Convo-1980-Some slept through it, some listened intently, some tried to "skip-out", but all were exposed to it. The national and state elections seemed to go on and on forever.

As November closed we found that IC students had successfully predicted the eventual winners in almost all spots-except for David Crane, the Congressional hopeful pictured here with a panel of political science students.

# ICU's Southside Campus Leads A Variety Of Atmospheres

During the 1980-81 school year, ICU's campus provided many different activities for students who cared to take advantage of them. There were places to go to be alone and study as well as places to go and things to do that enabled friends to get together and have a good time. ICU offers a beautiful campus to enjoy, a great variety of clubs and organizations to get involved in, and many different intercollegiate sports to either participate in or go and watch.

# September Brings Lines And . . . Convo

In 1980's traditional formal opening convocation, the faculty led by President Sease paraded into Ransburg Auditorium in their impressive mortar boards and academic gowns.

Freshmen, not used to the pomp and pageantry of the occasion squirm not knowing exactly how to act, while seasoned veterans settle themselves comfortable in their seats "counting down" the number of required sessions of "Convo".

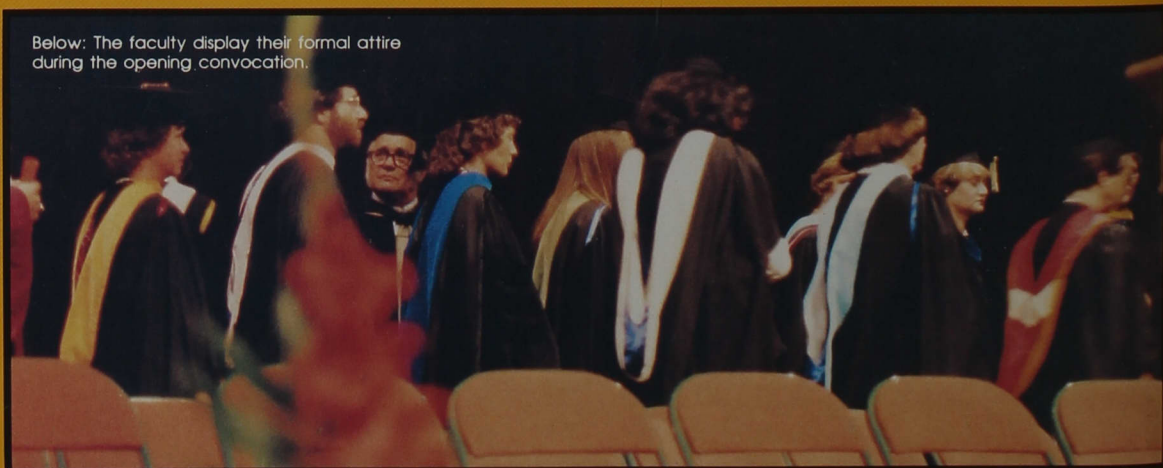

Traditionally the Esch Scholar, the highest academic award given by ICU, is introduced. Keith Hessong, 1980's recipient of the award challenged the student body to make the year before them one of growth and achievement.

The beginning of the school year means lines . . . long, long registration lines. Students get a chance to socialize while waiting to make payments, receive schedules and have their pictures taken for those "charming" I.D.'s.

# Ten Million Dollar Campaign For ICU Has Huge Sendoff

Indiana Central began their largest campaign for monetary funds with a kick-off dinner at the Indianapolis Convention Center on January 22, 1981. The goal of the campaign was to raise 10 million dollars for some additions and improvements to the southside campus. Some of the money will be used to build more athletic facilities, which will include another gym for intramurals, training facilities, an olympic-size pool, and an all-weather track.

# ICU's First Polar Bear Run Experiences Success

Almost perfect weather greeted the two hundred and eighty-three runners in ICU's Polar Bear 10,000 meter fun run. The fun run was part of *Fitness For the Future* Campaign.

President Gene Sease started the runners in front of Krannert Library. The course covered over six miles of southside streets before ending on the exact spot of the planned new physical education building.

Several members of the faculty and staff joined many students in the run. The ideal weather, the fun and jovial mood of the contestants made the day one of the most memorable of the year.

ICU alum, Gary Romesser won the event in an outstanding time of 32:37. Gary currently holds ICU records in the mile, 2 mile and 3 mile events.

# President's Ball And Class Skits Entertain Students

The annual performance of the class skits gave students a break from studies during homecoming week. Those students who went enjoyed original fun-filled productions. Once again, the Freshman class captured the honors for the evening with the sophomore class placing second.

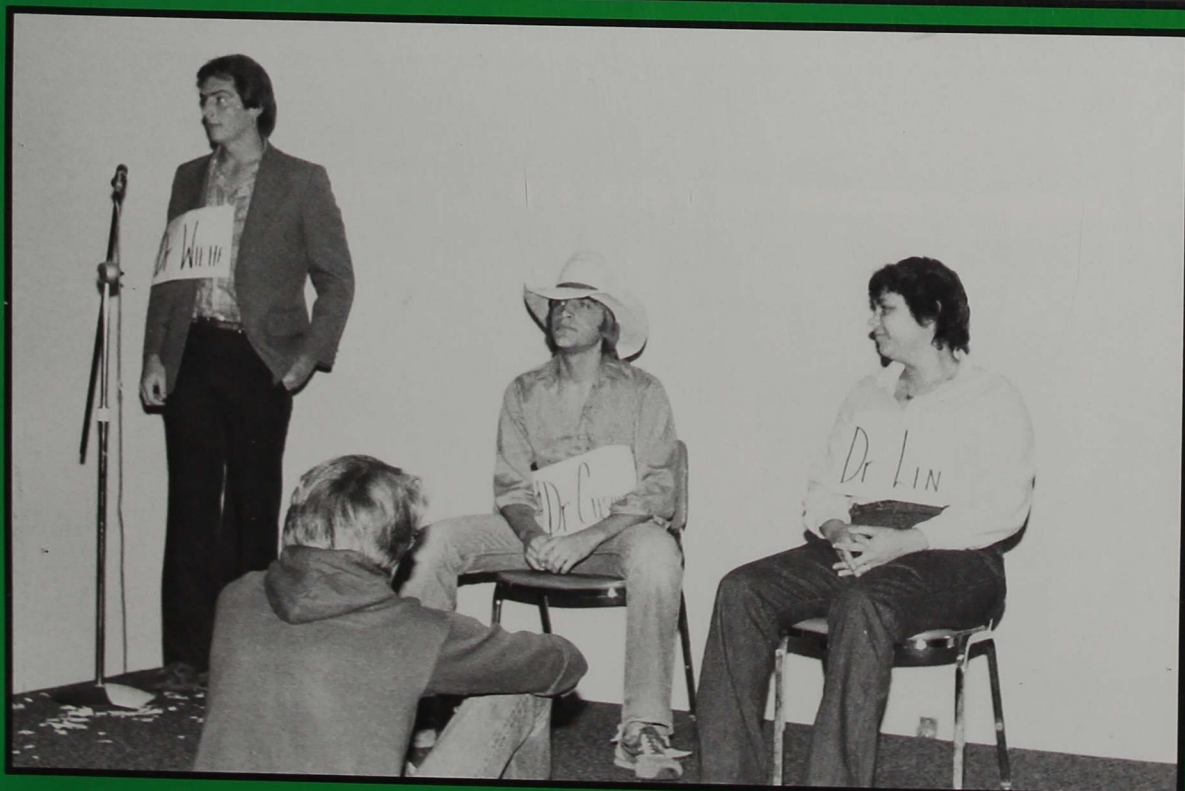

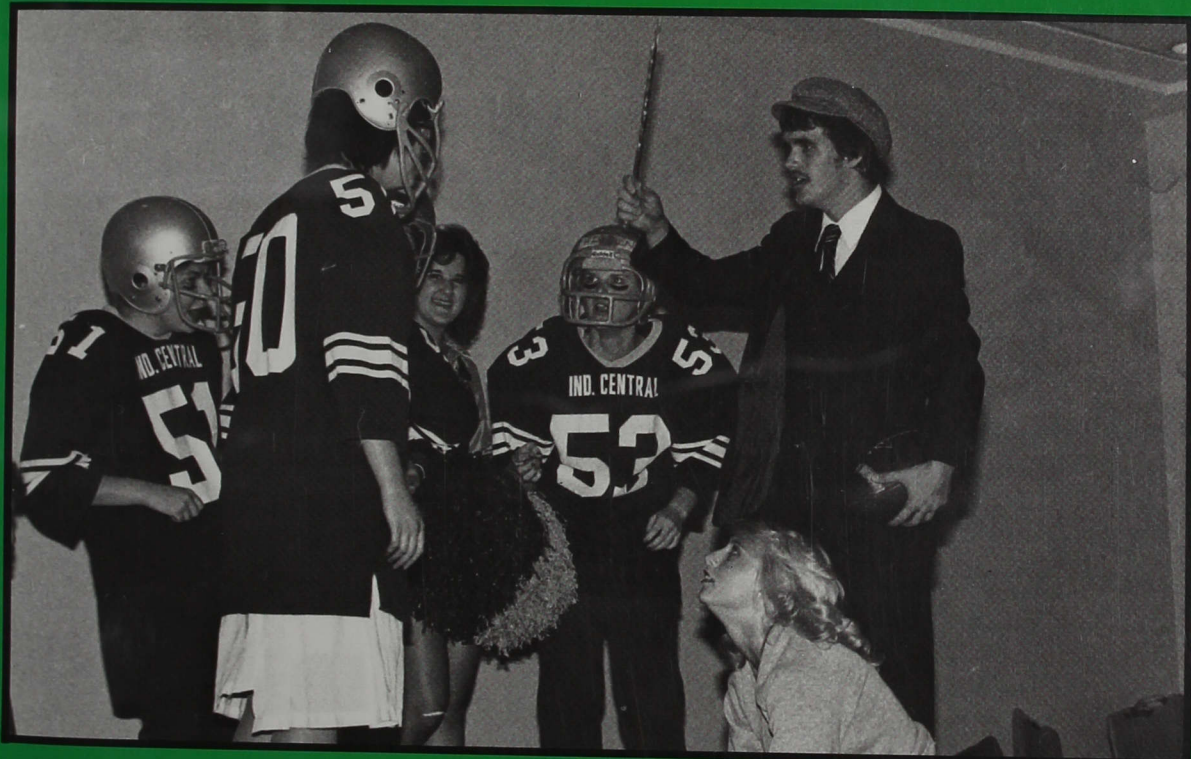

On Saturday evening, the homecoming activities were concluded with the annual President's Ball. The dining hall was decorated for the occasion and truly added to the splendor of the evening. Students, faculty, and alumni all seemed to enjoy the event.

# Homecoming Brings Brown County Day, Queen Coronation

Early October of 1980 brought the return of the annual homecoming events. On October 11, the Homecoming game was held and the queen for 1980 was crowned. Patty Walker, a junior, was bestowed the honor of reigning over the events of Homecoming week. Patty's court included senior Cathy Foster, junior Julie Roberts, sophomore Jean Spittler, and freshman Tammy Lucas. These girls and their escorts were honored several times during the week-long activities.

On October 8, students, faculty and staff made the annual trek to Brown County for a fun-filled, exciting day free from classes and studying. Some of the students went down the night before on a camping trip sponsored by the Ski Club. The weather could not have been much better for the games of football, tug-of-war and other activities that took place. For those who tired of all of these activities, the trip to Nashville was a pleasant alternative. This day provided a nice vacation for all who participated in the "Fall Break."

TEAM, INDIVIDUAL RECORDS FALL

# Wade, Williams, "Wish" First Teamers; 11 Earn HCC Honors

The 1980 edition of Greyhound football was another winner for Coach Bill Bless and crew. The Hounds had a record of 5-4-2, while placing fourth in the Heartland collegiate conference behind Franklin (5-2), Ashland (5-2), and St. Joseph's (4-3). The Hounds were 3-3-1 in league play. Coach Bless' men were in contention for the conference crown until the loss at Butler in the tenth game of the season.

Fourteen Greyhounds were named to the All-HCC team in 1980. From the offense, sophomore fullback Mike Wishnevski and sophomore tackle Wade Hall were awarded first team honors. senior guard Jeff Bates, sophomore center Jim Landwerlen, and junior tight end Bob Brewer were named to the second team offense. Receiving Honorable Mention were junior Bob Bohannon, a flanker, and freshman halfback Greg Scarpone.

Defensively, junior end Scott Williams, who played in just seven games before injuring his knee, was named to the first team. Three Hounds were selected to the second team defense. they were senior middle guard Dennis Young, sophomore linebacker Pat Parks, and sophomore linebacker Tim Motsinger.

Junior tackle Lee Hickam, scott Armstrong, a junior defensive back, and senior defensive back Mike campbell each received Honorable Mention from the conference.

The 1980 Co-Captains were Bates and Young. Wishnevski, who set a school record for yards rushing in a season (1,106), was named the Most Valuable Offensive Player of 1980. Hickam was honored as the Most Valuable Defensive Player of the past season. Bates and Brewer were picked the Most Valuable Linemen, and Campbell was voted the Most Valuable Defensive Back. Senior Boyd Davis was given the Kelso-Reid Award for mental attitude.

Many team and individual records were either set or equalled during the 1980 grid campaign. They include Wishnevski's 1,106 yards rushing, Williams' six sacks at Evansville, Anthony Pernel's 93 kickoff return at the University of Wisconsin at Platteville. Also accomplished in 1980 were the fewest yards rushing allowed in a game (-62 vs. Evansville), the most quarterback sacks in a game (13 vs. Evansville), and the most interceptions in a game (6 vs. Franklin).

LADY SPIKERS FIFTH IN STATE

## Ladies Finish 20-15

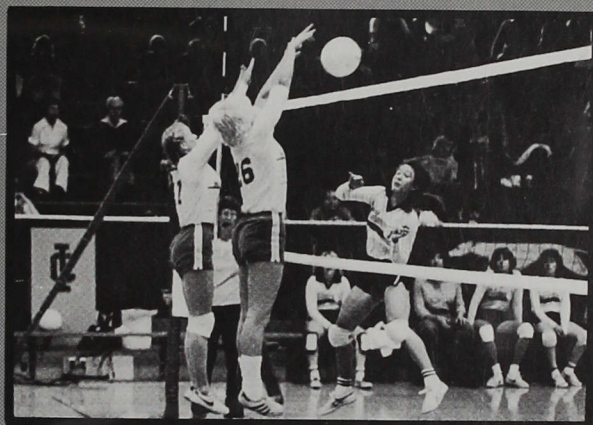

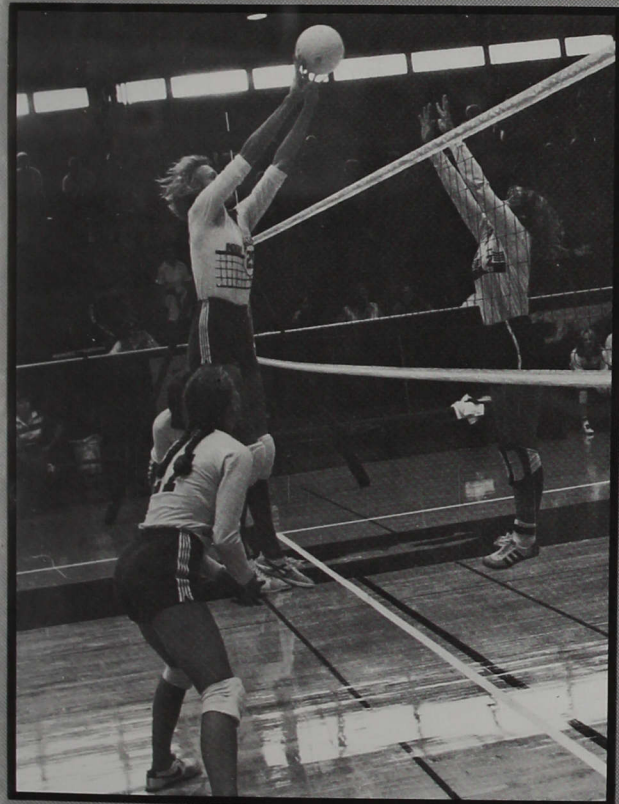

Early in their season, Coach Sue Willey and her Lady Greyhound Volleyball team set two goals. They were striving to have a winning season and to finish well in the State Tournament. The fact that the team was returning only five letter winners did not stop these ladies from accomplishing both of their goals. They finished their season with a record of 20 wins against just 15 losses. The Hounds also ended the year as the fifth best team in the State Tournament. Fifth place is the best finish ever by a Greyhound Volleyball team.

The team was led this year by Captain and Most Valuable Player Trina Bluhm, a junior. The Kelso-Reid Mental Attitude Award was given to senior Deb Sweet. Sophomore Tandace Joseph was selected to the All-Tourney team at the Division II State Tournament. Joseph and freshman Kristie Swing were given All-Tournament honors at the Earlham Invitational Tournament.

With all the experience gained this season, and with the return of many standouts, 1981's squad looks to contend again for the Division II State crown. For the season, the Hounds outscored their opponents 997-895 and won a total of 46 games and lost just 35 single games.

# Harriers race to HCC, GLVC Honors

Coach Gerry England's Cross Country squad fell just a little bit off the pace they set a year ago. The 1980 club repeated as second place finishers in the Heartland Conference, but slipped from second to third in the Great Lakes Conference. The Harriers also finished seventh in the Big State/Little State.

In the HCC meet, the team showed balance as Dean Rich was fourth, Doug Esopenko seventh, Marc Adams tenth, Doug Zehr thirteenth, and Bob Albright sixteenth. In the GLVC race, balance was again the order of the day as Esopenko finished sixteenth, Rich nineteenth, Zehr twentieth, Adams twenty-second, Albright twenty-third, Rex Collins twenty-fifth, and Phil Martin was twenty-ninth.

At the Big State/Little State meet the Greyhounds were paced by Esopenko in twentieth place. Rich was close behind in twenty-second place. Adams and Zehr finished in forty-third and forty-sixth place respectively.

Esopenko, a sophomore, was voted the Most Valuable Runner for 1980, while Adams, a senior was given the Kelso-Reid Mental Attitude Award. Adams was also the Captain of the team this year.

JOHNSON, THOMPSON LEAD LADY NETTERS

## Juniors Set Pace For 8-6-1 Season

Coach Dawn Race's second year at the helm of the Indiana Central Womens' Tennis program produced an 8-6-1 record and a fourth place finish in the nine school State Tournament. The lady netters were led by the number one singles player, Diane Johnson, and the top match winner and point winner, Nancy Thompson. The recipient of the Kelso-Reid Mental Attitude Award was junior Teri Donovan. Only one senior Kathy Harter, will be lost this year, and that means the club will be even tougher next year. The remainder of the team included junior Debbie Johnson, sophomore Ginger Dobler, and freshmen Pam Bright and Brigitti Manns.

The Lady Greyhounds ended the season with an identical 8-6-1 record in doubles action.

Ginger Dobler was named the Most Improved for 1980.

## New Era Begins At ICU; Hounds Surprise Some

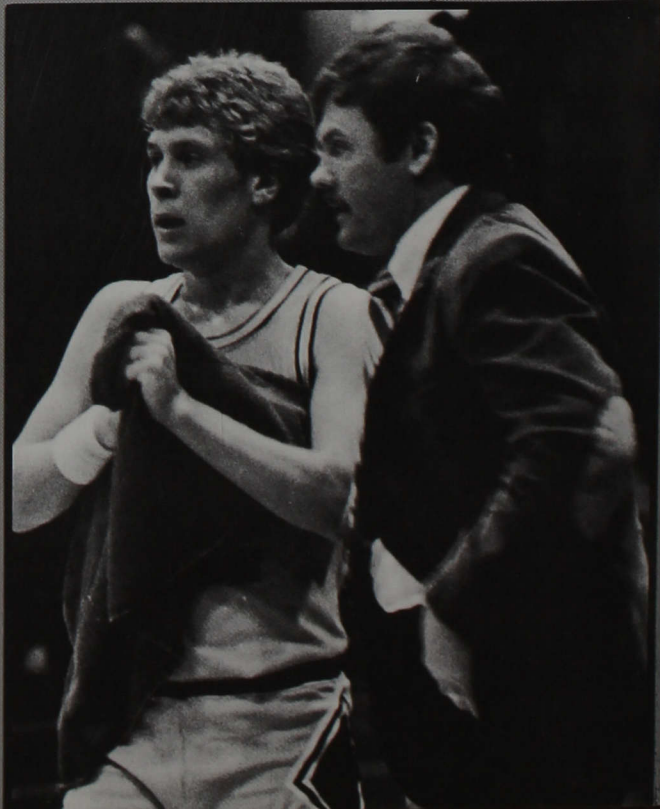

A new era in Indiana Central basketball history began in 1980 when Bill Keller joined the Greyhound coaching staff as head basketball coach, replacing Bill Bright's four year stint as coach.

In his first season, Coach Keller took a team that was not to be very good to a 13-14 record and pulled the Greyhounds from the cellar of the Great Lakes Valley Conference with a 4-6, fourth place finish.

The Hounds were a young team, with five freshmen and four sophomores filling the bulk of the roster. Keller's troops played with poise however, and played well with some tough competition. Playoff-bound Ball State barely shed the Hounds at Muncie, 82-79. When nationally ranked Division II power Wright State came to Indy, the Hounds came closer to the Raiders than any team had come to date. Indiana State-Evansville, another national power in NCAA Division II, was also almost upset by the Greyhounds.

Senior Randy Mutschler led the team in scoring this year with a 15.7 average. Freshman Doug Jennings and Junior Bryan Hughes followed with 12.4 and 11.7 averages, respectively. Mutschler grabbed 123 rebounds to lead the club (a 4.7 average) and freshman Scott Pedigo brought down 103 boards for an average of almost four per game.

With new life in the system, Indiana Central looks to be one of the top teams in the league in 1981-82.

LADIES FINISH 18-7

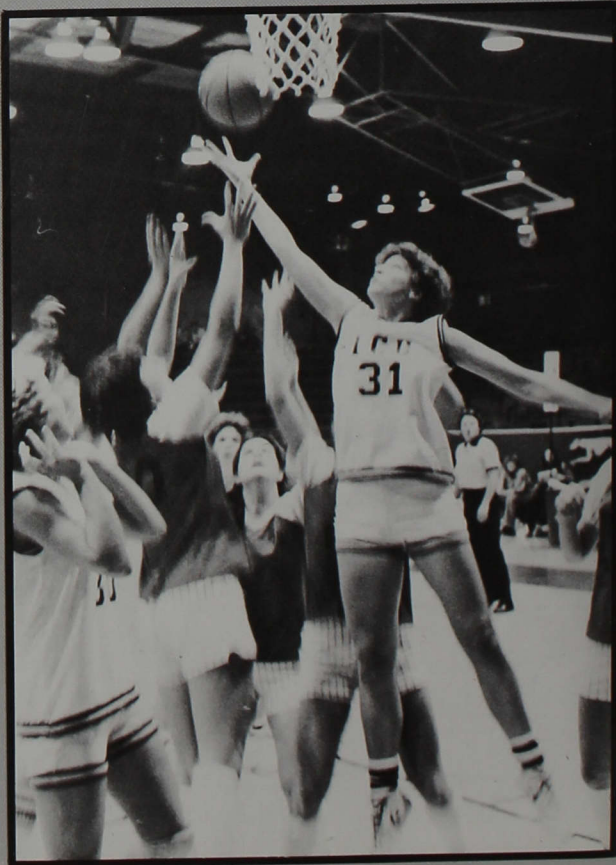

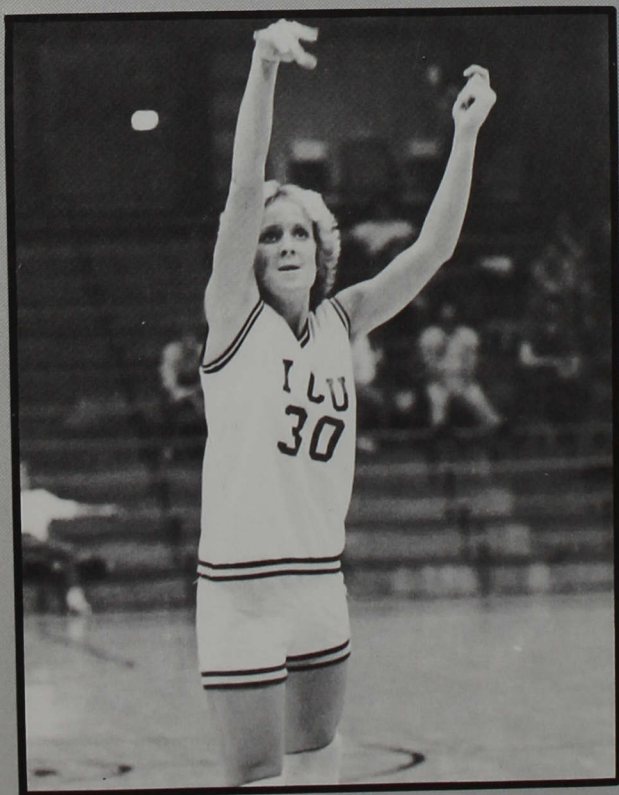

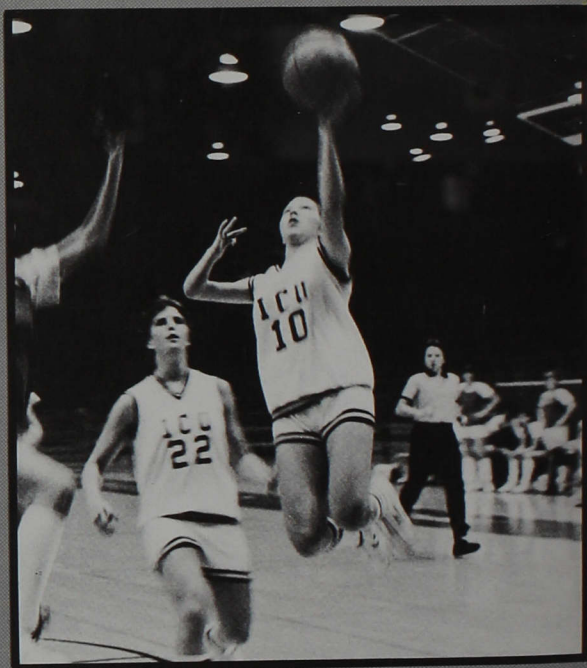

## Five Underclassmen Lead Ladies To Spot In State

A lineup filled by four freshmen and a sophomore led the 1980-81 Lady Greyhound Basketball team to a second place finish at the AIAW Division II State Tournament and an 18-7 overall record. The State Tourney was held at Nicoson Hall.

At one point, the ladies were struggling with a 5-6 record. Then the girls went hot and won 13 straight until Butler's women knocked off the Hounds in the final game of the tourney.

Coach Jack Noone started sophomore Kim Epler, and freshmen LuAnn Humphrey, Gus Nelm, Pam Bright, and Kristie Swing. Together, these ladies accounted for 42.6 points and 27 rebounds per game out of 64.8 and 40.9, respectively. Humphrey led the team in scoring with an 11.7 average and in rebounding with 8.5 a game. Frosh Terri Wiese followed with 9.9 points per game.

Coach Noone can look forward to next year, because he loses just one player to graduation.

## GRAPPLERS SECOND IN HCC

# Seven To Regionals; ICU Coach-Of-Year

The Indiana Central Wrestling team turned the 1980-81 season a turnaround from the previous one by coming from last place in the conference to second in the league. Credit that turnaround to many talented young men and one talented and dedicated coach. Terry Wetherald is that coach, and for his efforts, he was named Coach-of-the-Year in the Heartland Collegiate Conference.

That second place finish was won with good balance all the way up the weight scales. Scott Justus was second in the HCC at 118; Rich Gross was fourth at 126; Alan Greiger was fourth at 134; Steve Hunter was the conference champ at 142; Brad Johnson was third at 150; Mark Gregory was second at 158; Dave Lutgring was third at 167; Del Fakes was second at 177; Duane Lutgring was the conference champ at 190; and Wade Hall was the HCC champ in the Heavyweight division. Hall also went on to place third in the Regionals. Justus, Hunter, Gregory, Fakes, and both Lutgrings all went to the Regionals, but did not place.

## OFF YEAR FOR SOFTBALL

# Willey's Ladies Struggle; 5-12 Going Into State

Even with several seasoned veterans and a few newcomers on the roster for the 1981 season of softball, Coach Sue Willey and her Lady Greyhounds had a rough year, and at press time were 5-12 going into the State Tournament.

The team was led this year by Tami Schlicher, a freshman who was voted Most Valuable Player by her teammates. Captain of the ballclub was senior Julie Herdman. Sophomore Cheryl Jarret was voted to receive the Kelso-Reid Mental Attitude Award.

The ladies will only lose three players to graduation, and that means good things are in store for Coach Willey and her diamond squad.

## Hounds Receive Bid To NCAA Div. II Playoffs

For the second time in four years, Indiana Central's Baseball Greyhounds received a bid to play in the NCAA Division II Regional. The Hounds under second year coach Bob Tremain flew to Troy, Alabama to play in the double elimination tourney which included host Troy State, Delta State, and Northern Kentucky. Central played well, but was knocked out.

The Greyhounds got to the playoffs by winning the Great Lakes Valley Conference and the Heartland Conference. Also present in the judges minds was the 12 game win streak that the Hounds put together after a dismal Spring Break week. Central wound up winning 13 of their last 16 games on the year.

Only one senior was on the roster in 1981, much to the liking of Coach Tremain. That senior was Captain Jeff Duhammel. Jeff was also the recipient of the Kelso-Reid Mental Attitude Award.

Greyhound baseball fans can surely look forward to next Spring, because the young Hounds are ready to return to the playoff picture. Leading the way will be Mike Wishnevski, who set a school record hitting (.487) and slugging (.826), and tied the record for home runs (8) and doubles (11).

Mike was named Most Valuable by his teammates.

The Outstanding Pitcher award was given to freshman Phil Benson. Most Improved was junior Phil Morris. The Defensive award was given to junior Keith Perin. Sophomore Tom Stall was awarded the "Roadrunner" award for stolen bases. The 1981 baseball team set a new school mark for stolen bases in a season with 75. They tied the record for home runs with 22.

Coach Tremain has now evened his record in two years at 34 wins and 34 losses.

Coach Tremain and his Greyhounds swarm onto the field after the last out in the championship game. ICU defeated Butler by a score of 8 to 6. This win enabled the Hounds to go on to the NCAA II playoffs.

MORE RECORDS FALL

## Lady Hounds Have Season Finish At 99-99

As is true with many of the Indiana Central athletic teams, the 1981 Lady's Track and Field squad was very young this season, having only one senior in Shirley Amonett.

Second year coach Dawn Race fielded a team made up of mostly freshmen and sophomores which went after the defense of their 1980 State Championship.

Much of the load was carried by the likes of Pam Bailey, Robin Goble, Shannon Flickinger, Dana Randall, and Paula Ensinger.

At the time of this book's printing the Oracle did not have any statistics on the Lady's Track and field team.

The Most Valuable Runner and the Kelso-Reid Mental Attitude Award winner were one in the same. Pam Bailey took both honors.

HOUNDS WIN HCC, LITTLE STATE

## Young Cops Div. II Title; Team Record Spotless

Coach Gerry England's 1981 Track and Field team will be remembered as one of the finest ever at ICU. The squad was not defeated in any of their dual meets, and on top of that, the Hounds won both the Heartland and Little State meets for the second year running.

Senior Dennis Young, in his fourth try at winning the national discus championship, came away with the crown after having thrown the disc 51.82 meters. Western Illinois University was the host of the meet. Sophomore Wade Hall and freshman Randy Heisler also travelled to the national meet. Hall and Heisler each compete in the shot put.

Young was the team captain in 1981, and was also voted Most Valuable by his teammates. The winner of the Kelso-Reid Mental Attitude Award was senior quarter-miler Dennis Massie.

CLORE, BARNHART LEAD

## Central Linksmen Rebuild Respectably

After losing a lot of major talent from last season's successful golf team, one might expect Coach Ken Partridge's squad to put forth a bad showing in this year's tournaments. Such was not the case in 1981, as the Hounds compiled a record of 48-37 in the season. They also finished respectably in the two conference matches. Central came in third in the Great Lakes Valley tournament and wound up fourth in the Heartland meet.

Harry Clore led Indiana Central in the fall as team medalist and with a second place finish in the GLVC meet. Sophomore Brian Barnhart was named team medalist for the spring half of the season.

Captain of the club for 1981 was junior Mike Hardwick. Freshman Scott Pedigo was voted to receive the Kelso-Reid Mental Attitude Award.

## Young Netmen Find Going Tough

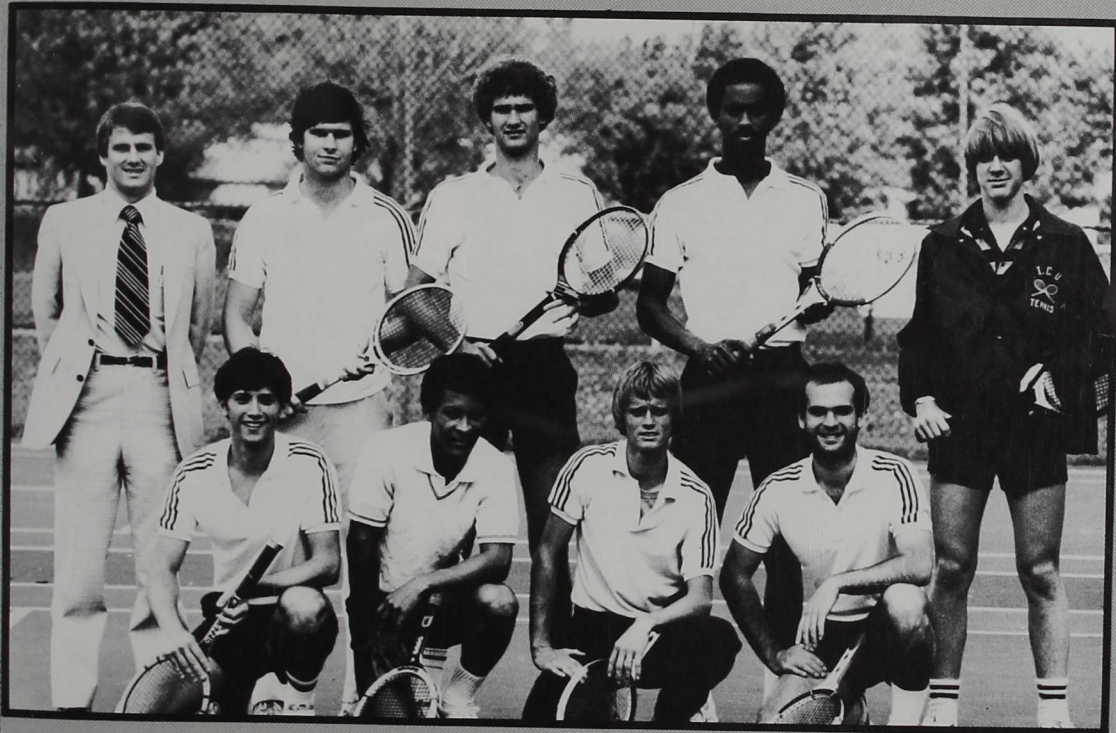

The 1981 Indiana Central Tennis team was filled with youth, showing only one senior on the roster. The team had some trouble this year, as the Hounds finished third in the Great Lakes Valley Conference match and sixth in the Heartland Conference tournament.

Mike Donovan was the lone senior on the club this year. Mike earned his fourth letter this season, and was selected as the recipient of the Kelso-Reid Mental Attitude Award as well as being the captain of the squad. Gary Welsh was voted the Most Valuable Player by his teammates for the 1981 season. Gary is a junior.

The Greyhounds were coached by second year mentor and former ICU tennis standout Jeff West.

# LIVING

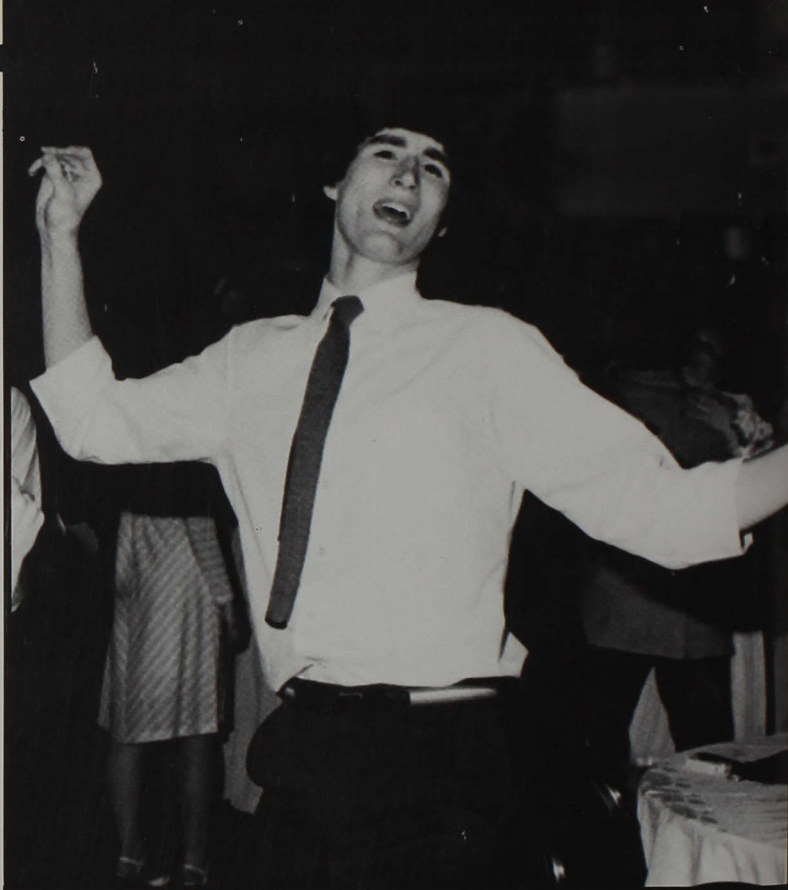

# Dances Keep Campus "Beat"

College students cannot live by books alone, to paraphrase a line. Dances and other social events of the year sometimes taught as much as the formal classroom. Parties ranged from costume to semi-formal.

Joe Burnell "gets into" a disco number at the annual Valentine Dance.

Giving a special pose for the camera are Jeff McPeak and date Angie Mouser.

Cats, dogs, hippies, and assorted weird-os donned their best at the Halloween bash.

ICU warmed-up the ballroom of a downtown hotel with dancing at the Valentine Dance.

Ann Hudson and her group provided entertainment for a dance at North Hall.

Deb Barrick and friend Jim Hayes enjoy a slow dance at the semi-formal affair.

# Nola Jones Is Miss ICU For 1981-82

Ransburg Auditorium was a scene of beauty in the spring of the year when the annual Miss ICU pageant took place.

Eleven young co-eds took part in the pageant featuring competition in evening gowns, talent, personal interviews and the ever popular swimming suits.

Miss Nola Jones was the 1981 Miss ICU with Cindi Witmer first runner-up and Michelle Powell second runner-up.

Nola, as the winner of the Indiana Central contest went on to represent ICU in the Miss Indiana Pageant in Michigan City, Indiana.

Freshman Michelle Powell turns on the charm in her talent presentation before the judges and the audience in Ransburg. Her smile wins her a spot as second runner-up.

Taking her "victory lap" on the stage is 1981's Miss ICU, Nola Jones. Nola is a sophomore from Columbia majoring in music.

Proudly escorting first runner-up Cindi Witmer through the arch is Steve Stevason.

Congratulating the beaming Michele Powell is Dr. Dave Huffman the dean of students.

Facing the judges in swim suit are; left to right, Rhonda Daugherty, Cheryl Lamb, Ann Hudson, Kathy Knoop, Cindi Witmer, Paige Lindemann, Michelle Powell, Mary Kay Pitts, Terri Mohr, Nola Jones and Angela Mouser.

## Second Annual Cyclorama Is Big Success!

Again proving to be the BIG weekend of the spring semester, the Cyclorama II did not disappoint the students and riders.

Hanna Avenue was blocked for two hours as the teams raced for the flag and trophies.

Miss ICU, Nola Jones, hangs on tightly as the pace car driven by VanDeman brings the field around on the parade lap.

Senior Brian Bartley tries to work-out a leg cramp after completing his laps.

Opposite page, top left: Members of the winning team "chug-down" the Gatorade during the race.

This is win two for Bob.

Sending balloons skyward signal start of race.

Opposite page, top: Members of team rush to the aid of rider during a "muffe" attempt at an exchange of riders during the fifty-lap marathon.

Dan Rasmussen, Brian Bartley, Joel Moss, and Tim Davis help each other adjust to the "after-race" walk.

Team members help Joel Moss to his feet after a qualifying mishap over the hedge.

Top: Racing around the north-east turn are three cyclists trying for the "break-away".

A member of the UNDER RIDERS, sponsored by Merrill Underwood, shows the wear and tear of the race. They were able to finish in second place for the second year in a row.

# Cyclorama Star ADAM SMASHER Returns To IC

ADAM SMASHER II could have been the name of the Cyclorama II Dance. The popular Indianapolis disc jockey turned on the record-breaking crowd.

Everyone and everything moves!

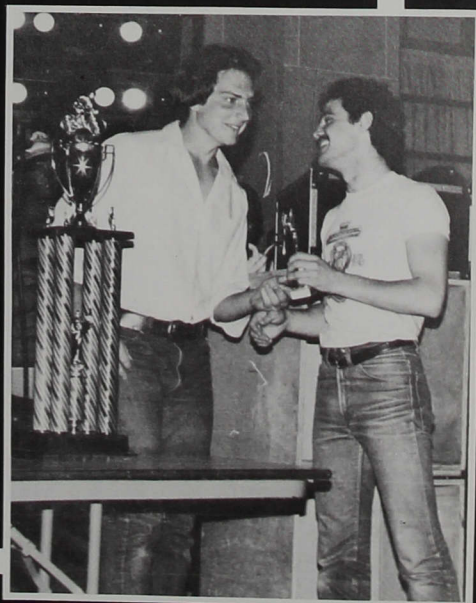

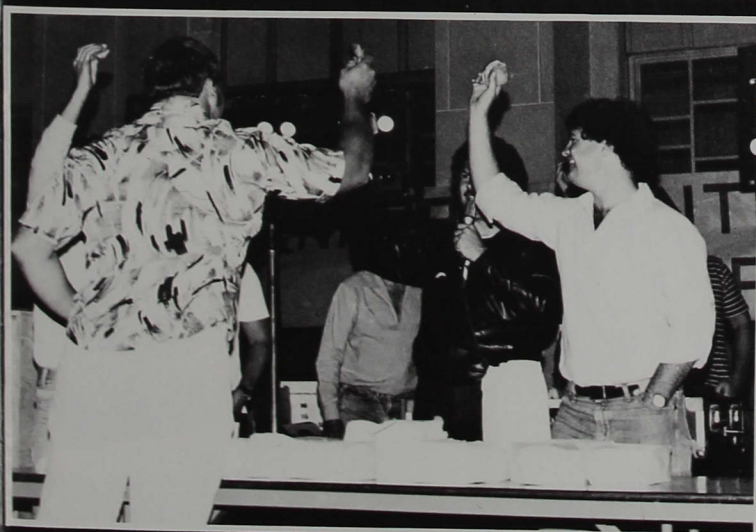

Opposite page, top: Slow numbers mixed with fast kept on all evening.

"Let's salute the White Castle, the great American gas reserve!" Smash and chairman Sandy Zehr salute each other in a new IC tradition.

Dennis Reinbolt and Tamer Mercho gloat over the Cyclorama trophies.

Right: Jean Spitler enjoys the time in the sun with her friend.

Below: The nice warm days during flex turn the ICU campus into a relaxing vacation spot away from all the tensions of the regular school year. Students put away their books in the afternoon and enjoy the warm sun.

## ICU Has Carefree Atmosphere During Flex-Semester

The regular semester school day is filled with classes and homework. When flex time comes around in the spring, everything changes. Students only have one class to attend which leaves a lot more free time to do things. The nice weather that arrives at this time seems to make people want to be outside in the sun. Students choose one of the "beaches" on campus and enjoy a relaxing afternoon. Others use the time to play tennis, softball, or enjoy a variety of other activities.

All of this is not to say that there is no studying done, but the afternoons are to be enjoyed in the nice weather. Studying is pushed to some other time.

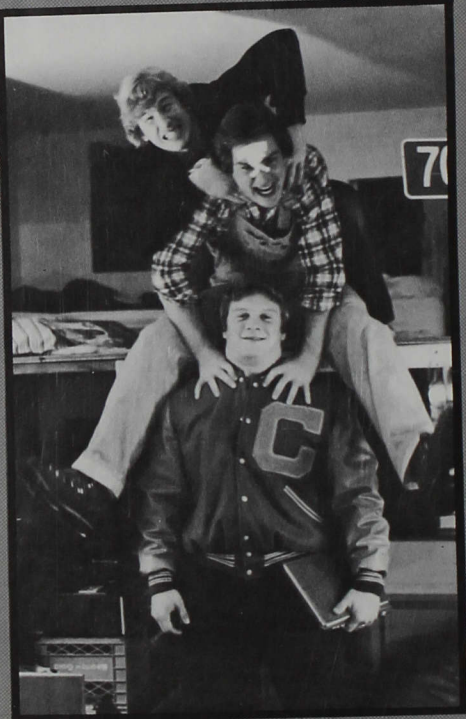

Top: Sun glasses reflect the leisure of a co-ed out working on her sun tan. Yards of dorms were littered with brown-skinned beauties soaking in gallons of oil.

Middle: Jeanni Wiley plays peek-a-boo with Adam Borden, son of Dr. Borden.

Below: Patti Rusk sits up to see what is going on during the bike race.

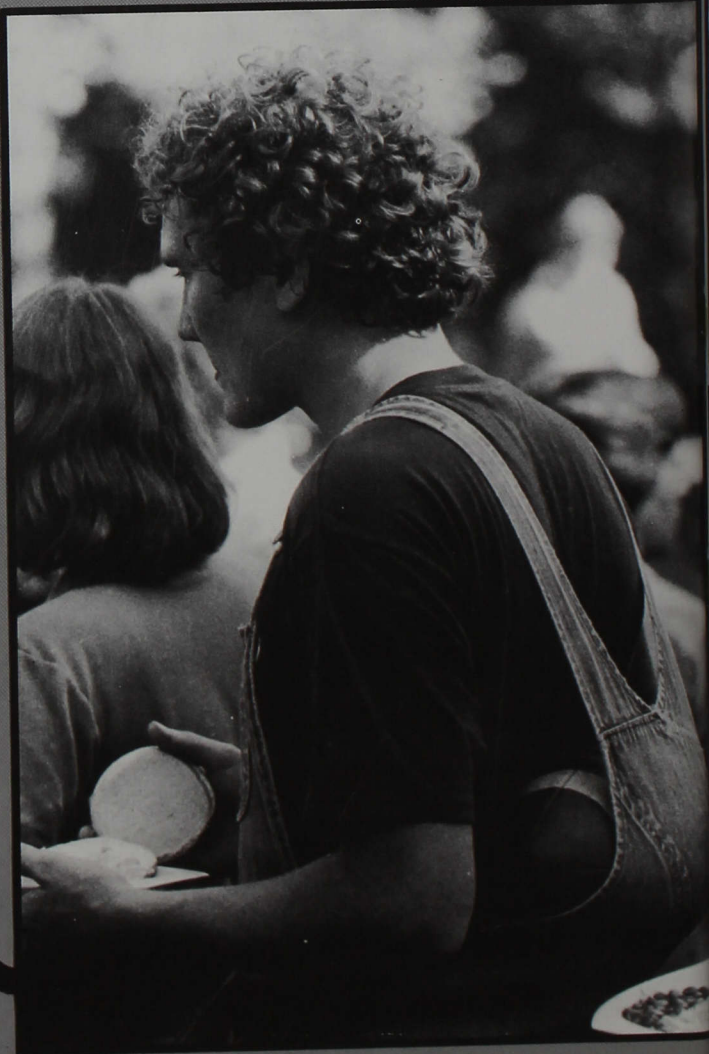

## Sun And Stars Shine On ICU "Personalities"

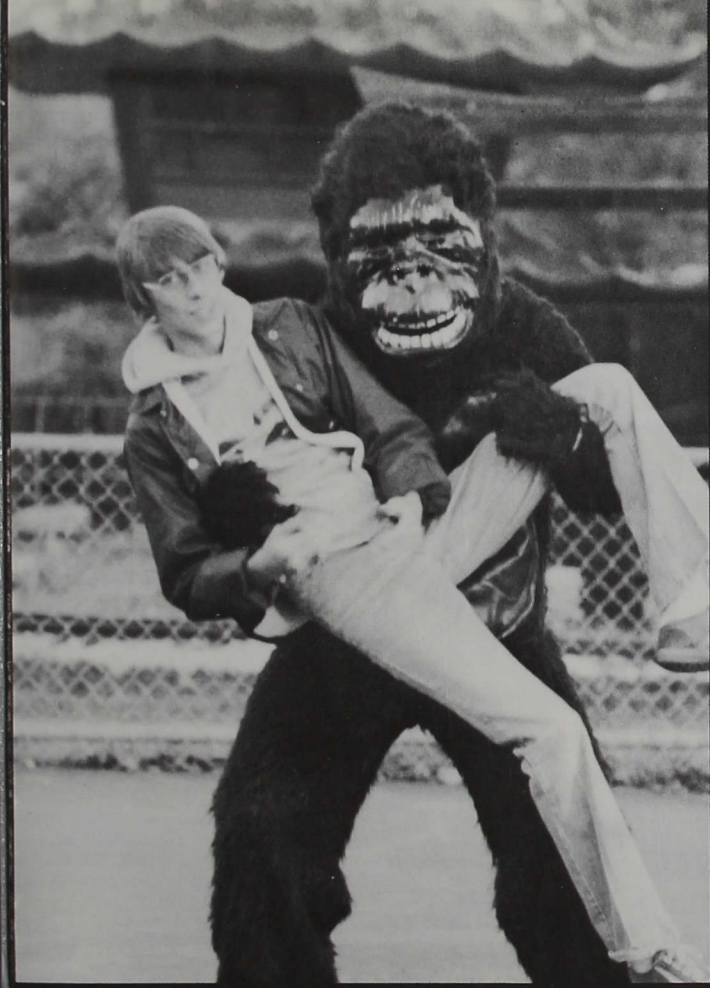

Football player Mike Wishevski appears to have been attacked while visiting the room of co-attacker Steve Sittler (top) and Dennis Reinbold (middle). On a dull evening Steve and Dennis get their kicks throwing each other through the keyhole.

At ICU visiting old Washington High School and Indiana Pacer team-mate basketball coach Bill Keller, big George McGinnis (middle) is interviewed by WICR sports-casters Stan Boltinghouse and Dave Kruse.

Paul Elliot finds a place to "stash" his football while juggling food at the annual Brown County fun fest.

"Going Ape" is not typical of his usual quiet behaviour, but everyone, including Frank Vormohr (ape), has their off days. Dave Albright (the one with the glasses), Frank and many other ICU students entertained children during the Halloween Party at the Indianapolis Zoo.

The spring of 1981 was a "real gas" according to the comments heard around campus. A leak in underground gasoline tanks caused some mild concern among students from North Hall that were evacuated. Fumes spread to several buildings on campus and crews from Indianapolis TV stations swarmed all over trying to "smell" a story.

Double your pleasure, you're seeing double-double. These two sets of twins, left to right, Glenna and Leanna Ready and Janice and Jennifer Reinhart helped phone alumni in the annual Alumni Telethon.

# ICU Offers A Variety Of Academic Programs

Indiana Central offers 42 four-year programs and 14 two-year programs to its students. Besides these, there are master of arts, master of science and master of business administration degrees offered. Along with the regular 2-semester year, ICU also offers a four-week term in the spring.

## Music Groups Provide Entertainment At A Variety Of Events

The ICU Music Department plays host to a variety of music groups. These groups are made up of music majors and other students who are just interested in music. They perform at many functions during the school year both on and off campus. Many of the students were able to perform at the convention center in 1981 for the kick-off dinner for the Fitness for the Future Campaign. Many talented musicians make up these different groups and they deserve some special recognition and appreciation for all they do in performing at the various events.

# Dorm Life Has Its Good And Bad Qualities — Like Home

If you thought that living with your family was bad, try living with thirty or forty other students. Fighting for showers, sinks, telephones, and a turn at the kitchen facilities are all problems that students encounter while living in dorms at ICU. Students also have the opportunity to meet many new people and learn to be independent and do things on their own.

ICU students brew up some magic potions to make themselves beautiful at Halloween Zoo Party.

# ICU Dorm Directors Play A Variety Of Roles Throughout The School Year

Letha Lee  
Buxton

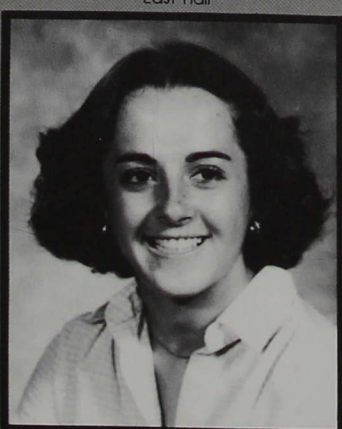

Gloria Martin  
East Hall

The dorm director's job is one that has a lot of variety in it. They have to deal with a large group of students who have a wide range of personalities and interests. These dorm directors act as friends, counselors, leaders in dorm activities, disciplinarians and take on many other roles throughout the year as different situations arise that require persons to fill certain roles. Many students find that their dorm director can be a "parent away from home." Living in a college dorm is a new experience for those that have never really been away from home. A dorm director can be a person who makes the transition a little easier.

# Graduation Brings Many Different Feelings To ICU Students

May 17, 1981 was a day many ICU students looked forward to for a long time. There were many mixed emotion on the Sunday afternoon though as the degree candidates entered Nicoson Hall and participated in the graduation ceremony. There was both joy and sadness as the young men and women realized that they were leaving ICU as students.

# Administration Shows Strong Leadership At Indiana Central

The administrators at ICU have demonstrated their versatility in leadership on the southside campus. They are all ambitious and have the desire to make ICU expand in the future. They work hard at their jobs, which is evident in the progress of ICU over the years.

These administrators are not only great leaders of the school, but they are also very personable people. They allow themselves to participate in activities of the school which enables both students and faculty to get to know them. They are all friendly and try to make everyone feel a part of the school. Because of their actions and viewpoints, the students respond very well to the administrators.

*Dr. Richard M. Clutter*

The Indiana Central family mourns the loss of Dr. Richard M. Clutter, associate professor of history and political science. His death on November 20, 1980, resulted from a traffic accident in Washington, D.C., where he was attending a conference.

Dick, as we all knew him, had been associated with Indiana Central University almost continuously since 1962 when he first enrolled in the evening division. In 1966 he was graduated summa cum laude with a major in history. That same year he was elected to Epsilon Sigma Alpha and was named "Outstanding Teacher-in-Training" at ICU by the Indiana Council for the Social Studies. In 1967 he received a master of arts degree from Indiana University. He became a part-time instructor in the department of history and political science at his alma mater in 1968; in 1972 he became a full-time member of the faculty. Two years later he completed his graduate work at Indiana University and received his doctor of philosophy degree in history.

Professor Clutter, who enjoyed teaching, was also involved in research and writing. His doctoral dissertation was a history of the Indiana Department of the American Legion. He was vice chairman of the Military History Section of the Indiana Historical Society and had been editor of the *Military History Journal* since its inception in 1976. He wrote "Indiana Guardsmen in the Great War," which is a chapter in the recently published *Indiana's Citizen Soldiers*. In 1979 and again in

1980 he traveled extensively in Latin America, and he was tentatively planning a trip to Africa in 1981.

As a student Dick was known for his zeal for knowledge and his unusual capacity for hard work. As an instructor he used these attributes to entice his students to extend their horizons and to commit themselves to excellence.

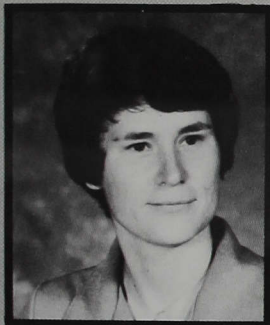

Despite his many professional involvements, Dick found time for a full private life. He was an active sportsman, being a tennis player and an avid snow skier. He was devoted to his family; his wife Goldie, their daughter Susan, and their son Brian. He was a servant of God and a faithful member of Calvary Tabernacle where he had been a member of the Board of Trustees and president of the Calvary Christian School Board of Christian Education.

During his years at Indiana Central, Dick Clutter earned the respect of students and colleagues alike. The large number of persons from both campus and community, who visited the mortuary to pay their last respects, is a testimony to the high esteem in which he was held by those who knew him. He will be sorely missed by all of us.

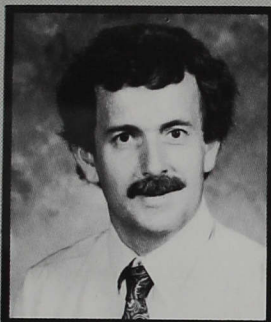

A memorial fund has been established in his honor. Contributions should be designated for the Dr. Richard M. Clutter Memorial Fund and sent to the Development Office, Indiana Central University, 1400 East Hanna Avenue, Indianapolis, IN 46227.
