- **Elementary Education Degree with Mild Intervention Minor and Reading Concentration = 63.5 hours + 60 Ivy Tech – A Bachelor’s degree with this major and selected “minor” requires a minimum of 122.5 hours**
- A four (4) hour **modern language** requirement is in place. It can be achieved by passing 2 years (4 sem.) of the same high school modern language; achieving 102 on the placement exam; or passing a 4-hour college 101 modern language course.
- A student may complete more than one major as long as each major has at least 24 discrete hours. Please see the Academic Catalog for additional details.
