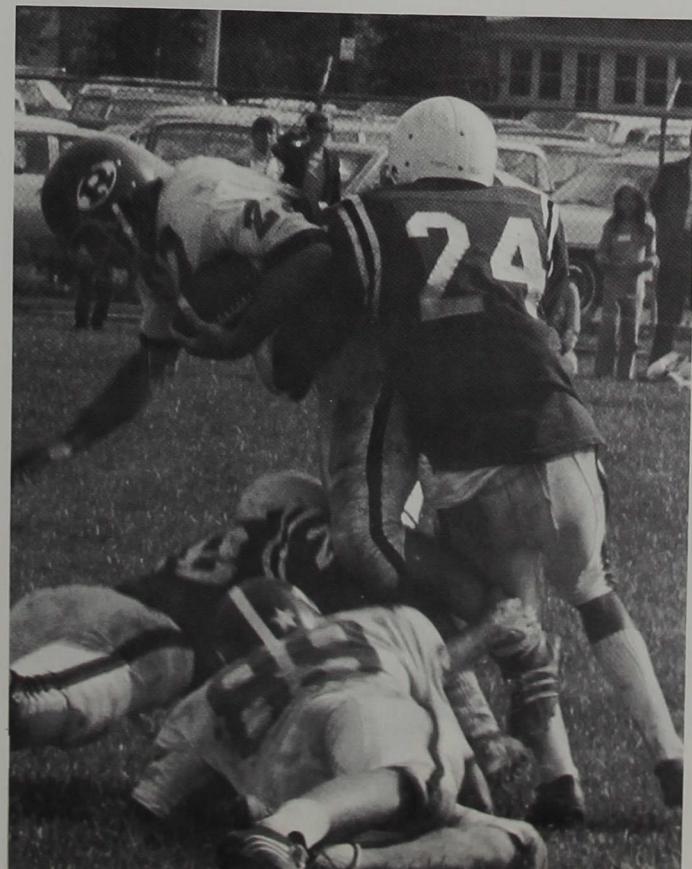

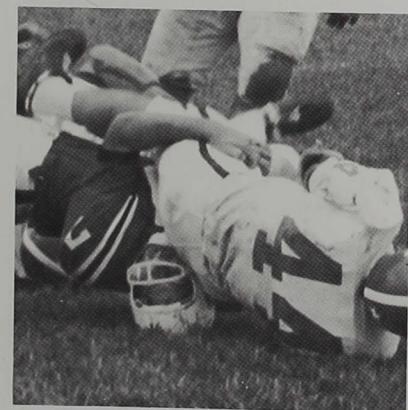

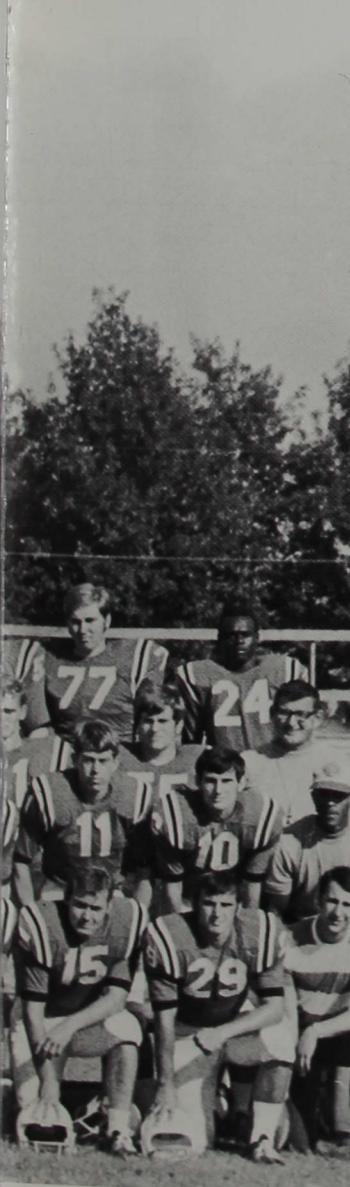

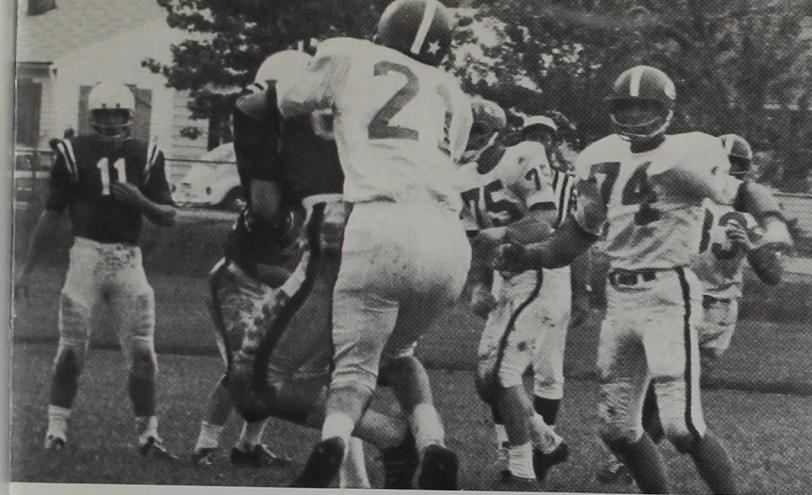

# Grid Players Give Good Show

Football is the sport of strength, the sport of intelligence, the sport of speed, and the sport of coordinated individuals. Even though Central's team did not have a winning season the players still gave the fans action packed games.

The football team consists of Lindsay Shaw, Mike Roth, Bill Glass, Charlie Jordan, Steve Schrink, Ron Boliday, Larry Bowling, Brude Ruster, John Egenolf, Fred LaBorn, Jim Hall, Rich Hogue, Jerry Kaufman, Mgr. *ROW 2*: D. J. Hines, Randy Ferrand, Ken Wendling, Don Ferguson, Larry Schembra, Jim Kistler, Gary Krumming, Randy Watson, Steve Kinnaird, Don Mathis, Dave Veronik, Mike Gillin, Coach Willie Martin. *ROW 3*: Joe Koenig, Steve Callen, Jeff Remble, Russ Flueckinger, Mark Wheeler, Doug Semenick, Greg Limbach, Joe Mom, Dal Klinger, Mike McElwain, Bruce Henry, Bob Rothrock, Coach Dwyer. *ROW 4*: Paul Hundt, Andy Lindauer, Gary Ragatz, Tom Crowe, Kern Hampton, Mark Barhan, Jim McIntire, Dave Hawkins, Steve Hurst, Nick Romano, Jim Gaines, Ken Whisman, Jerry Harrison.

# The Long Distance Runners Show Desire To Win

The cross country team consists of Phil Reidenbach, Ed Kinnaman, Denny Walker, Gary Brendel, Al Estes, Gary Romesser, Gary Osburn. *ROW 2:* Coach Bill Bright, Tom Smith, Richard Malanoski, Paul Glaspie, John Layman, Randy Boys, Larry Tucker, Bill Keller, Gordon Summers, Manager.

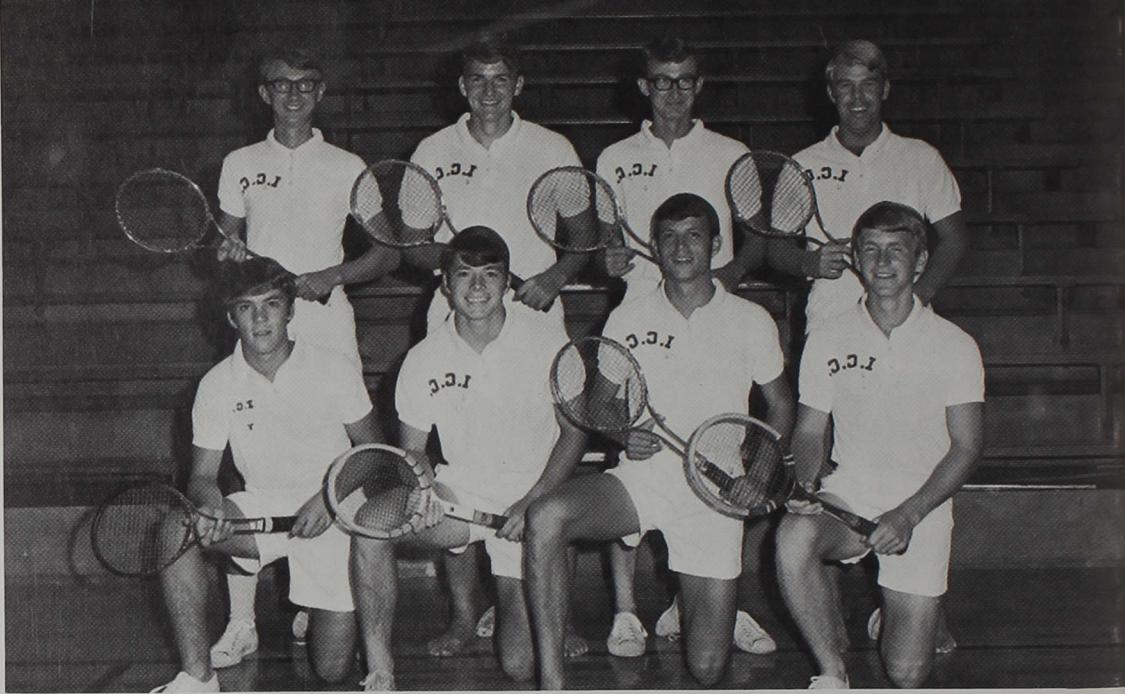

# Cross Country

One of the loneliest sports is the grind of running long distances. The pain of strained leg muscles keeps increasing and the runners begin to think about the distance to the finish line. But with a man such as Mr. Bright for a coach the Central team had little difficulty in having a winning season.

Tennis team members are Gregory Drake, John Adams, Ron Young, Norman Geible. *ROW 2:* Dave Shaffer, Carl Herbster, Randy Lee, and Dave Gaddis.

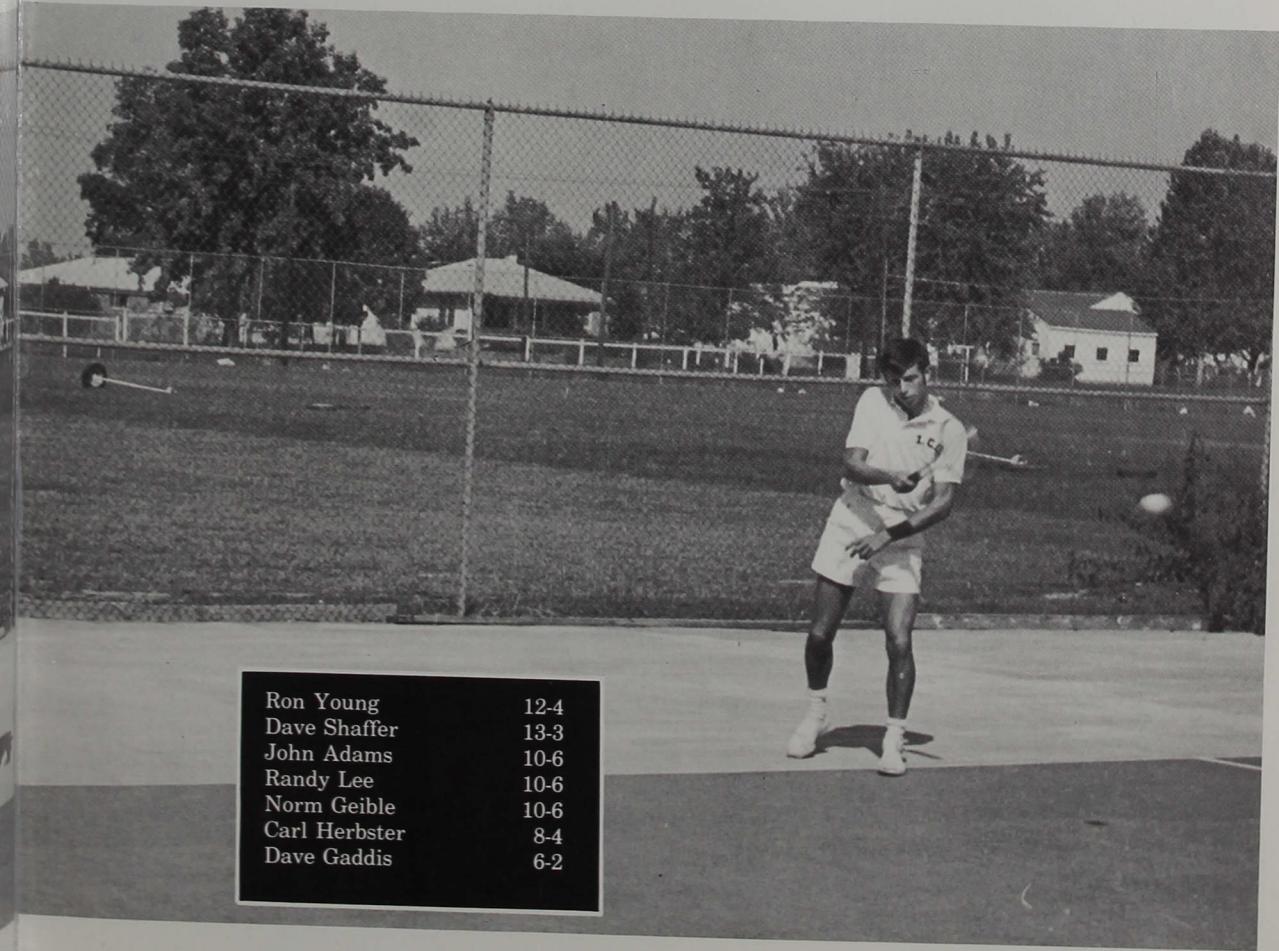

# Tennis Team has Depth

The 1969-70 tennis team closed out a relatively successful season with a record of 11-5 spread over fall and spring seasons. Undoubtedly one of the strongest teams ever campaigned by Central, youthful and energetic coach Wayne Babbitt molded what was probably the finest one-two combination in Central history in junior Ron Young from Pike and senior Dave Shaffer from Southport. During the fall Ron was simply brilliant in compiling an 8-0 record making him the Hoosier Conference's finest tennis player and all-district in the N.A.I.A.. Dave had an equally successful spring with an 8-0 record and a third place finish in the Little State Tournament at position two.

The success of the team was due to its depth. Freshman John Adams from Greenwood played position three and combined with Ron to make an outstanding number one doubles team. John also finished fourth in the Little State Tournament. Casey, Illinois product Randy Lee, a sophomore and number four man also had a fine spring record of 6-2. Randy was recipient of the Most Improved Player Record and tied for the Kelso Reid Mental Attitude Award with Captain Dave Shaffer. Freshman Norm Geible of Syracuse was the most improved player over the season and will be relied upon greatly in the coming years. Sophomore basketball star Carl Herbster of LaVille had an equally fine year at number six which was highlighted by a second place finish in the Little State. Completing the squad was junior Dave Gaddis from Franklin with a 6-2 fall record.

Ron Young	12-4
Dave Shaffer	13-3
John Adams	10-6
Randy Lee	10-6
Norm Geible	10-6
Carl Herbster	8-4
Dave Gaddis	6-2

# F I E L D H O C K E Y

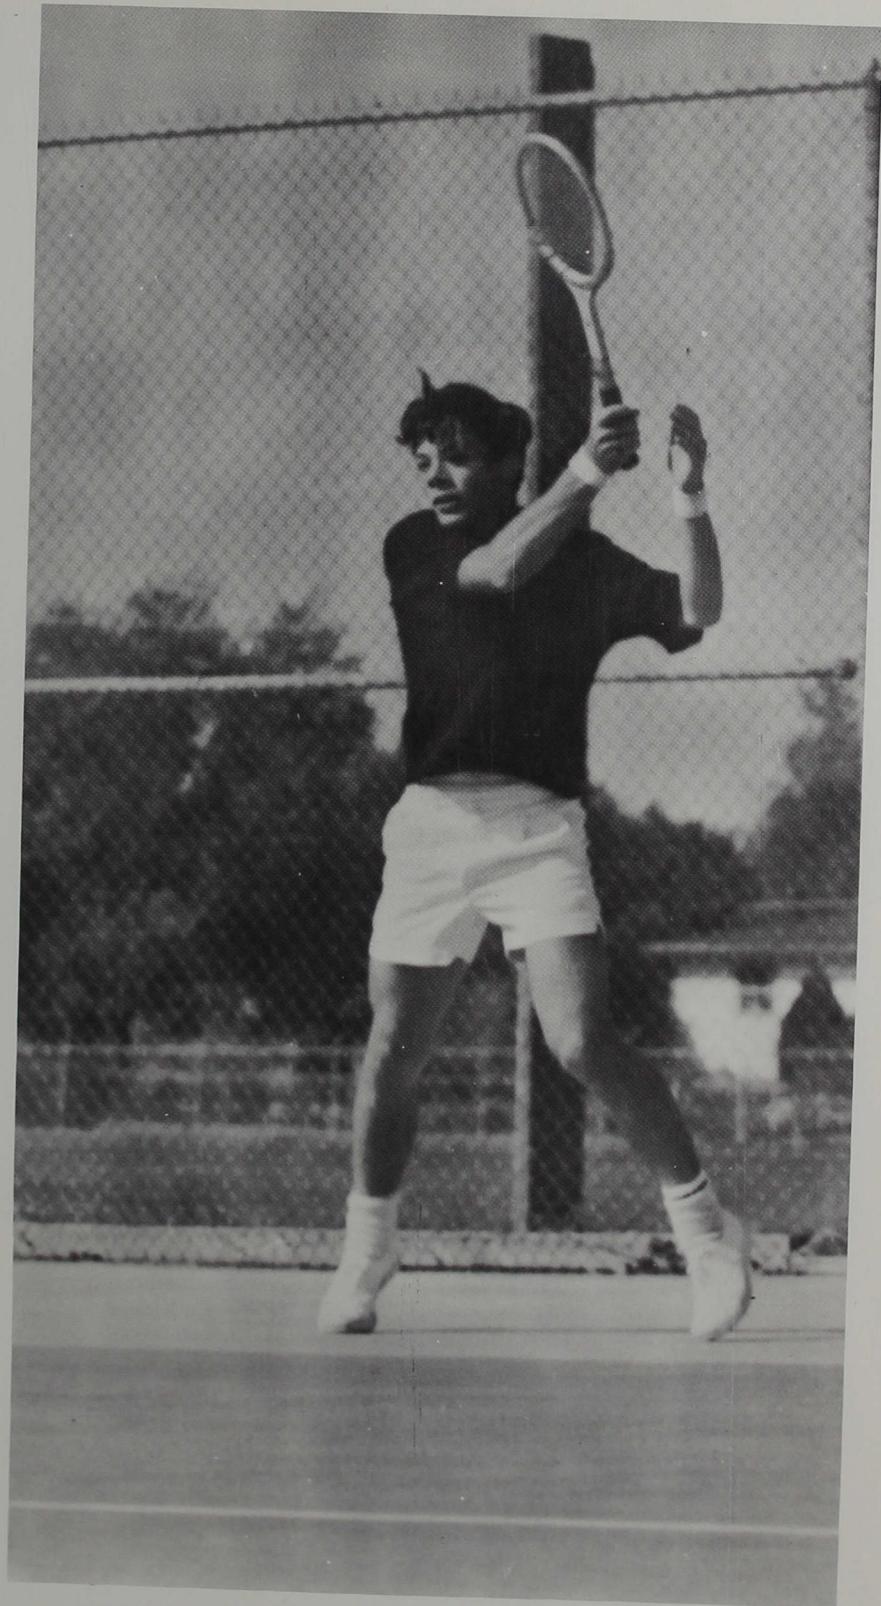

Girls Hockey team consists of Pam Troyer, Bonnie Lewis, Billie Vinion, Gayle Hunter. *ROW 2:* Carol Siegmann, Mgr.; Linda Hawes, Kathy Fuller, Karen Hanni, Sharon Ryland, Tippi Stanley. *ROW 3:* Nita McNealy, Mary Meyer, Mary Wilcoxon, Judy Barnes, Tina Pickard, Nancy Geyer, Joanne Alexander, Coach.

The girl's field hockey team offers Indiana Central's coeds a chance to join the competitive spirit of ICC. The joy of winning overshadows the drudgery of the practice, the training, and the bruises.

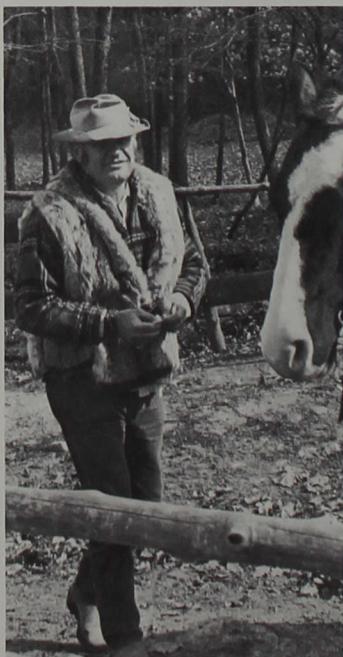

The hot action and the intense concentration needed by a tennis player can be seen in the faces of Ron Young and John Adams.

# Brown County Day

By early October students are well into the semester, and the daily grind of lessons is beginning to take its toll. Brown County Day, Central's annual all-school frolic, gives students and faculty a chance to let go, get to know each other, and above all to have fun. The hazy sunlight meandering through the brilliant foliage gives all a sense of renewal and new hope to carry on.

## "Hamlet" Honors Dr. Esch

The drama department's production of "Hamlet" was one of the years biggest events. The troupe's superb performance of one of Shakespeare's most difficult plays won them wide acclaim and ultimately an offer from the American Theater Festival in Great Britain to tour England this summer performing on the British stage.

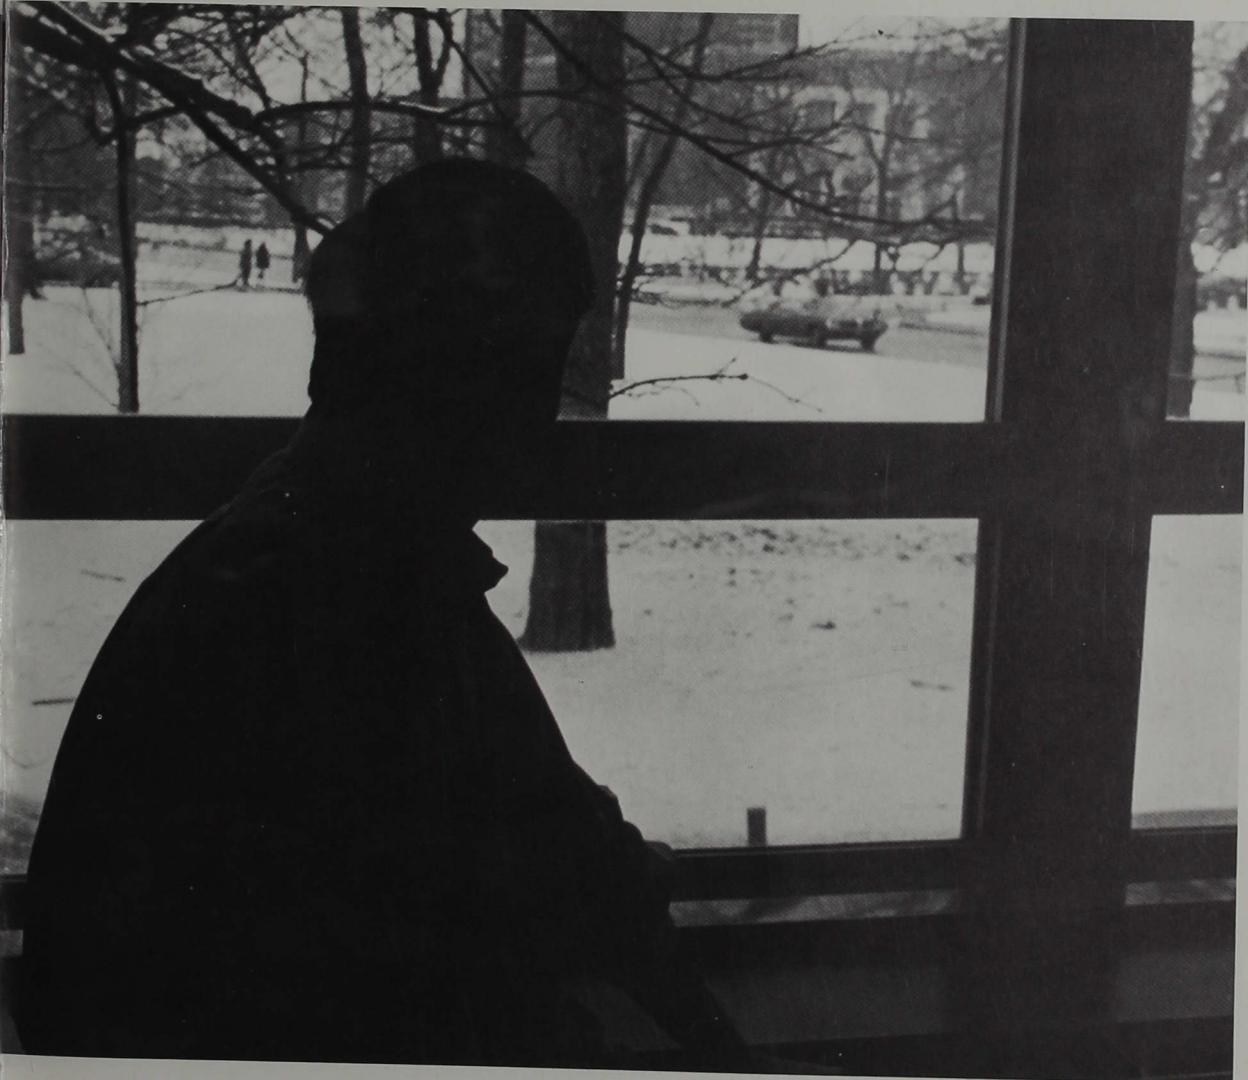

Blow, blow, thou winter wind!  
Thou art not so unkind  
As man's ingratitude.

William Shakespeare

# WINTER

## The Grip of Coldness

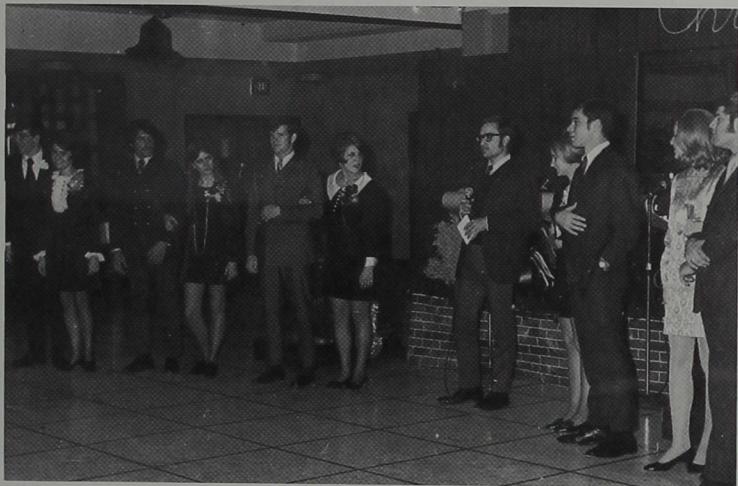

With winter comes snow, numb fingers, slippery sidewalks squeaky boots, and that frigid darkness that surrounds you as you trudge reluctantly to an early morning class. But even with all this added misery, as Christmas approaches, the world is transformed. As colored lights twinkle merrily from dormitory windows, a certain lift creeps into your voice and all pervading cheerfullness lights even the darkest corners, and somehow life is once more bearable.

# Christmas in the Country

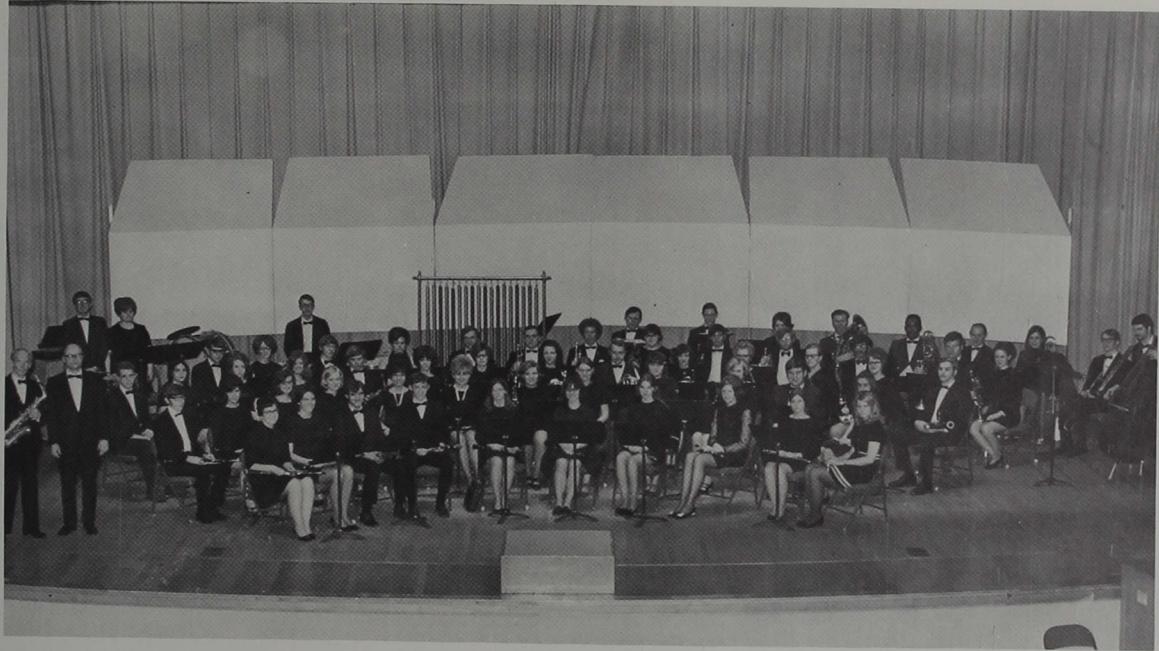

# Christmas at ICC

The Circle K's efforts to make this year's Christmas Dance a memorable one were quite successful. The Schwitzer concourse was almost unbelievable. The doors were wrapped like large presents, the Belemeir band played the tunes, and the ceiling twinkled with multicolored lights.

## A Hot Success

The success of "110 in the Shade", a musical version of the play "The Rain-maker", again points up the versatility and ingenuity to be found at Central. This play required students not only to act but also to have musical ability and inter-departmental cooperation resulted in another coup for the Drama department.

The band and orchestra directed by Mr. Lowell Boroughs aids the culture of the ICC Student. They present several concerts each year as well as work with the drama department.

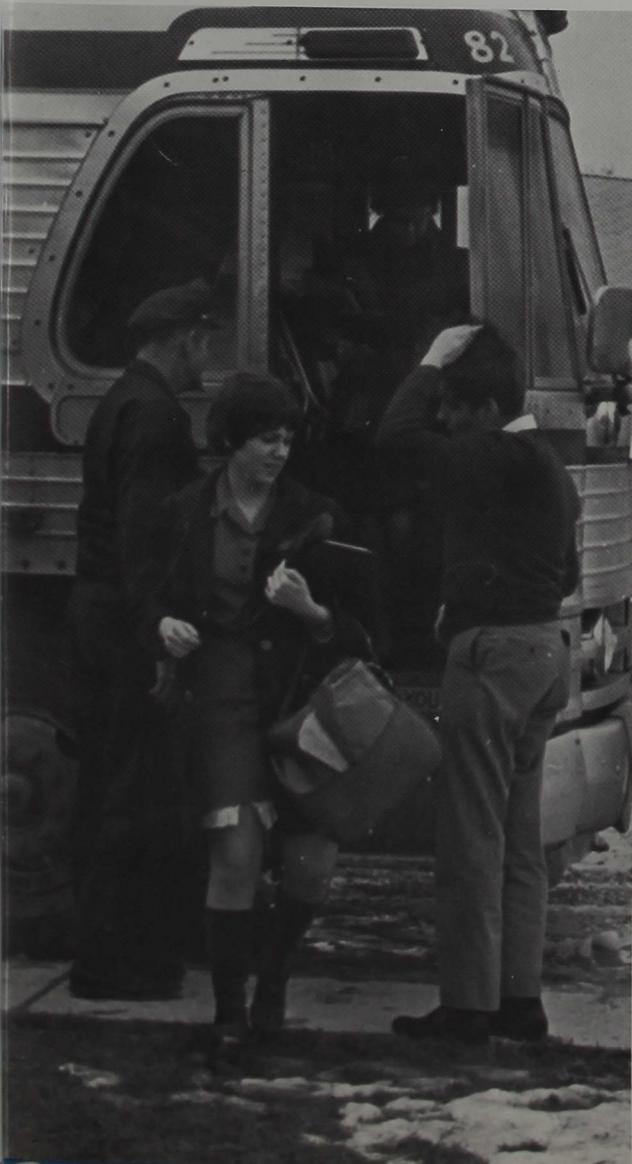

NEW  
YORK

The Centralairs are Gil Hubbard, Jenny Graham, Jeff Trees, Janie Bryant, Mike Potter, Lynn Hillsamer. *ROW 2:* Karla Pannell, Steve Hamilton, Ellen Magee, Rick Wright, Susan Day, John Williams, Mike Bridgewater, Cindy Crump, Kent Schwartz, Sydney Stinson.

For those who are more talented the popular Centralairs can give the student a chance to perform for dinners, to travel, and to meet new friends. Here they are performing for the student body during chapel hours.

During the semester brake choir students devoted part of their time for the entertainment of others. This year they performed thirteen times in eleven communities under the directorship of Mrs. Elise Marshall.

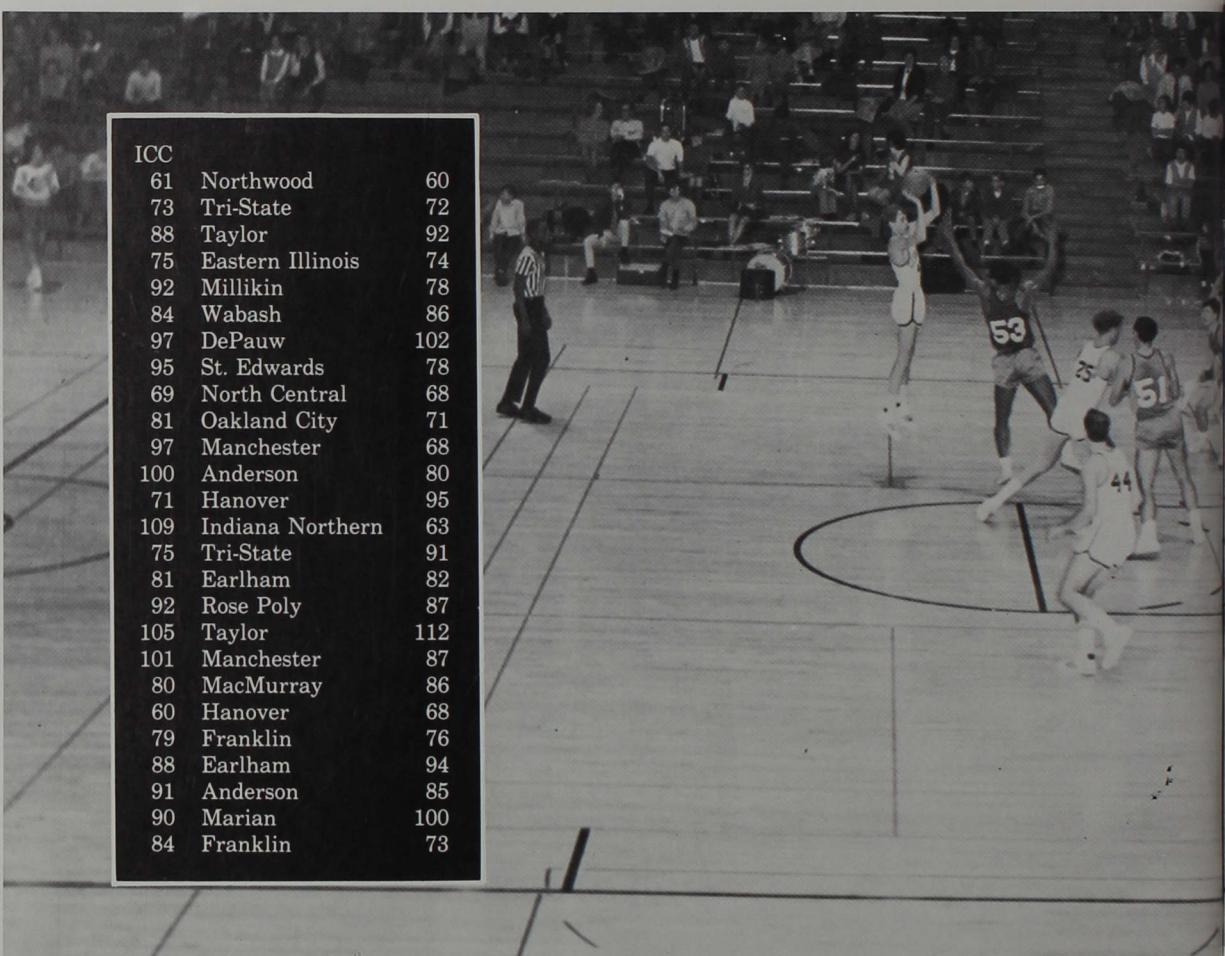

# Music is Everywhere

The choir, similar to the band, practices many hours to present a single performance. It offers another source for the energy of Central students in an enjoyable constructive manner. With the applause of the crowd the choir member receives the important sense of accomplishment.

## The Hounds Play Ball

Once again Coach Nicolson's hard floor boys had a winning season. The shooting of Zeigler, Jones, and Gresk matched the hustle of Smock, Craig, and Whitman. It looks like this year is just a preview of the type of the ball handling of next year.

The basket ball team consists of Mike Conner, Bob Howe, Ron Young, Todd Jones, Ed Zeigler, Jack Martin, Frank Craig. *ROW 2:* Dennis Shipley, Norm Steele, Ron Gesk, Ron Smith, Carl Herbster, Mark Whitman, Bill Smock, John Owens, Ron Coates, Stu. Trainer; Coach Bright.

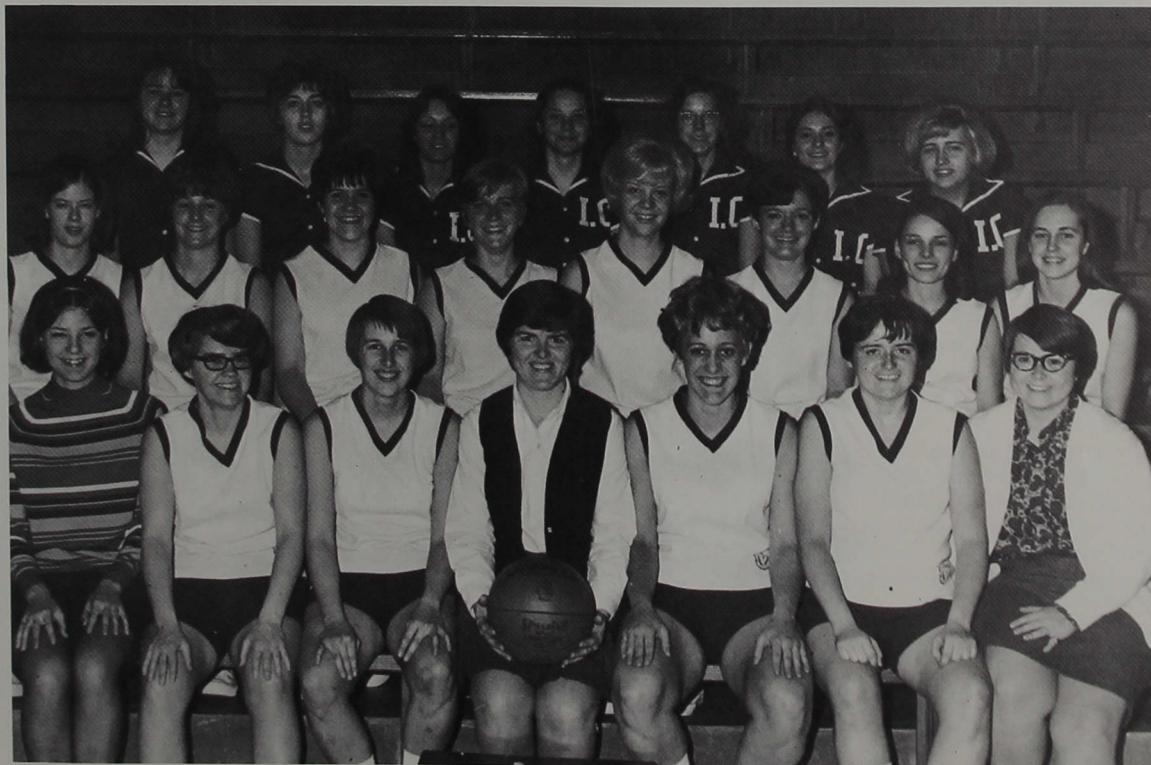

The Crimson Steppers are Vicki Pawlisch, Viv Barkman, Linda Compton, Nancy Geyer, Debbie Hockersmith. *ROW 2:* Bonnie Beck, Sue Bauer, Janel Gardner, Gayle Hunter, Karen Lawson, Mary Dalton.

# Basketball Activities

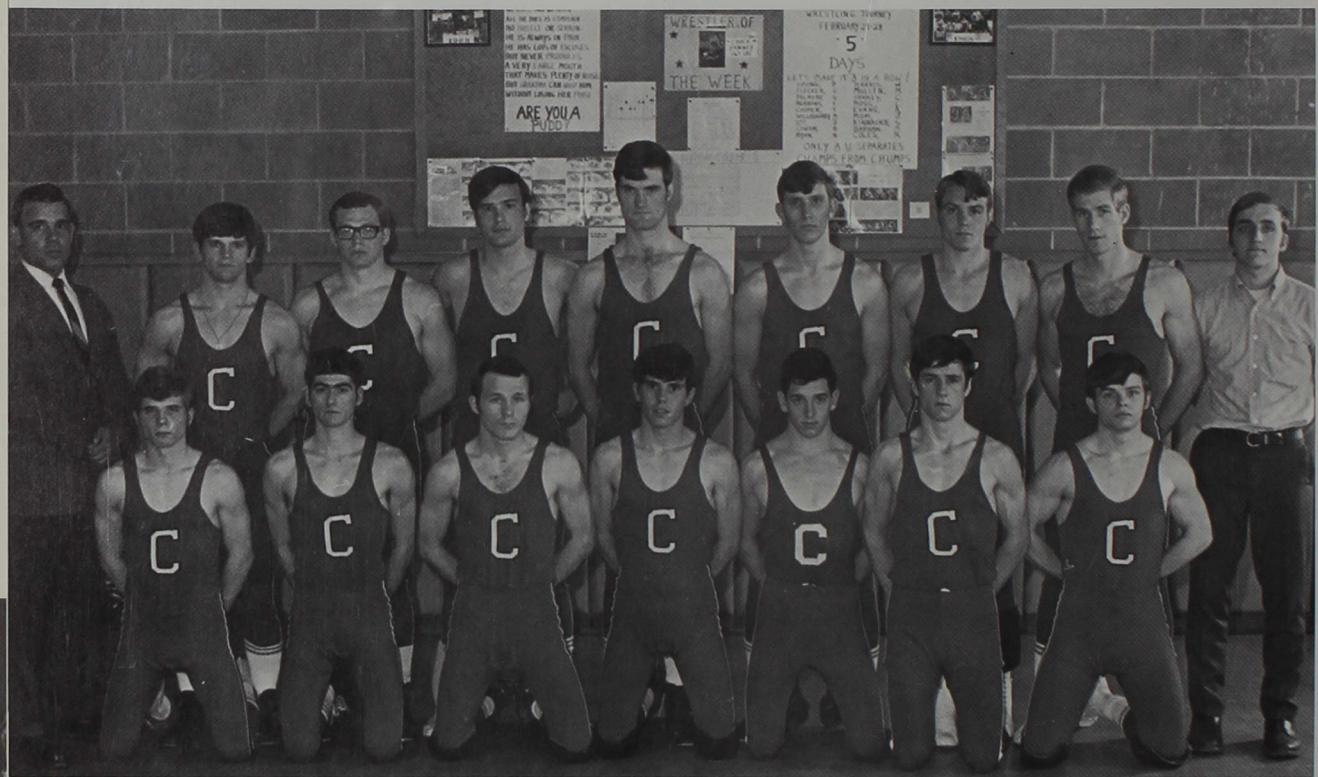

At Indiana Central almost every sport has its counterpart for the girls. The Whippets, the girl's basketball team, played with as much determination as did the boy's team. They placed sixth in the Women's World basketball Tournament at Hamilton, Ohio. The Whippets received the sportsmanship trophy for having more enthusiasm than any other team.

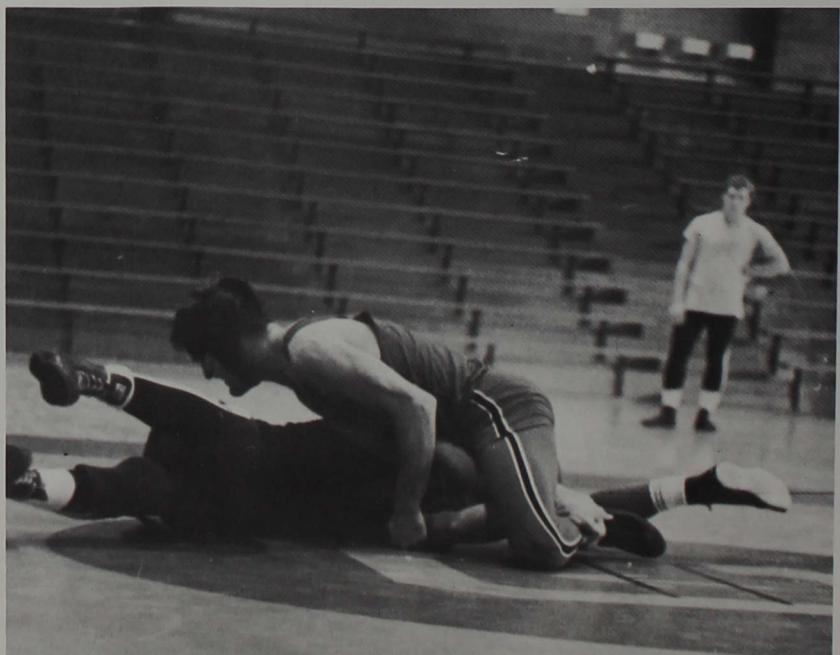

A group who contributed to the excitement of ICC's basketball games were the Crimson Steppers. The feminine marchers offered a welcomed half time contrast to the basketball players.

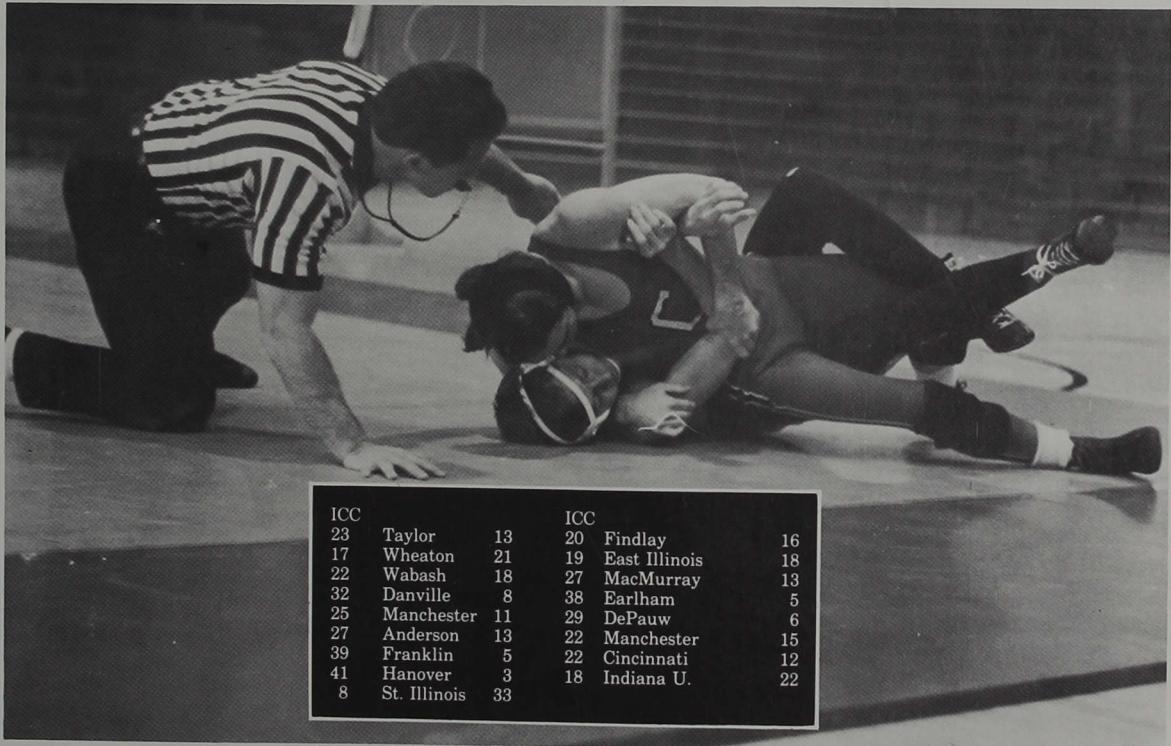

The Whippets consists of Pam Troyer, Manager; Bonnie Lewis, Marg Meyer, Joanne Alexander, Coach; Manager. ROW 2: Susie Black, Carol Siegmann, Judy Barnes, Kathy Fuller, Linda Petty, Nancy Geyer, Billie Vinion, Linda Barnett.

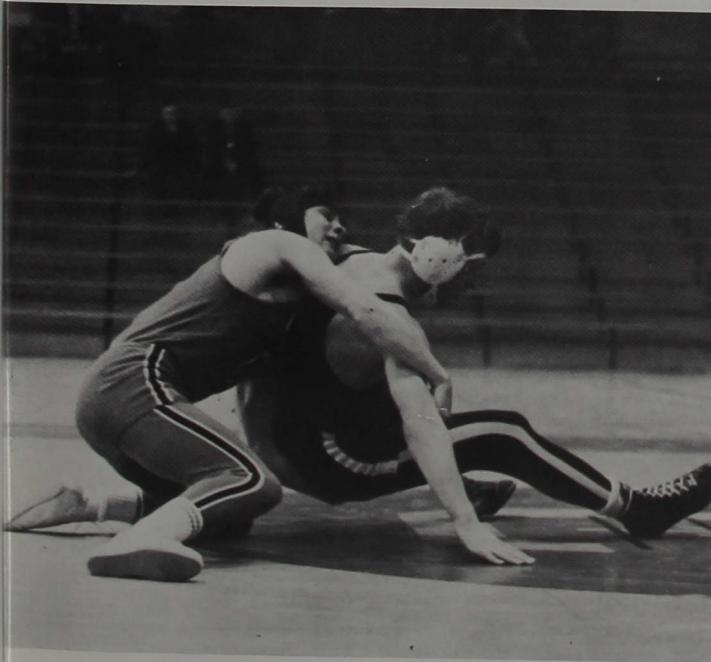

The wrestling team consists of Vince Flecker, Steve Palmore, Erv Robbins, Mike Willoughby, Tim Cooper, Jack Ott, Paul Young. *ROW 2:* Paul Velez, coach; Brad Cowan, Mark Barhan, Steve Kinnaird, Joe Mom, Al Evans, Charles Yanney, Marlowe Mullen, Don Erdman, Stu. Manager.

Coach Paul Velez brought his college career to an end this year with one of his youngest, and best teams. These fourteen men, and their coach flew through a 14 - 3 record, scoring a total of 430 points to their opponent's 232.

The team was troubled with injuries throughout the year. Mike Willoughby a tough competitor and champion from last year was plagued with a knee injury. Brad Cowan, Al Evans, and Joe Mom were all bothered by shoulder trouble. Team captain Marlowe Mullen who placed 5th in the nation last year missed five dual meets with a fractured nose.

In February the team traveled to Earlham College for the HCC Tournament. After the first night of action the Hounds were down 20 points from leader Taylor U. The next day though the tables turned and the spirited Greyhounds came back to win over Taylor 77 - 71 for their 5th of 6 Conference Championships.

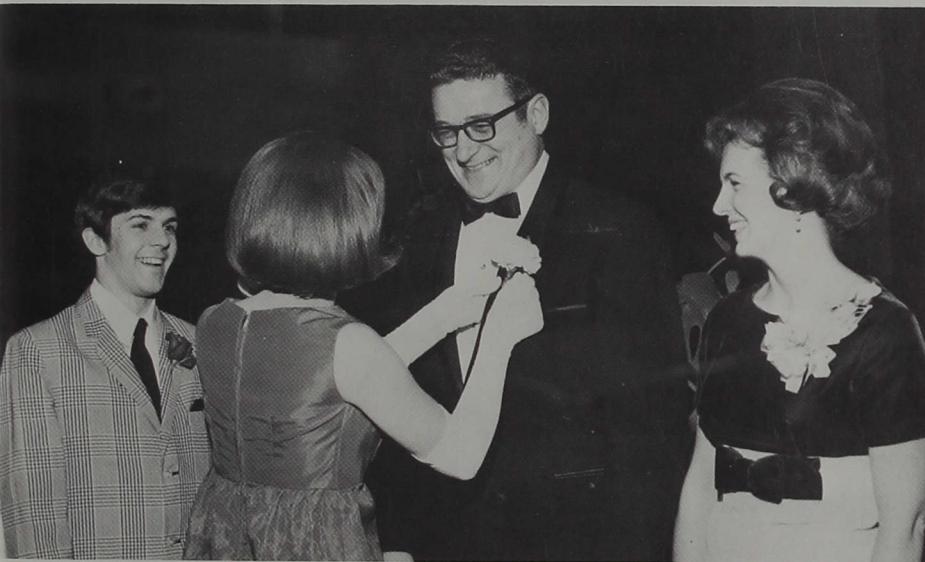

# The Sweetheart Dance

"The Look of Love" truly was an appropriate title for the Sweetheart Dance. The look of Queen Nancy Gill could make any boy fall in love. The dance is an event that marks the time of year. Spring will soon be here. It gives couples a chance to put on the formal attire, eat a good dinner, and listen and dance to the tunes of a good band.

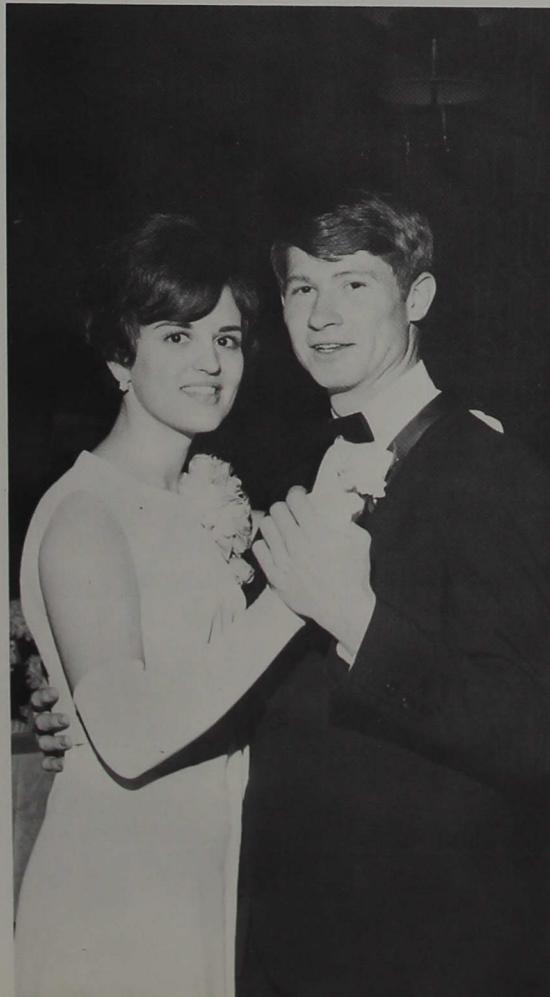

# A Time for Happiness

The Sweetheart Dance is a social occasion for the faculty and administration as well as for the students. It is the climax of the Leap Week events. It is a time for happiness.

Spring, with that nameless pathos in the air  
Which dwells with all things fair,  
Spring with her golden suns and silver rain  
Is with us once again.

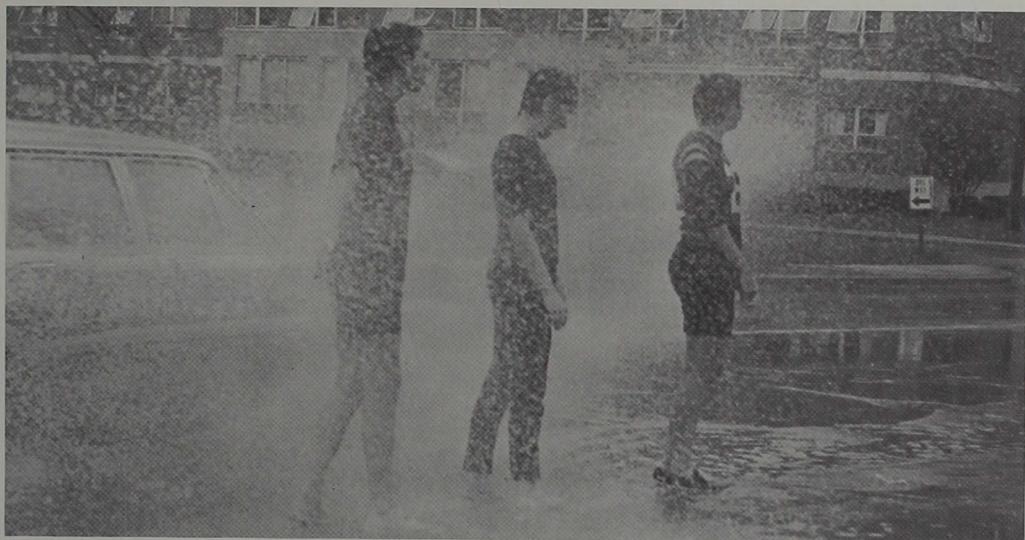

Henry Timrod

# SPRING

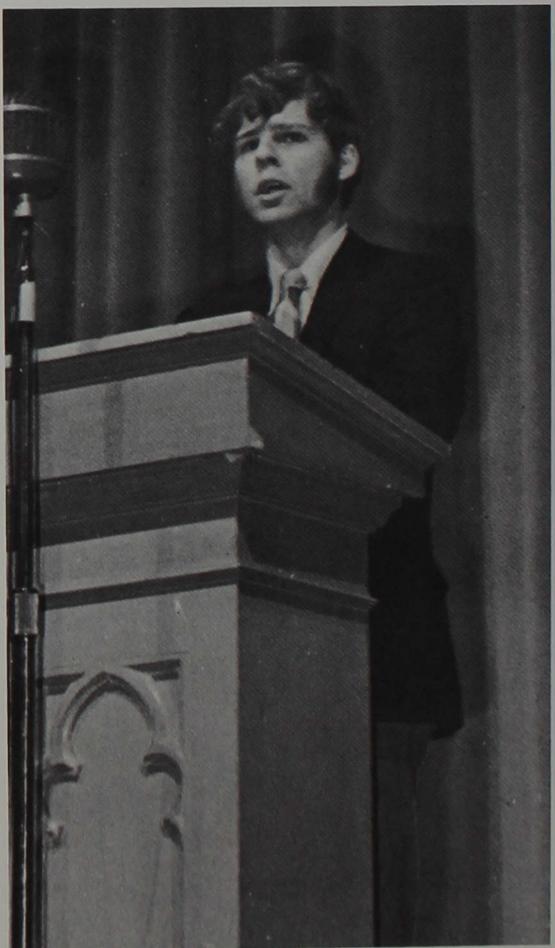

## The Leisure Moments of Spring.

There is always the tradition which goes along with spring, but for many it brings a reality which has a personal significance within their lives. A casualness helps one to begin establishing a new rapport with nature, and other people as well. One's awareness is revitalized so that there is a concern and a reaching out—to both destroy and create. A renaissance of the individual within each person becomes paramount. One's comprehension of his responsibilities to himself and all of life is awakened, and the struggle of existence takes on a new meaning. People are the epitome of spring, however, as they hate together and love together, and then perhaps become aware together.

# The Council Stands for Service

Council Retreat is perhaps the one Central Council activity which best exemplifies one's service in student government from the elections to the termination of an administration. The degree of leadership in concern and service finally measures the validity of any administration.

# Drama Department Again Succeeds

The Fine Arts Division continued its endeavor for a new sophistication and expansion with the third dramatic production of the year, "Antigone." A progressive cooperation among the different disciplines of the Fine Arts Division was once again exemplified by the art department's contributions in order to bring a realism to and an identity with an ancient form of art, Greek tragedy. The efforts and skills of Mr. Williams gave the community an exposure to a fine but often neglected form of dramatics.

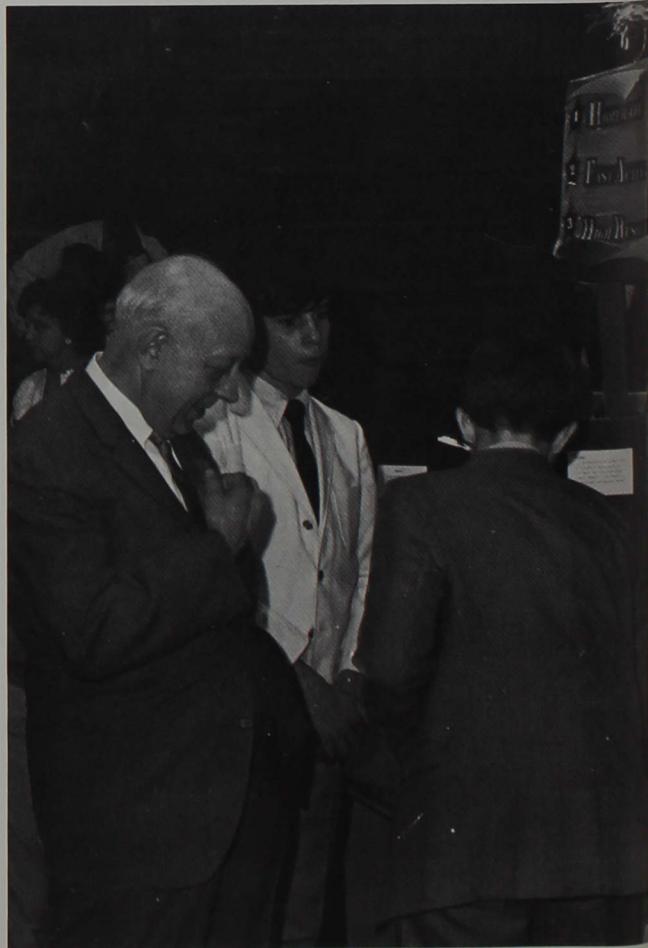

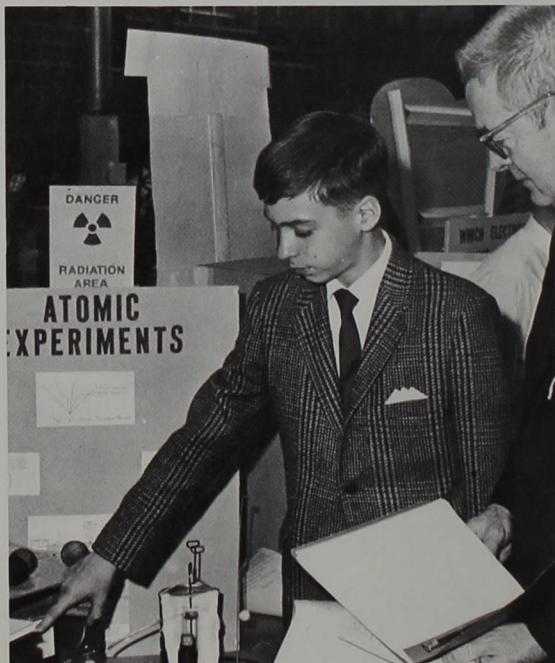

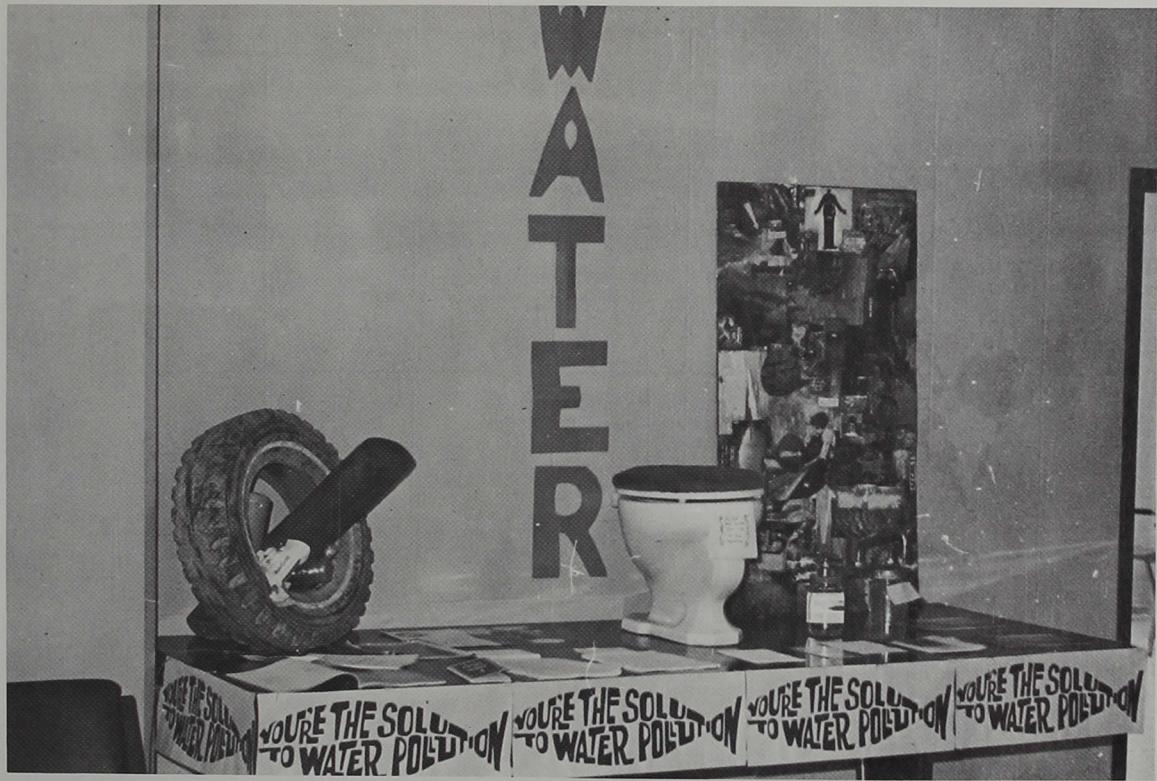

## May Festival Fun

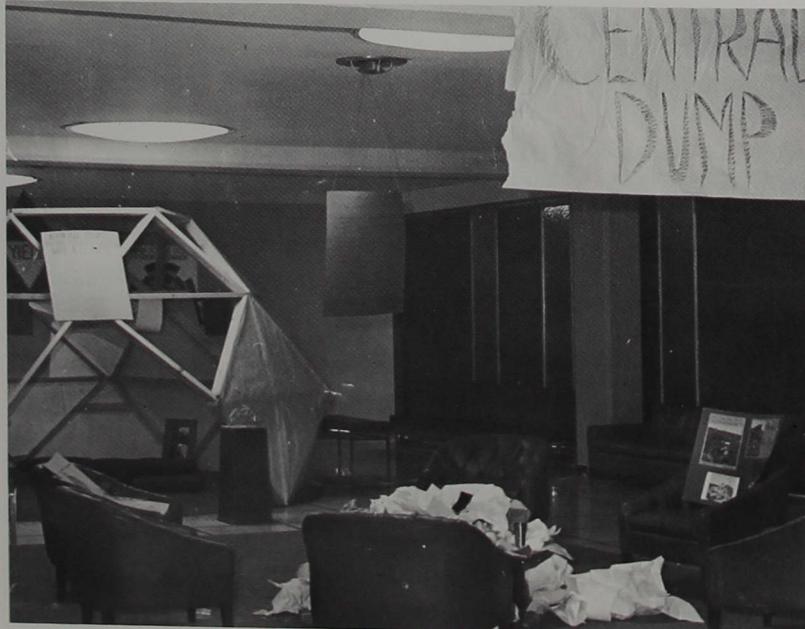

A highlight of the spring is always May Festival. There is a beauty of the person, the music, and the precision each year which is as intangible but as refreshing as the idea of a dream itself. A warmth from participation and interaction complements that of the personal joy of sharing the happiness of others. The new May Festival queen is Billie Venion.

## Science's Concern for Man

The Science Fair and Ecology Day brought the concept of education to its zenith. Young students from surrounding communities were given the opportunity during the annual fair to explore the potentialities of science the very potentialities which may be called upon one day to solve a problem such as the one exposed more fully on Ecology Day. During both events Central students became organized and worked for a single purpose which bridged the divisions often caused by personalities. Success became the result of a common cognizance and effort.

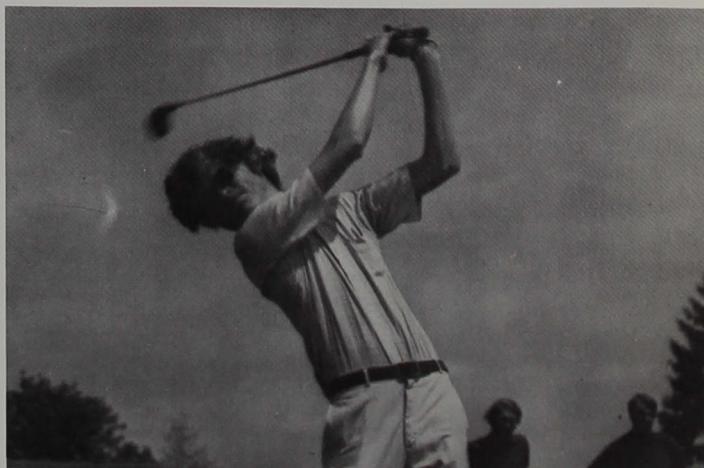

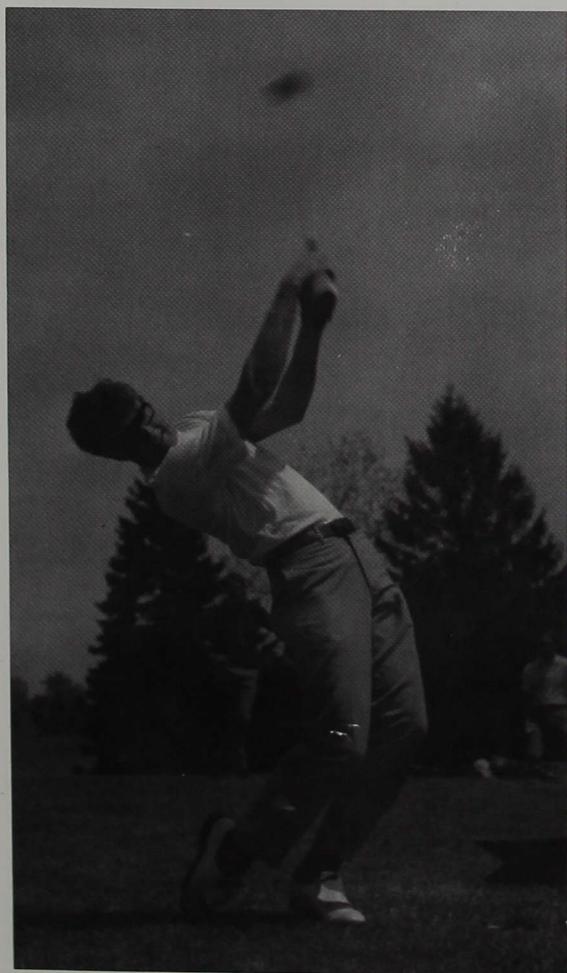

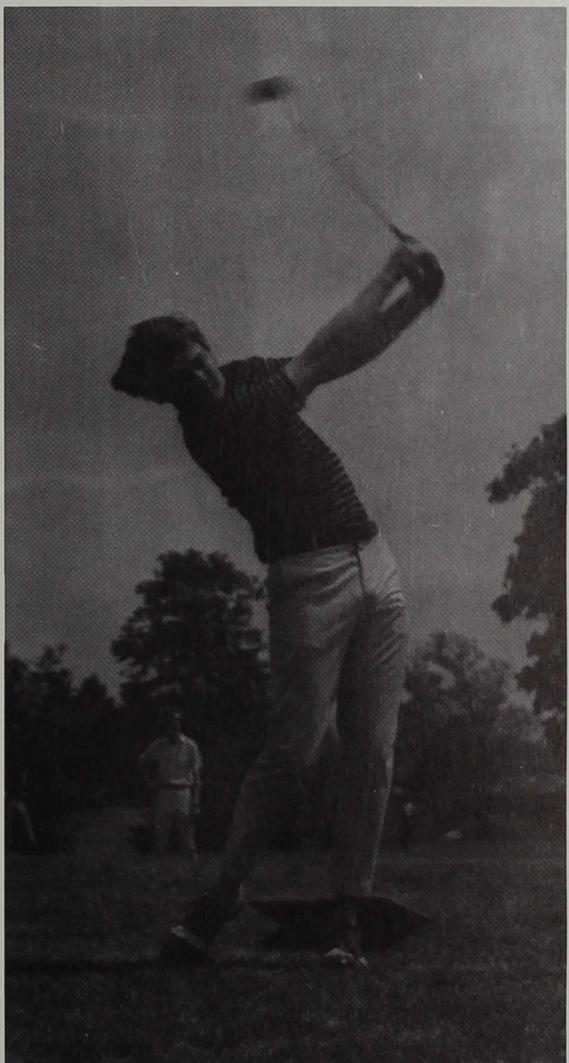

# Golfers Capture Winning Season

The golf team consists of Glen Weaver, Greg Bixler, Bob Buchanan, Kenneth Partridge, John Davis, Alan Hess, Ron Sprunger.

The golf team could not play like Arnold Palmer, but they did do better than the fifty percent mark. The team, coached by Kenneth Partridge, finished third in the NAIA district tournament and won the Bluffton, Ohio Tournament. The golfers will be in full force next year and will also gain a few freshmen.

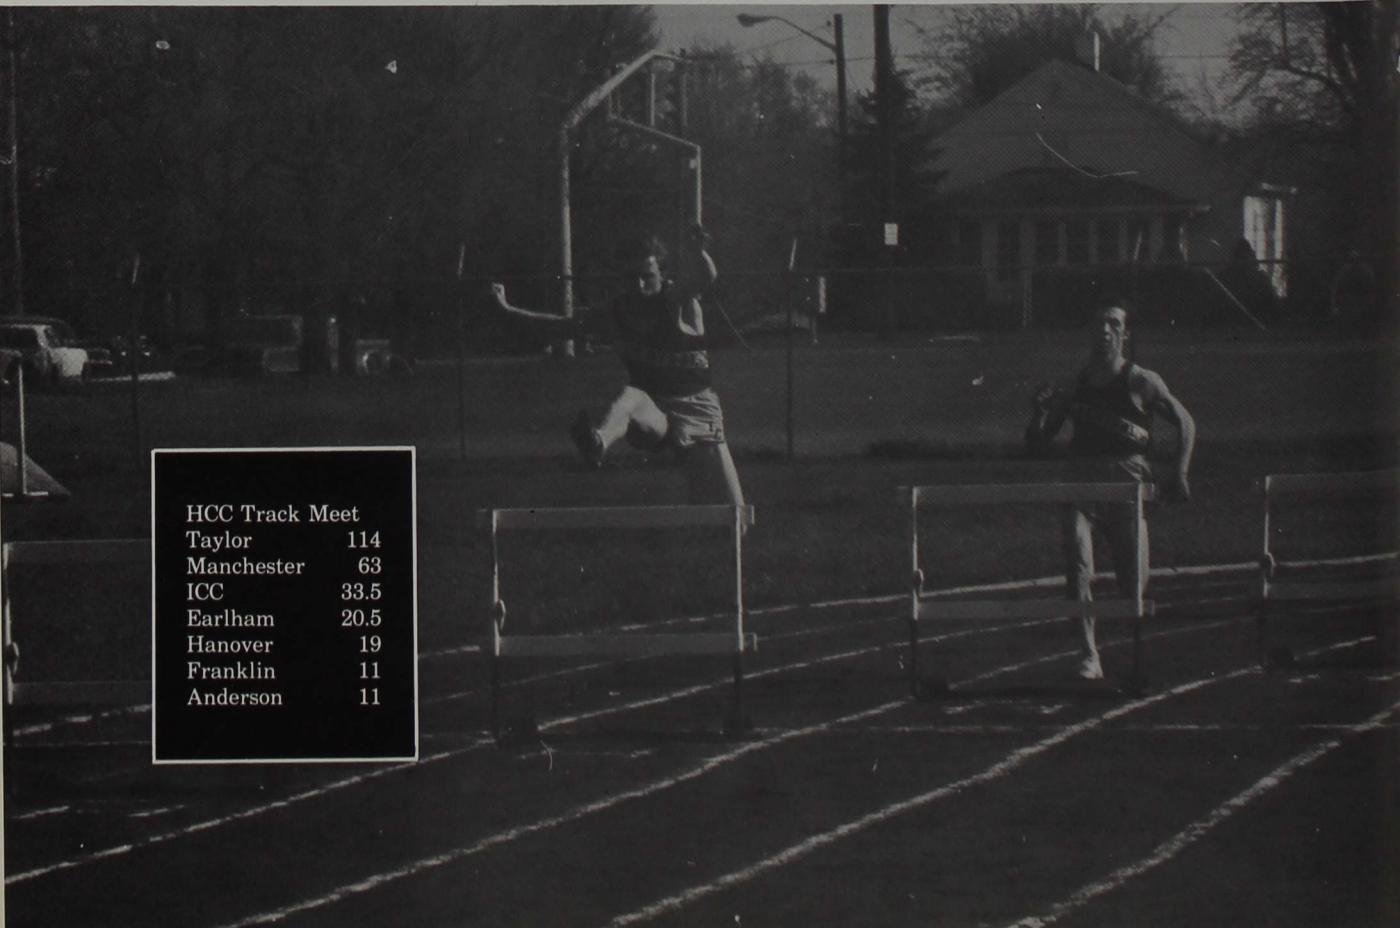

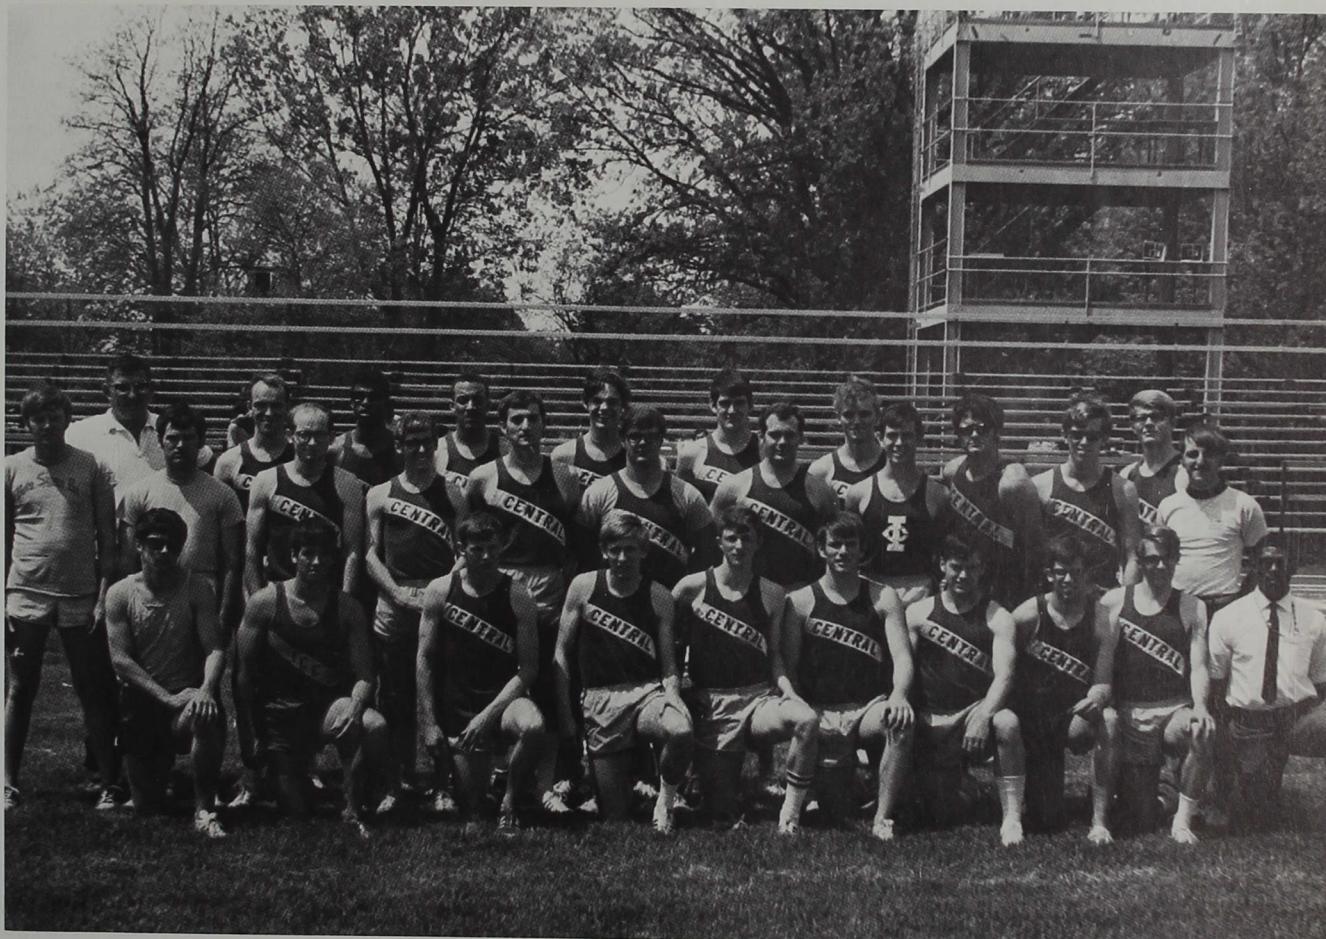

# Trackmen Eye the Records

Track offers the contest for the body. The strength to jump, throw, and run is tested on already strained muscles. The great effort to run the hurdles, broad jump, or throw the javelin just a little further than the last time can be seen on the faces of those who compete.

The Indiana Central baseball team got off on the right foot by winning the first game of the season with the University of Louisville and tying its second game. But their record soon looked bad because the team lost the next five in a row. Even though the situation looked bad at first it soon brightened. In the end they won eighteen, lost fourteen, and tied one. ICC's baseball team appears to have more winning seasons ahead.

## Ball Team Breaks Fifty Percent

Baseball team consists of Bill Hall, Jim McFarland, Mike Knight, Randy Ferrand, Bert Fleming, John Wirtz, Randy Watson. ROW 2: Jerry Cumming, Jim Kistler, Jim Green, Jeff Remble, Jeff Baker, Dave Verhonick, Jeff McGuire, Ray Slagle, Dwain Wall, Paul Velez, Assistant Coach. ROW 3: Bill Bright, Coach; Darrell Gordon, Bill Wozny, Steve Schrink, Bill Smock, Gary Judy, Jim Hedges, Don Heckilinski, George Dietreich.

Runners are out and hits are caught in foiling the batter's efforts to put the valuable runs on the board. In the dugout a large amount of thinking and self-evaluation is in the minds of each player.

Girl's baseball team consists of Susan Black, Linda Barnett, Bonnie Lewis. *ROW 2:* Tippi Stanley, Marg Meyer, Carol Siegmann, Chris Haper. *ROW 3:* Pam Frayer, Kathy Baelz, Diane Norton, Nita McNealy, Delores Walker, Joanne Alexander, Coach.

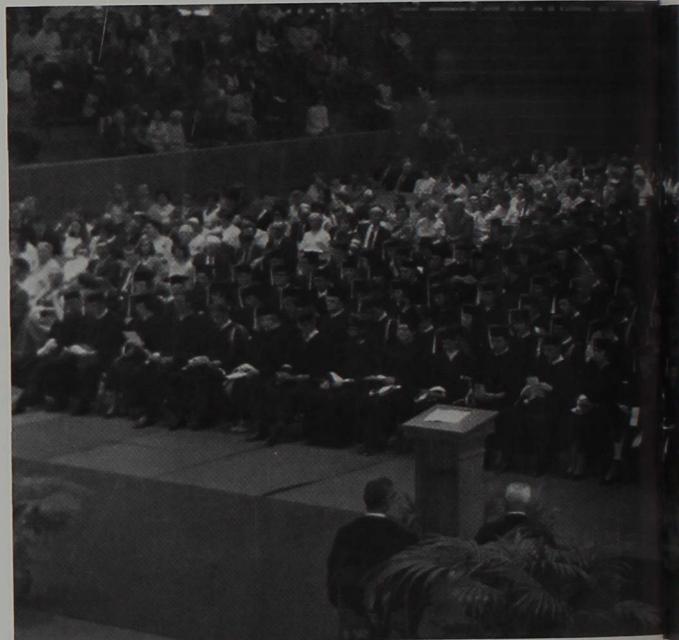

## Girls Are Active All Year

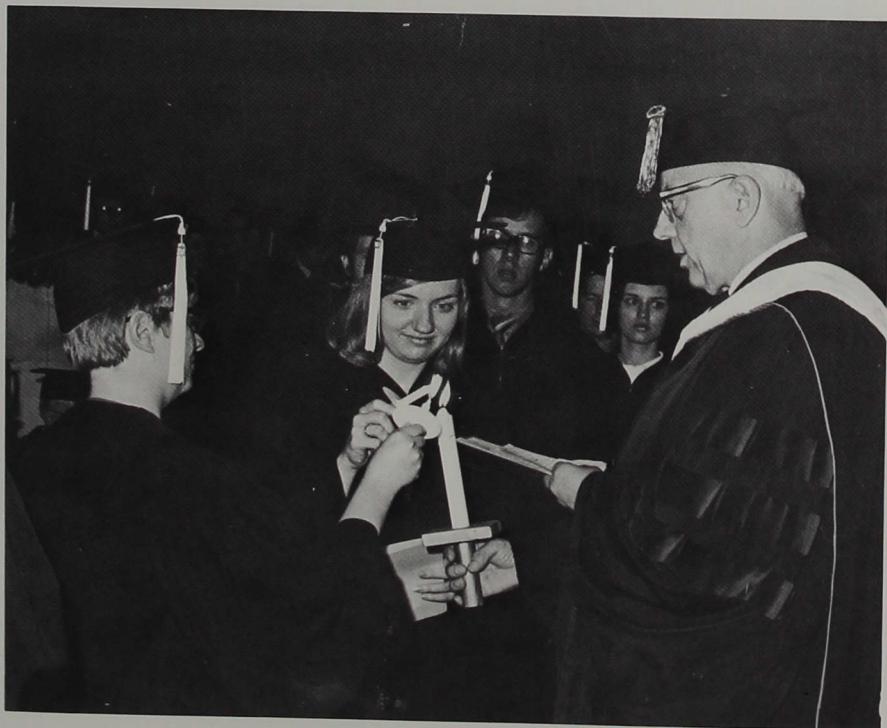

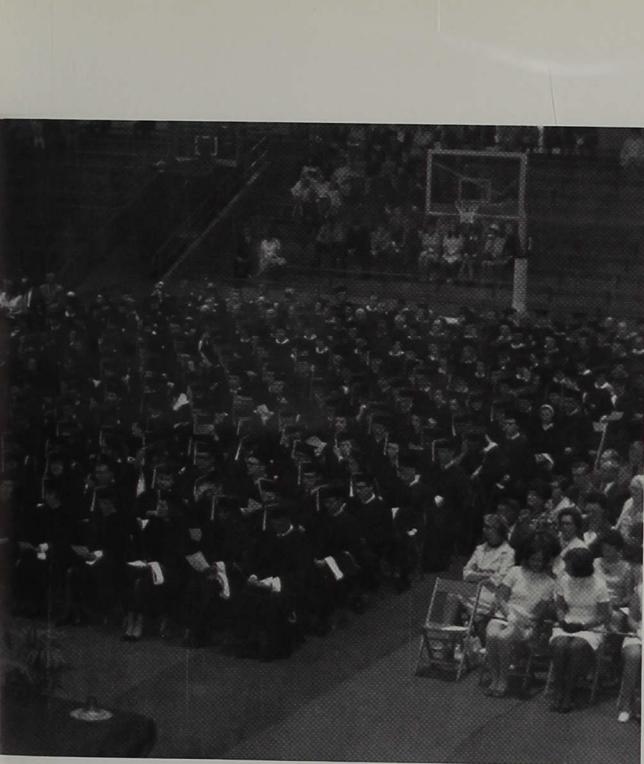

The girl's baseball team had enthusiastic participation which probably was a carry over from their basketball season. The team was guided by Mrs. Alexander who takes coaching just as seriously as her masculine counterparts.

# Graduation is One of the First of Many Large Steps

Graduation ceremonies are often the occasion for mixed emotions. For many it marks the end of formal education and the beginning of a job which will carry them through the majority of their lives. Others will continue their thirst for more knowledge. The candle-lighting service, baccalaureate, commencement, and pinning ceremony for nurses all climax the college days of the graduating students. They leave so that others can take their place.

PRESIDENT'S  
OFFICE  
WALK IN

The university has become the multiversity and the nature of the presidency has followed this change. . . The president of the multiversity is leader, educator, wielder of power, he is also officeholder, caretaker, inheritor, consensus seeker, persuader, bottleneck. But he is mostly a mediator.

From *The Uses of the University*

## PRESIDENTS

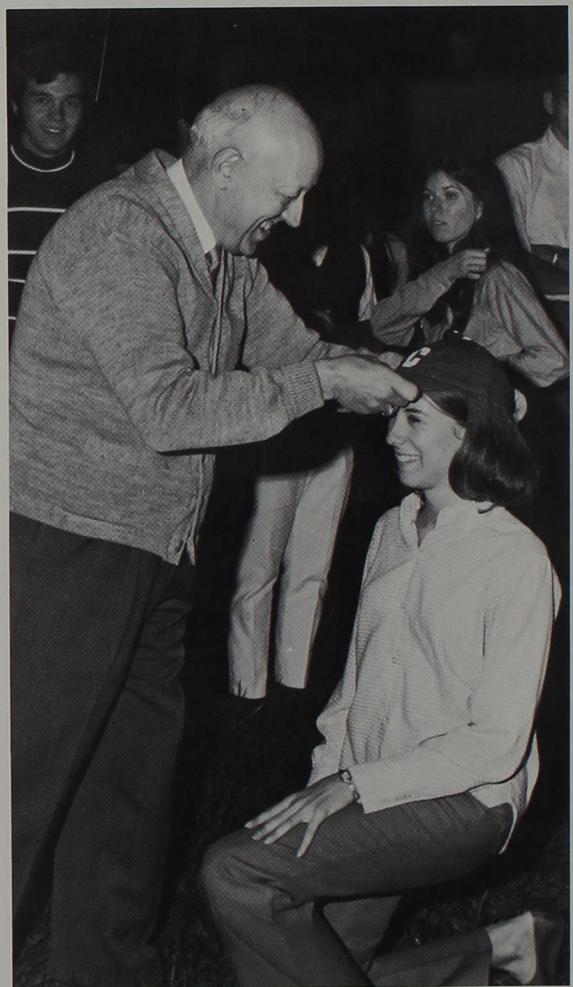

# Our President Esch

President Esch has been the friend of many for several decades. He has been a friend to government planners wishing to better society, to such service institutions as hospitals, to people searching for more religious meaning, and to fellow educators. But most important is President Esch's friendship toward the Indiana Central student for the last quarter of a century. He has not forgotten the primary purpose for the college. To establish the school as a family unit with the goal of molding young people into responsible friendly citizens.

The President puts the traditional green beany on the head of freshmen. This tags the student so that upper classmen can assist him in his daily activities?

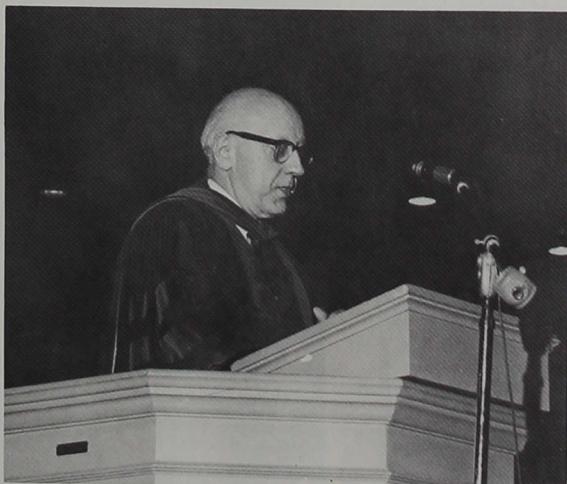

# "A Wonderful Time to Live"

In the annual report to the board of trustees President Esch expresses some of his views on the school and on the students of which it consists. Portions of this report are presented so that you will further understand the man who has been our President.

*It is a wonderful time to which to live, to work, and to serve! The pace of progress is accelerated each year and the resultant benefits to mankind are, when we look at them in perspective, almost beyond belief. The advances which have been made within the first six decades of this century are greater than those made in all of the previous millenia of man's existence on this planet taken together. Building upon the foundation of the knowledge and resources accumulated by past generations this generation has reached the moon. The next generation will be exploring the stars. It is our high privilege to prepare it for such great adventure!*

# "All Progress is not Exciting"

*All progress is not so exciting and spectacular as Apollo. Most of it is much more down to earth. It is taking place day by day in the laboratory, the factory, the agricultural experiment station, the classroom, and in areas of government and private research. It is characterized by an idea here and a small discovery or invention there. It requires hard work, disciplined lives, and enlightened minds. Each of many thousands adds his individual contribution to the total and the result is longer life, better health, greater comfort and enjoyment. Education is central to the process.*

*. . . Much of the knowledge which will then be essential is not yet known to anyone. We can, however, determine with certainty what qualities of life will be needed. They will be the same qualities of integrity, industry, dependability, and human concern which have always been the hallmark of humanity's finest individuals . . .*

*. . . An individual's highest goals and purposes of life are only fulfilled through commitment to that which is outside of and greater than himself. It must be outside of self in order that others may be served. It must be greater than self in order that the continuing eternal qualities of life will be advanced. It would be very difficult, if not impossible, to find a field of service where the possibility for life fulfillment in this regard is greater than that which is offered in a church-related college. Such an institution moves in the center of the mainstream of developing life and the structuring of tomorrow's world . . .*

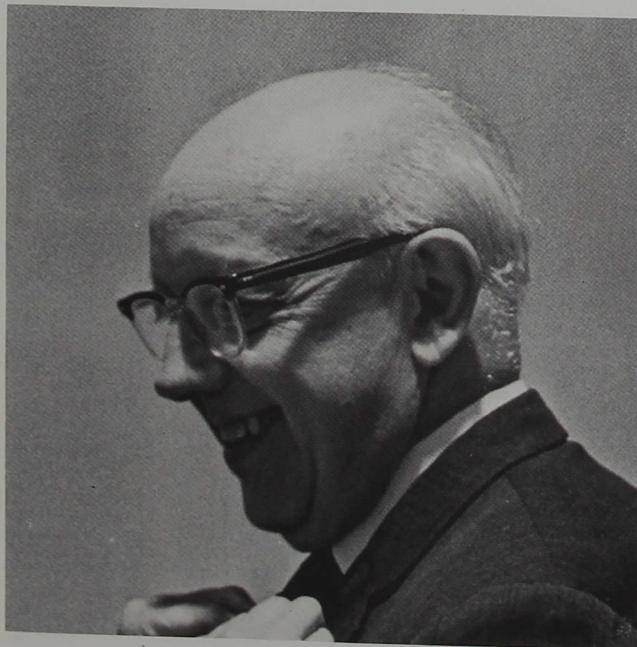

President Esch was given a banquet during which the student body presented him with a wicket to travel around the world.

... It was Thomas Jefferson, writing to John Adams, who expressed well our present sentiments when he wrote, "I like the dreams of the future better than the history of the past." Yes, "What's past is prologue; what to come, is yours and my discharge." Thanks be to God who has led us to this hour and with whose continuing watchcare and blessing we shall indeed help the next generation reach the stars of its highest fulfillment.

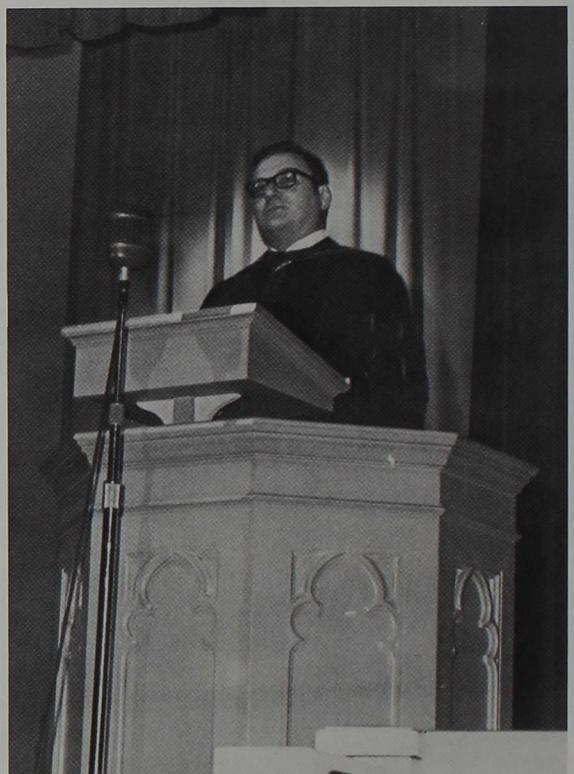

Respectfully submitted,

I. Lynd Esch  
President

# Our New President Sease

President Sease officially slipped into the shoes of the president on July 1. Most Central students feel that President Sease will be understanding, fair, and progressive. The students are sure he will carry on the work of President Esch to further strengthen the college. As with President Esch the Central family thinks an atmosphere of mutual understanding and respect will exist. It is an honor to have President Sease who has won in a brief time the respect of many.

Education relations make the strongest tie.

# Editor's Page

Within this book are the same activities and events that were in the book of the prior year and the book of the year before that. But this is a unique book. The activities were performed by people of this year. Just as the seasons of the year always occur, the weather of each is never exactly the same.

I most sincerely thank those whose efforts went into the construction of this book.

*Paul Anson Thomas*

Man is challenged today to excel in almost every endeavor . . . those who do succeed often trace the beginnings of their performance pattern to accomplishment in high school and to those who offered stimulation and inspiration in these formative years. Josten's has long been a partner to these educational leaders in providing a means of motivation and the rewards of recognition, and Josten's products have become tangible symbols honoring perseverance and achievement.

The class ring is representative of the fine traditions of school spirit and unity □ The yearbook provides a lasting memento of the year's accomplishments □ The diploma is a lifelong record of scholastic success □ The graduation announcement heralds this achievement □ Awards recognize academic and athletic leadership.
