# A Small University

Over the years, the ICU campus has experienced many physical changes. In 1917, the building now known as Good Hall was nearly destroyed by a storm. Many new buildings have been built, and some old buildings have been torn down. The observatory pictured above was replaced when Lilly Hall was constructed. The ICU library was first housed in Good Hall. It was moved to Esch Hall, and finally the Krannert Memorial Library was built.

## Orientation

Nearly 400 freshman students appeared on the ICU campus on September 2, giving the university a record enrollment of day students. The group was met by an industrious group of sophomores who served as an Orientation Committee. Other upperclassmen were on hand to conduct various seminars to help the new students get acquainted with college life and activities. Dr. Sease was on hand to welcome the green (sans beanie) freshmen. Although the paperwork seemed endless, the Orientation Committee retaliated with activities of a more amusing nature to ward off ennui.

# Homecoming Total Success

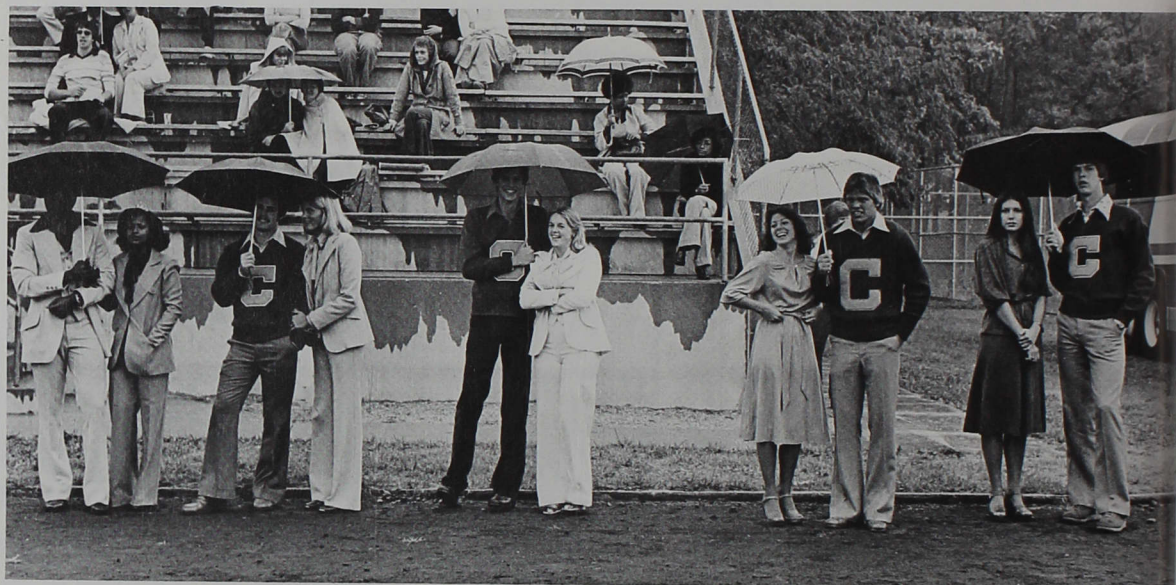

Although some activities were cancelled by the rain, homecoming week was filled with fun things to do. Des-salyn Morton ruled over the activities as Homecoming Queen. The dorms were decorated to show school spirit, with East Hall taking the prize for the best decorations. The highlight of the week was the Hounds victory over the Pumas of St. Joseph, making the week very successful.

Brown  
County  
Day

Neither rain nor fog shall stop the ICU students and faculty from invading Brown County State Park on the appointed day. The food got a bit soggy, and the people got a bit chilled, but the rain really gave a new meaning to togetherness. Although the tug-of-war and other events were called off, the informal football games and general clowning around filled the wet hours of the ICU students.

# Creative Effects

Creativity appeals to many at ICU, from art majors to nursing students. The art students have a show each year to allow others to enjoy their works. For others, the art classes are a source of fun away from their major subject areas.

# Education For Service

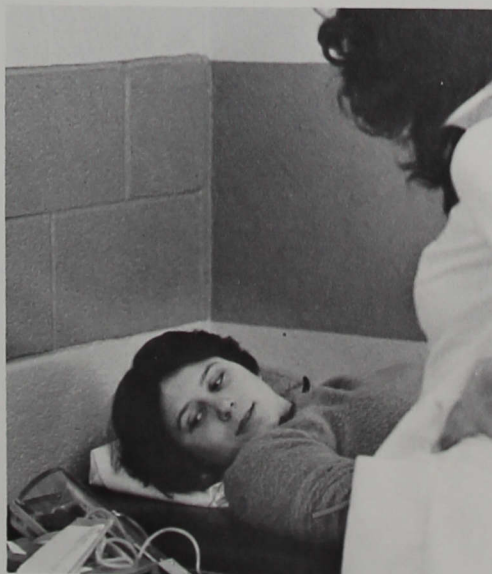

Among the many service projects carried out by ICU organizations are the traditional blood drives. Members of the campus community give the greatest service to someone they'll probably never know. The only reward is the satisfaction of having cared and given.

# Convocations

They come from the other side of the globe or from right here on the ICU campus. They entertain, inform, excite and sometimes bore to death. Who are they? They are the convos which are held every Wednesday and Friday.

# Of Mice And Men

The 1978 entry to the American College Theatre Festival was John Steinbeck's *Of Mice and Men*. On September 29, and October 6, 7, and 8, the ICU theatre department brought to life the characters of this poignant drama. The story of the beautiful relationship shared by George and Lenny was presented with an honest attempt at discovering the brotherhood of man. From the beginning, the audience was caught up in the struggles of these two men and those around them. The smoothness of the production was inherent in the way it kept the audience transfixed in the world of depression. One member of the audience claimed, "There wasn't a dry eye in the place," for the tragic yet beautiful of George and Lenny could move the hardest of hearts.

Page 38 Top left: Curly (Gary Robinson) expresses his distaste for his surroundings to his father The Boss (George Arndt). Top right: Whit (Carl Boss) takes part in the bunkhouse activities. Bottom: Curly's wife (Kathy Richmond) warms up to Whit (Carl Boss).

# Pippin

On November 10, 11, and 12, the ICU theater and music departments teamed up to present the musical comedy, *Pippin*. It took the creative talents of several members of both departments to effectively pull off the magic, mystery, and music of the Hirson-Schwartz script.

Set in the medieval world, *Pippin* is the story of a young man's search for identity. Being the son of King Charlemagne, Pippin is disenchanted with the meaning of his own existence. It is only through the climactic finale of magic and fire that Pippin realizes there is no true meaning outside the simple satisfaction in being alive.

# The Cherry Orchard

Anton Chekhov's *The Cherry Orchard* deals with the life-like drama of loss, gain and renewal in a change of life. Mme. Lyuboff Andreyevna, a wealthy Russian heiress, travels to France to forget the deaths of her husband and son. She returns to her cherry orchard virtually broke due to her extravagance. In an all-too-short period of time, she leaves her final property, the orchard, to the grandson of a former servant.

This classic work was banned in Russia because the government realized that Chekhov was predicting the rise of a new regime.

# The Impossible Years

*The Impossible Years* was updated from the '60's to the '70's but the trials and tribulations of being a parent and those of being an adolescent remain much the same. Dr. Jack Kingsley, in the process of writing a book on adolescence, comes to grips with his rebellious daughter, Linda. Pool parties, a messy room, and a "slovenly" boyfriend do not a happy father make. Soon, the neighborhood is involved in a madcap whodunnit when Linda is believed to be pregnant. Just when all possible evidence is gathered, Dr. Kingsley's assistant, Mr. Merrick, admits that he and Linda are married. With everything back to normal, the Kingsley's younger daughter, Abby, bursts into the living room with her new boyfriend, as Dr. Kingsley screams, "Oh no . . . not again!"

## Ski Weekend

Escaping the winter blahs for a weekend, ICU's newly formed Ski Club ventured up north to Royal Valley Ski Resort in Buchanan, Michigan. Spurred on by veteran Deb Hunter, the Ski Club has sparked the enthusiasm of both students and faculty, beginners and pros.

# Robyn Selected As Miss ICU

Eight contestants participated in the Miss ICU Pageant on May 4. The judges based their decision on an interview, and competitions in talent, swim-suit, and evening gown. This pageant is the first in a chain leading to the Miss America Pageant.

Robyn White was named Miss ICU 1979. The Freshman business major presented a modern jazz dance routing in the talent competition. Robyn's future plans include fashion modeling and auto racing.

# The More Things Change The More They Stay The Same

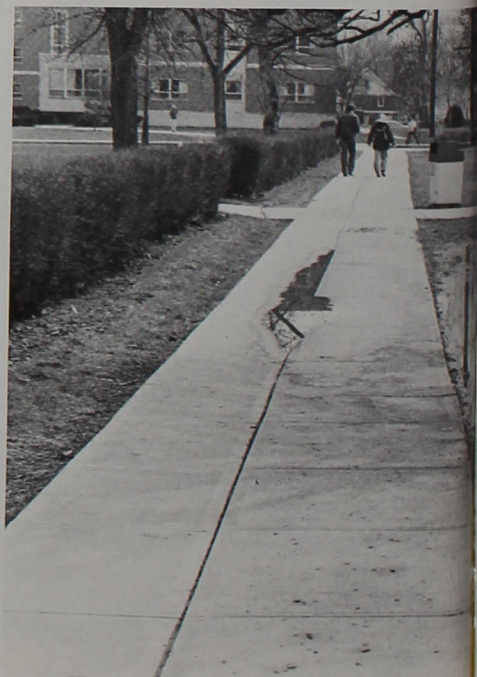

## Where We've Been

From an article by President Esch in a 1946 ALUMNI NEWS

The Board of Trustees gave general approval for these two buildings more than a year ago. Since that time, some quiet planning has been going on. Architects have prepared tentative floor plans for a new gymnasium and student activity building, and for a new auditorium, administration and classroom building. These two buildings are designed for the utmost in utility of function and at the same time to give an appearance which will add beauty to the campus.

Present plans call for the gymnasium and student activity building to be the first on the list. It is to serve as a memorial and honor hall for United Brethren service men and women in this area. The floor plan calls for a gymnasium of such size that, by means of a center sliding door, it can serve for two gymnasiums, one for men and one for women, during the normal week-day class programs. Then it can be opened and a center court used for inter-collegiate games. It is to have a swimming pool under the gym floor and so arranged that the showers and lockers will serve both for the gym and the pool.

## Where We're Going?

### MEMORANDUM

October 2, 1978

TO: Students, Faculty and Staff

FROM: President Sease *G.S.*

At the recent special meeting of our Board of Trustees, several significant actions were taken which are now being implemented:

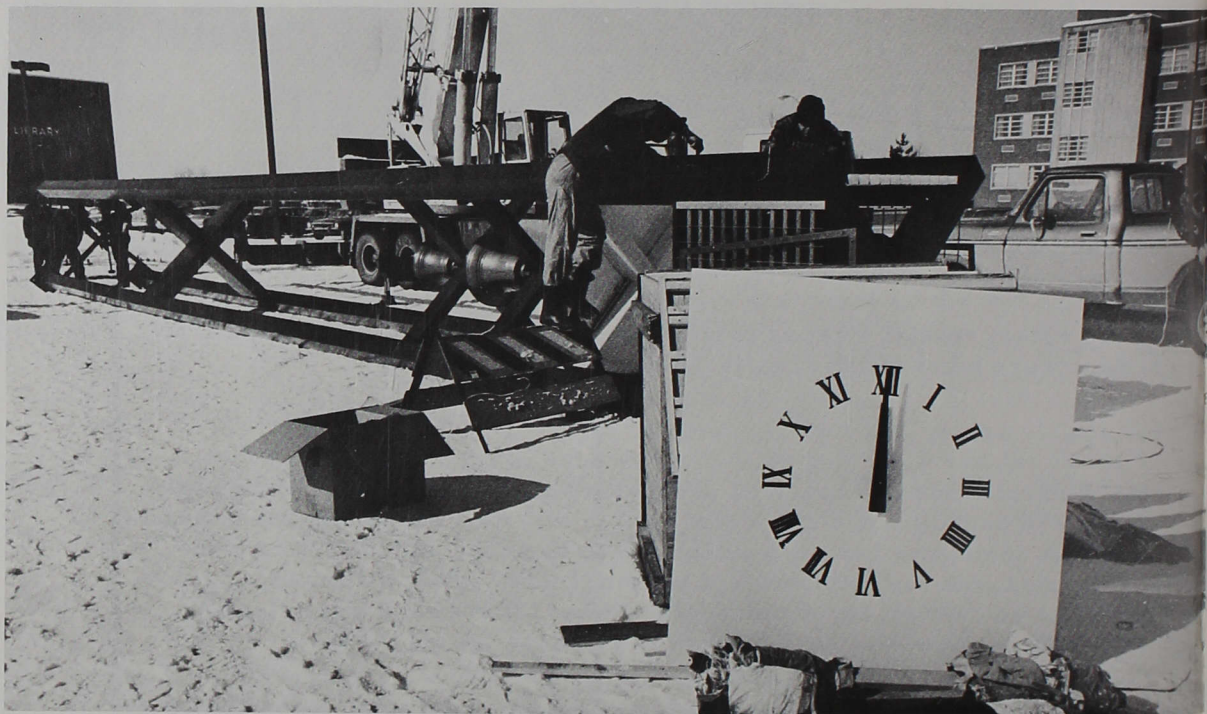

.....

(4) Authorization was received to develop plans for a physical education facility to be built north of Nicoson Hall to include a swimming and diving pool. A committee has been authorized to begin the solicitation of funds concurrent with the refinement of building plans, which will include an adequate endowment for maintenance. Final plans and proposed funding will be presented later to the Board of Trustees for approval.

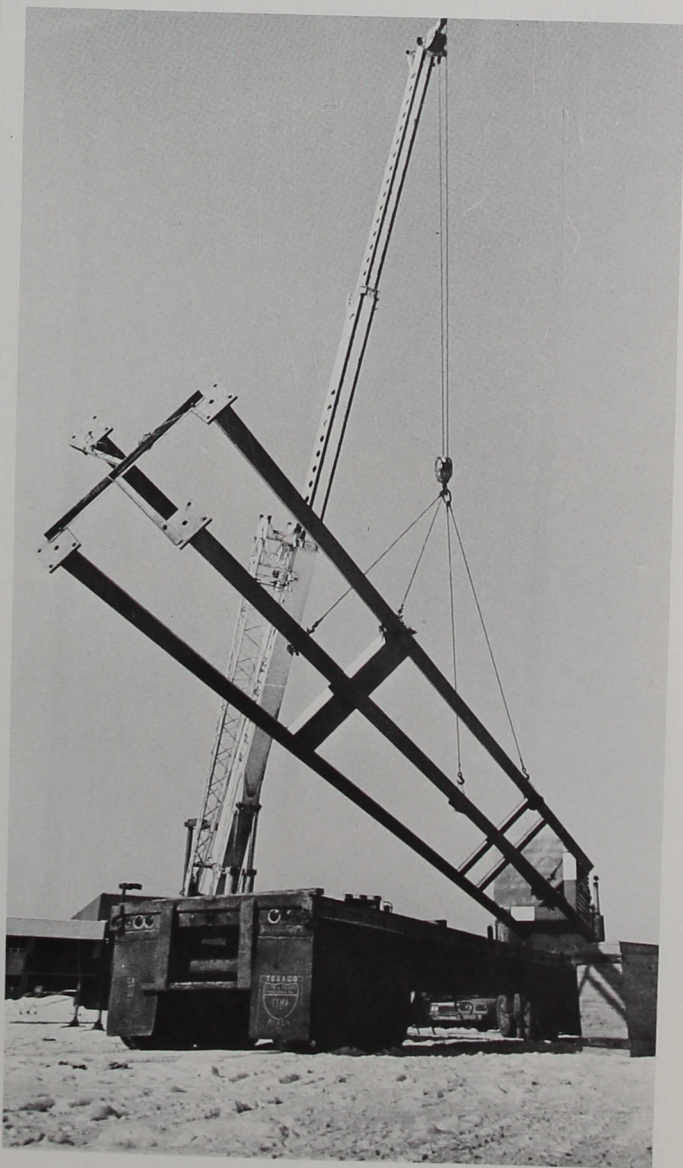

# Hickory, Dickory, Dock

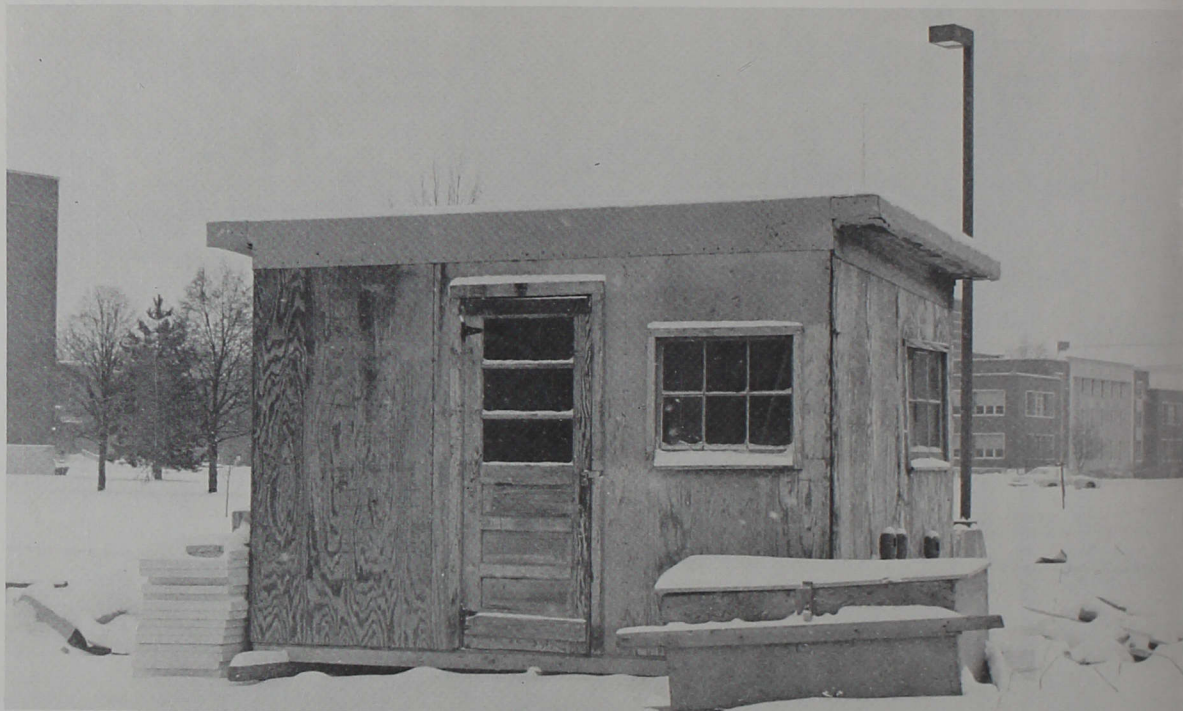

After many delays, the clock tower finally appeared in the mini-park one cold January morning. Still, it was spring before the four clocks could agree on the correct time, and the carillon played as students were supposed to skip to classes to its merry tunes. Somewhat resented, and appearing a bit out of place, the structure has indeed become a landmark keeping its lonely vigil over the parking lot and an empty mini-park.

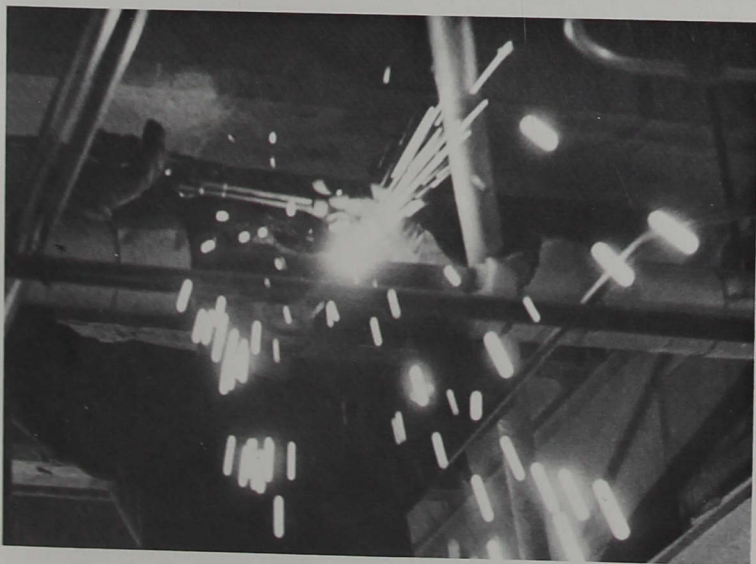

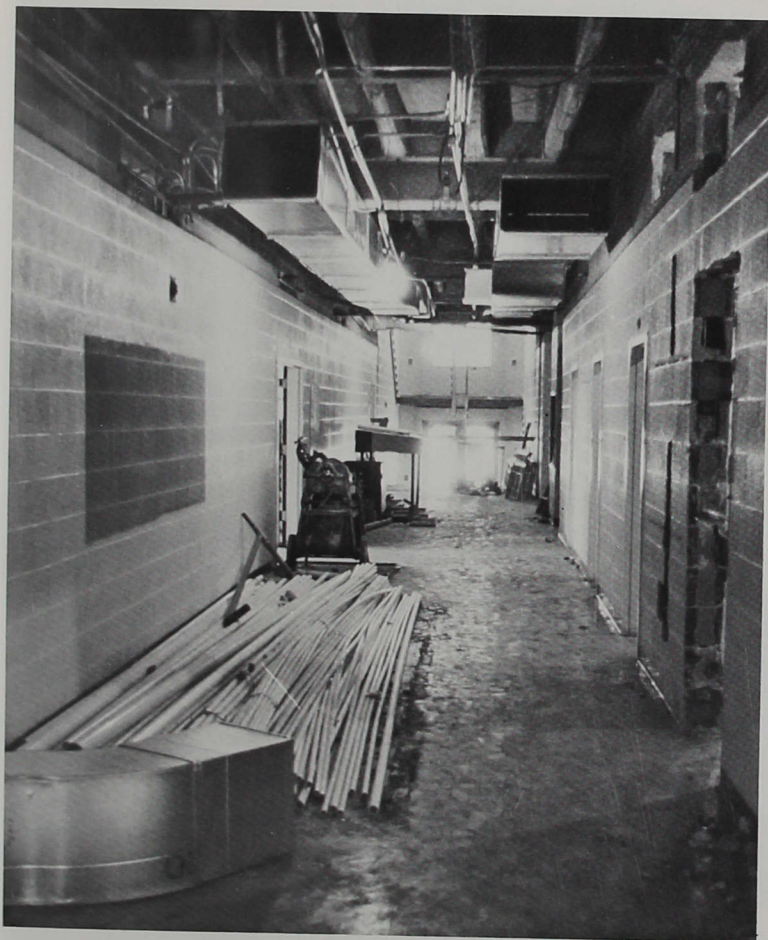

# New And Renew

Construction equipment became a common sight on the ICU campus once again. Esch Hall, former home of the library, was given a face lift to allow its facilities to be used more effectively. A new dorm to be known as North Hall was begun north of the library. All of the new construction will allow access to campus buildings by handicapped persons.

# Timothy O'Toole

Timothy O'Toole is not an ordinary greyhound, but a real live mascot for Indiana Central. Timothy came to Central from Clearwater Florida, where he finished several years of racing. He was generously donated to Central by Mr. Edgar A. Bright, an ICU alumnus who raises racing greyhounds on his ranch. Timothy now resides in the home of Dr. and Mrs. Ken Borden. The Alumni "C" Men's Club decided to help pay Timothy's expenses. However, those expenses are kept to a minimum by the fact that the Shelby Street Animal Clinic has offered to take care of Timmy's medical needs, and Mr. D's Food Market agreed to supply the food. Timothy has brought a lot of enthusiasm to the campus. Not only is he a fellow greyhound to all of the central students, but he has the distinction of being a member of the Fellow's Club. This came about on Homecoming Day when Dr. and Mrs. Lynn Arbogast volunteered to be his sponsors and pay the \$100.00 per year dues.

# Football Captures Conference

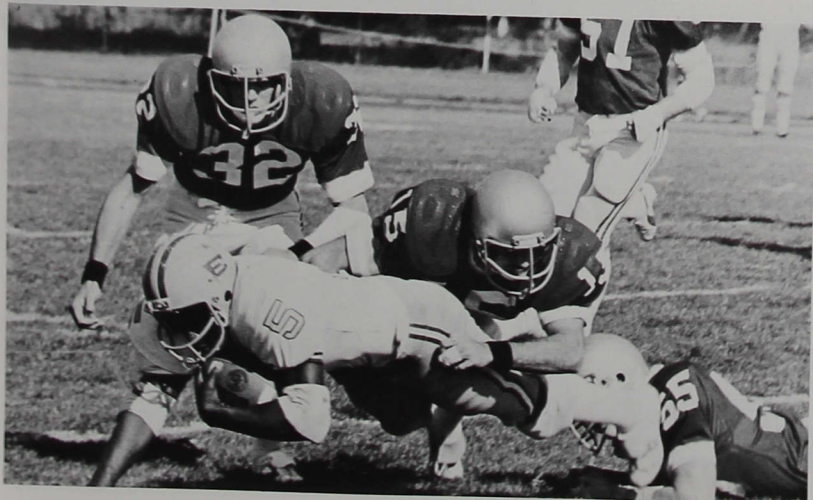

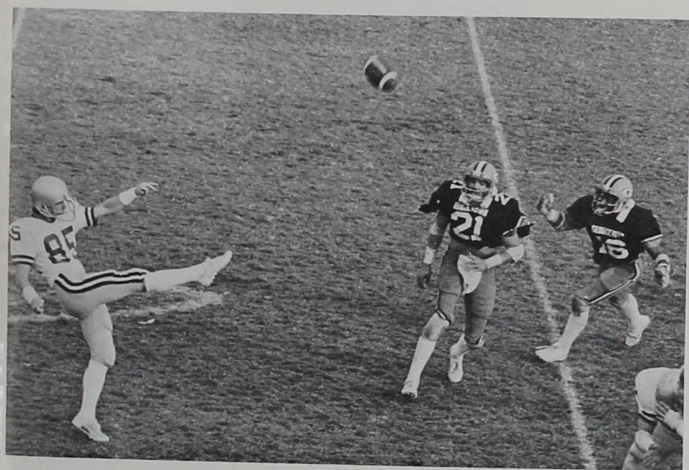

ICU football had a 7-3-1 record and a conference championship. Coach Bill Bless was named Coach of the Year in the HCC. In all, thirteen of the twenty-two starters were named to an All-Conference first or second team. Jim Goetz was named as the HCC's Most Valuable Defensive Back. Others receiving All-Conference honors were: Doug Clark, Phil Gatts, Tim Gerber, Scott Keeler, Steve McLean, Kevin Mouser, George Novak, Duddy Reeves, Jim Slavens, Dan Williams, Steve Williams and Dave Wollman. Duddy Reeves also set a new single season rushing record with 1,072 yards. Jim Slavens signed a contract with the Kansas City Chiefs of the NFL.

The ICU golf team became the first team to win two conferences in a sport in one year in the history of ICU. The golfers won both the Heartland Collegiate Conference and the Great Lakes Valley Conference. The abundance of underclassmen on the team gives hope of several more successful years.

# Off And Running

The Whippets left few records unturned. The young team was surprisingly successful. Maureen Gallagher, MVP, set her share of the records. Jenny Freeman was the recipient of the mental attitude award. Losing only one senior, the Whippets seem to be destined for another successful season next year.

Lisa Monday finds a formidable opponent in Timothy O'Toole.

CROSS COUNTRY row 1: Wes Case, Erhard Bell, Marc Adams, Kevin McAndrew, Kieth Puckett, Jon Lilly, Roger Wright. row 2: Dan Sease, Jason McKay, Herman Bueno, Charlie Sparks, Coach Jerry England, Phil Martin, Bob Albright, Roy Wasson.

The Cross Country Hounds were once again successful in 1978. They placed third in the Little State, and second in the HCC. In addition, the team placed third in the NCAA Regional meet in Chicago. Although the team did not qualify as a whole, juniors Herman Bueno and Erhard Bell placed high enough to advance to the national meet at Indiana, Pennsylvania.

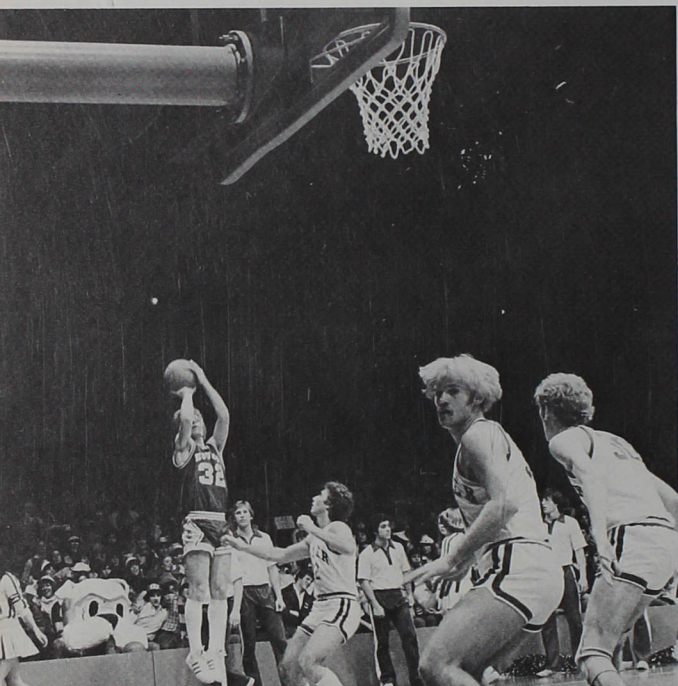

Bueno was the MVP in 1978, with Erhard Bell receiving the Kelso Reid Mental Attitude Award. With nearly the whole team returning, the Hounds should turn in another successful year in the fall of '79.

TRACK row 1: Bob Albright, Dennis Massie, Roy Wasson, Herman Bueno, Brian Tielking, Jason McKay. row 2: Neal Yoder, Frank Vormohr, Dennis Young, Kevin Pearson, Dave Wollman, Mike Campbell. row 3: Coach Bill Bless, Marc Adams, Kevin McAndrew, Dan Sease, Dave Brainard, Mark Hetrick, Erhard Bell, Al Jackson, Coach Jerry England.

The track team placed third in the HCC. Individual members of the team accomplished impressive feats. Dave Wollman placed second in the NCAA Division II in the shot put, and eighth in Division I. To do this, Dave set a new ICU record with a putt of 61 feet, 7 inches. Wollman also placed sixth in the Division II discus, with fellow Hound Dennis Young capturing eighth place. Wollman and Herman Bueno received All-Conference honors, with Dave being named as the Outstanding Athlete in the HCC.

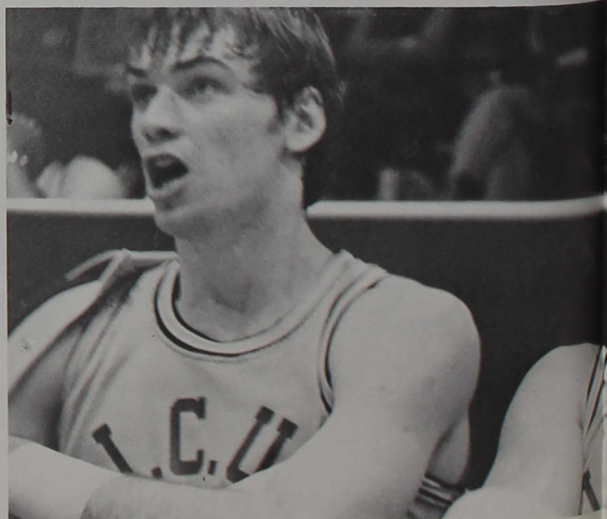

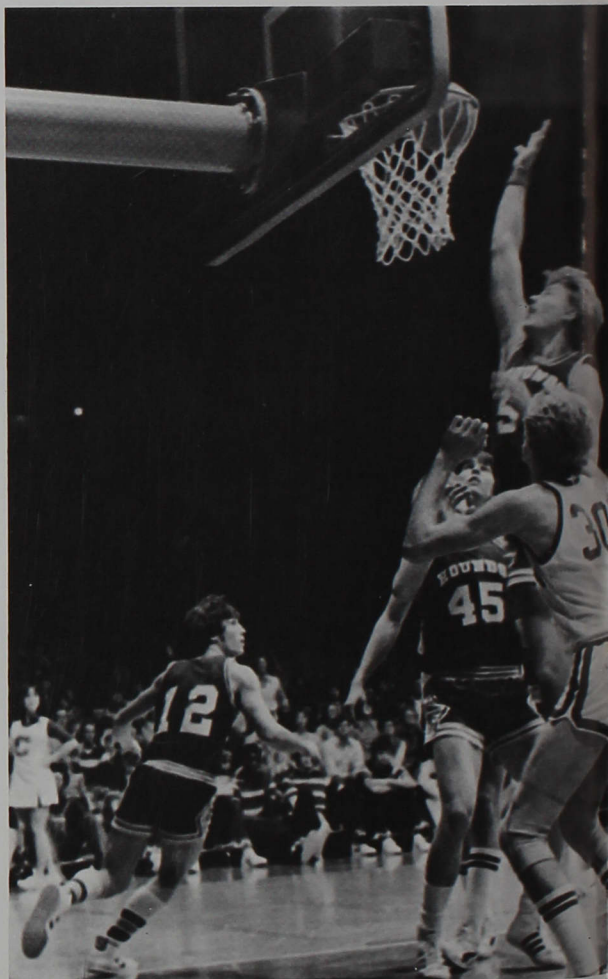

## BASKETBALL

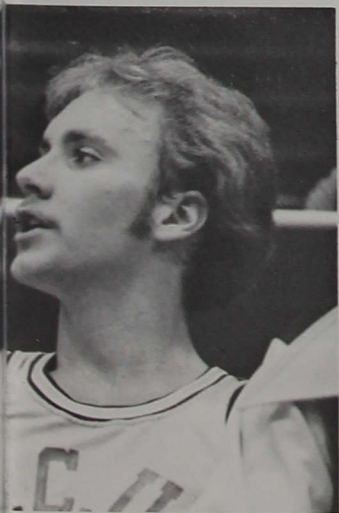

Although a slow start of 0-4 hampered spirits for ICU basketball, they were revitalized as the team finished with a 15-11 record. Just as the team had a winning record, so did senior Kevin Pearson. Kevin became the first Greyhound to pass the 1,000 mark in career rebounds, pulling down 1045. He was selected third team All-American in the NCAA division II.

The junior varsity also was impressive. The pups ended the season with a 9-2 record. They managed to beat the two teams who had beaten them in rematches.

# Whippets Break Even

The Whippets ended the basketball season with a 10-10 record. The young team selected freshman Earleen Hoover as MVP and Shirley Amonnett was given the Mental Attitude Award.

Bottom: Nancy Thompson, Paula Bueno, Shirley Amonnett, Sue Willey, Cindy Sare, Julie Herdman and Deb Sweet shout encouragement to their team.

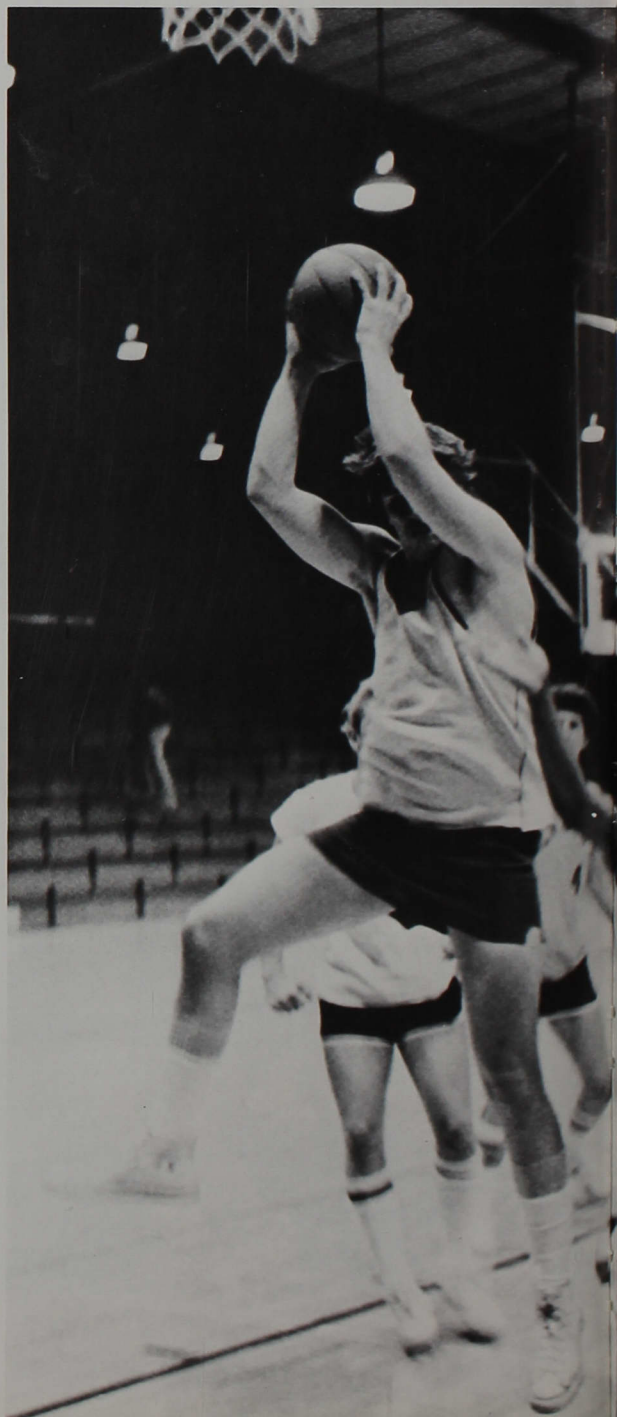

# Intramural Basketball

Intramurals bring action to ICU. In addition to basketball, co-ed softball and volleyball were offered in the spring. Central students, faculty and staff draw closer by playing together.

# Baseball Season Cut Short

With only three seniors, the baseball team was looking forward to a building season. The team ended with a 10-29 record. After about half of the team was expelled from school for allegedly drinking beer in the Schwitzer motel rooms over spring break, the team played only one double-header before deciding to hang it up. ICU forfeited the rest of its games, accounting for fifteen of the losses.

## Where We're Going

The class of '29 returns to campus after 50 years.

# Bacculaureate

Bacculaureate service was held in Nicoson Hall at 11 a.m., May 20, 1979. Graduate candidates entered carrying their hoods on their right arms. James V. Miller (bottom left), president of Pacific University in Forest Grove Oregon, and an ICU alumnus delivered the sermon. Sharon Rapp, senior class secretary, is pictured offering the invocation. (bottom right)

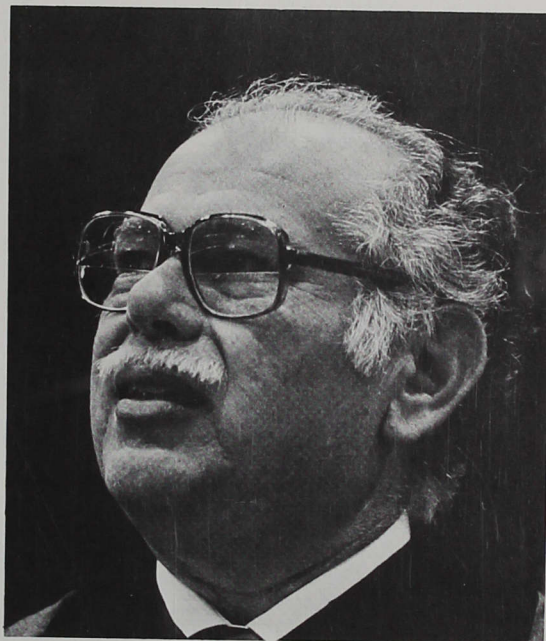

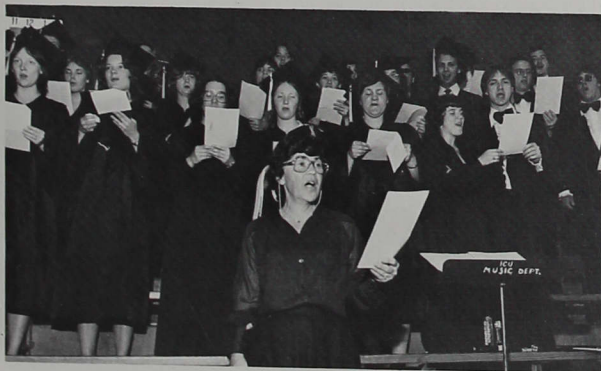

## Hooding Ceremony Baccalaureate Highlight

After the service, the most impressive part of the Baccalaureate is yet to come — the traditional hooding ceremony. During the recessional, candidates for Masters and Bachelors degrees are hooded by six faculty members. The degree is indicated by the length and size of the hood. The colors of the velvet band indicate the discipline or field of study, and the silk lining bears the colors of the institution from which the person is graduating. Associate degree nurses are pinned by six members of the nursing faculty during the recessional.

Denise Bates is shown presenting her hood to Mr. Boyce, who puts it on her.

# Seventy-Fourth Annual Commencement

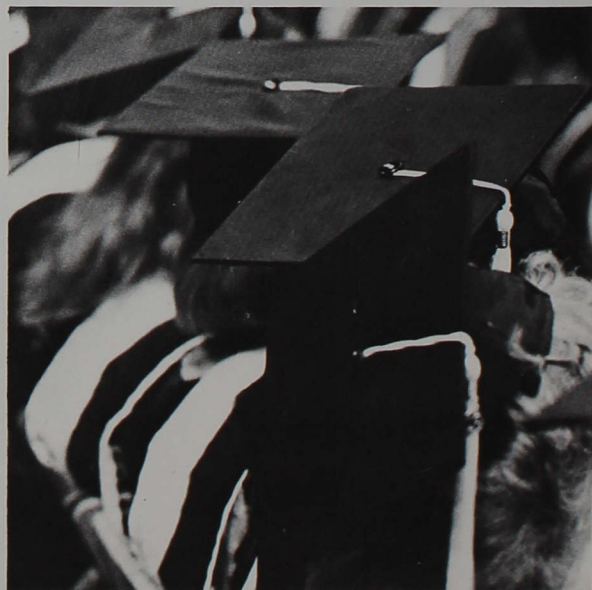

A record 435 degrees were awarded at the 1979 Commencement on Sunday, May 20. The 4 p.m. ceremony in Nicoson Hall included special music by the ICU Concert Choir, and an address by Rabbi Murray Saltzman of the Baltimore Hebrew Congregation. Below, John Mastandrea, president of the senior class is shown receiving his diploma from President Gene Sease.

Top left: the processional. Top right: Bonnie Benson and Rex Bauchert talk about their experiences at ICU on graduation day. Bottom: Graduates listen attentively to the commencement program.

# Faculty

Where We've Been

Where We Are . . .

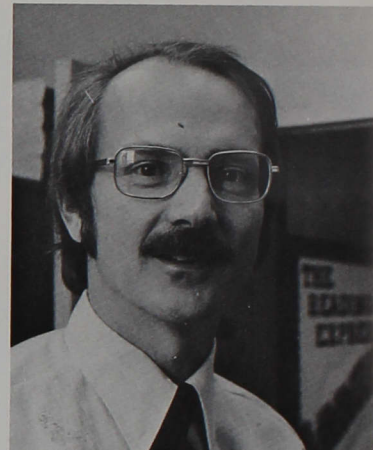

The ORACLE staff would like to dedicate this section to the memory of Professor Doug Dorland, who passed away May 28, 1979. He will be greatly missed at ICU.

## Where We've Been Where We Are

The ORACLE staff would like to thank everyone who helped with the book. A special thanks goes to the departmental secretaries who helped set up and identify pictures. We would also like to express our gratitude to Mr. H. Merrill Underwood, archivist, who aided us in locating the old pictures for our opening section and the division pages.

A yearbook is an awful lot of trouble, but the final results make it worthwhile. Many hours of hard work have gone into the 1979 ORACLE. We hope you enjoy it.
